Beyond the Ark: Tools for an Ecosystem

Approach to Conservation (Weeks), 94–95

Biodiversity: disagreement over use of term, 135; discussed in negotiating clear-cutting

- ban compromise in Maine, 117–118;
Jenkins's devotion to preserving, 46–47,
51–52, 82; loss of, in Hawaii, 180–181;
protection of, as rationale for land ac-
quisition, 36–37, 38, 51; scientific
rationale for landscape-scale protection
of, 101–102
- Bioreserves: expanded capabilities required
for, 81–82; 5S algorithm for measuring
success of, 90–93; and Sawhill, 89–90,
91, 136; workshops on landscape-scale
conservation for managers of, 94–98,
103. *See also* Megasites
- Biosphere reserve program, 81, 90
- Blair, William, 82–83
- Blue River Project (Indiana), 96–97
- Blunt, Terry, ix–x
- Board of trustees, 3; reform of, as solution
to accountability crisis, 224–225,
229–230; role of trustees and staff in
meetings of, 105–106, 107–108,
114–116; Sawhill's changes of, 134,
139. *See also* Trustees
- Boardman, Walter, 21, 25, 27–28, 29–30,
57
- Bok, Derek, 222
- Boren, Frank, 89, 130, 135
- Bower, Marvin, 130–131, 133, 140
