Foreword	Christopher L. Davis	vii
Preface		ix
Acknowledgments		xi
Chapter 1	The Evolution of Managed Accounts	1
	<i>The managed account industry, which began amid pension reform, has mushroomed in response to clients' demands for a consistent process to manage their investments.</i>	
Chapter 2	The Revolution of Unified Managed Accounts	15
	<i>Unified managed accounts have evolved as investors sought greater coordination among their investments and more diversified portfolios.</i>	
Chapter 3	Mutual Fund Advisory Accounts	36
	<i>Financial advisors can leverage the potential of multiple mutual funds in a single client account by using a mutual fund advisory account.</i>	
Chapter 4	Alternative Investments	42
	<i>Alternative investments offer greater diversification and risk management than ever before, and many clients are asking that alternatives be included in their portfolios.</i>	
Chapter 5	Key Benefits of Managed Accounts and Recurring Revenues	61
	<i>Managed account solutions allow for a more efficient use of the advisor's time, access to a more affluent clientele, a consistent revenue stream leveraged by the market's growth, and a more valuable business entity; plus, clients prefer fees over commissions.</i>	

Chapter 6	How to Tell If Managed Account Solutions Are Right for Your Practice	75
	<i>Are managed account solutions right for you? Here's how to evaluate your potential for success.</i>	
Chapter 7	Transforming Your Practice into a Wealth Management Business	94
	<i>Step-by-step instructions for explaining managed account solutions to clients and prospects, gathering information and developing an investment policy statement, and structuring an effective client meeting.</i>	
Chapter 8	Developing Your Managed Account Solutions Business	120
	<i>Referrals from current clients can bring prospects to your door, but you must know how to ask for them and have materials on hand to promote your practice.</i>	
Chapter 9	Positioning Yourself as a Solutions Provider	135
	<i>By cultivating mutually beneficial relationships with service providers, allied professionals, and the media, you can develop a steady stream of referrals to help grow your business.</i>	
Chapter 10	Attracting and Retaining Clients	151
	<i>Seminars remain an effective marketing tactic in the sale of managed accounts. Here are proven techniques for staging a successful meeting and building your reputation.</i>	
Chapter 11	Building on Your Success	161
	<i>Throughout the course of the client relationship, you will have multiple opportunities for capturing additional assets and building your managed account business.</i>	
Chapter 12	The Future of Managed Account Solutions	175
	<i>Industry leaders present their visions of what the future holds for managed account solutions and the advisors who provide them.</i>	
Epilogue:	This Isn't Your Father's Advisory Practice	187
