## ***Introduction*..... 1**

About This Book.....	1
Conventions Used in This Book .....	2
What You're Not to Read.....	2
Foolish Assumptions .....	3
How This Book Is Organized.....	3
Part I: Preparing Yourself (And Your Garden) for Planting .....	3
Part II: Flowers and Foliage: Growing for Color .....	4
Part III: Stretching Your Garden Beyond Its Boundaries:	
The Permanent Landscape.....	4
Part IV: Producing Your Own Produce.....	4
Part V: Designing Special and Fun Gardens .....	5
Part VI: The Part of Tens .....	5
Icons Used in This Book.....	5
Where to Go from Here.....	6

## ***Part I: Preparing Yourself (And Your Garden) for Planting* ..... 7**

### **Chapter 1: Getting Ready for Gardening ..... 9**

Playing the Name Game.....	10
“Hello, my name is . . .”: Getting used to plant nomenclature .....	10
Anatomy 101: Naming plant parts.....	11
Bringing in Beauty with Flowers (and Foliage) .....	12
Amazing annuals.....	13
Perennial plants .....	17
Bulbs and roses .....	19
Gardening for Your Dining Pleasure.....	20
Working with Woody (or Viney) Plants .....	20
Shrubs.....	21
Trees .....	22
Vines.....	23
The World Is Flat: Caring for Your Lawn .....	24

### **Chapter 2: Planning Your Own Eden ..... 25**

Taking Stock: Evaluating What You Already Have .....	25
Identifying problems and restrictions .....	27
Taking advantage of your yard's assets.....	30

Getting Ideas for Your Garden Space.....	31
Gardening with the kids in mind .....	32
Establishing a good garden for pets .....	32
Creating space for entertainment .....	34
Designing a sanctuary: The quiet garden retreat .....	35
Cooking up an edible garden: Gardening for your kitchen .....	36
Zeroing In on Your Ideal Garden Style .....	37
Gardening around a theme.....	38
An inspired idea: Perusing books, magazines, and local gardens..	41
Making Sure Costs Don't Outgrow Your Budget.....	42
Bringing Your Garden Ideas to Reality .....	43
Sketching out the yard you have now .....	44
Making your drawing match your dream garden .....	44
Defining key areas so you know where to start.....	45
Getting Professional Help for Your Garden Plans .....	47
Landscape architects, landscape designers, and garden designers .....	48
Landscape or general contractors .....	49
Master gardeners.....	49

**Chapter 3: Getting into the Zone — Your Garden's Zone . . . . . 51**

Different Hardiness Zone Maps for Different Folks.....	51
Taking a look at the world's plant hardiness zone maps .....	52
Warming up to the heat-zone map .....	53
Savoring the Sunset zones .....	54
Reading plant hardiness zone maps .....	54
Fathoming Frost Zones and Growing Seasons.....	56
Zoning Out: Breaking the Zone and Growing Season Rules.....	57
Managing your microclimates .....	58
Cheating the system: Creating microclimates .....	60
Stretching your growing season.....	61

**Chapter 4: Live Long and Prosper: Giving Plants**

**What They Need . . . . . 63**

Let There Be Light!.....	64
Facing the Fertilizer Facts .....	65
What to feed: The great natural versus chemical debate .....	67
When to feed your garden.....	68
Compost: More than Just a Fertilizer .....	69
Demystifying Soil pH.....	71
Finding out your soil's pH .....	72
Adjusting your soil's pH .....	72
Much Ado about Mulch.....	73
Knowing your mulches .....	73
How to apply mulch — and how much .....	75
Water, Water Everywhere: Tackling Watering Issues .....	76
Providing plants with the right amount of moisture .....	76
Determining which watering system to use.....	77

Cutting back on watering .....79  
 Dealing with drainage problems.....80  
 Air! Air! Plants Need Air!.....81

**Chapter 5: Gathering Your Gardening Gear .....83**

Digging Those, Er, Digging Tools .....83  
 Getting down with shovels and spades .....84  
 Trowels: More than just little shovels .....86  
 Garden forks: Not for dining!.....87  
 Dabbling in dibbles (or dibbers) for poking holes.....88  
 Clues to Quality Cultivating Tools .....89  
 Ho, ho, hoes .....89  
 Weeding out poor weeders to get to the best.....90  
 Making the Right Cut with Cutting Tools .....92  
 Getting a handle on hand pruners .....92  
 Hedging your bets on hedge shears .....93  
 Branching out with loppers .....94  
 Moving up to pruning saws.....95  
 Putting Power Tools to Use.....96  
 Safety first: Controlling your power tools  
 (so they don't control you) .....96  
 Chewing through chores with chainsaws .....97  
 Working with weed trimmers and weed whackers .....97  
 Tilling soil with rototillers.....98  
 Wading through Wondrous Watering Tools .....99  
 Hoses.....99  
 Nozzles.....101  
 Hose-end sprinklers .....102  
 Water timers.....103

***Part II: Flowers and Foliage: Growing for Color..... 105***

**Chapter 6: Growing Annuals: Adding Yearly Variety  
 to Your Garden .....107**

Finding Flowers that Fit Your Garden .....107  
 Some like it hot: Warm weather annuals .....108  
 Some annuals like it cool.....109  
 Mixing and Matching Annuals .....109  
 Good habits: Taking advantage of shape,  
 height, and structure.....110  
 Combining colors .....113  
 Buying Annuals.....114  
 Starting with seed packets .....114  
 Starting with nursery, well, starts .....114

An Annual Event: The Whens, Wheres, and Hows of Planting .....	115
Filling in the garden after the last frost .....	116
Deciding where to plant annuals .....	117
Getting annuals in the ground .....	117
Feeding the Flower Power: Taking Care of Annuals .....	118
Watering .....	118
Fertilizing .....	118
Mulching .....	119
Grooming .....	119
Dealing with annual pests .....	119

### **Chapter 7: Growing Perennials: Plants That Make a Comeback . . . 121**

Looking at Perennials, the Repeat Performers .....	122
Hardy perennials .....	122
Tender perennials .....	122
Planning Long-Term Strategy for Your Perennial Garden .....	123
Choreography: Timing perennial blooming .....	124
The living palette: Keeping colors in mind .....	125
Designing perennial beds and borders .....	125
Finding and Buying Perennials .....	128
To the market: Getting perennials in containers .....	128
Buying perennials through mail-order .....	129
Acquiring free divisions from other gardeners .....	130
Planting Perennials .....	131
Figuring out where to plant perennials .....	131
Deciding when to plant perennials .....	134
Preparing for the actual planting .....	137
Show the Love: Taking Care of Your Perennials .....	138
Supporting with stakes or rings .....	138
Practicing good grooming habits .....	139
Dividing perennials .....	141
Preparing perennials for winter .....	142
Dealing with perennial pests and diseases .....	142

### **Chapter 8: Brightening Up the Garden with Bulbs . . . . . 145**

Shedding Light on Bulbs .....	145
Defining terms: Bulbs aren't always, well, bulbs .....	146
The time of the season: Looking at early and late bloomers .....	149
Getting acquainted with the most popular bulbs .....	150
Social Mixers: Choosing to Combine Your Bulbs .....	151
Combining various types of tulips .....	151
Mixing up your daffodils .....	152
Combining different kinds of bulbs .....	153
The Search: Where to Get Your Bulbs .....	155
Buying bulbs from home stores and nurseries .....	156
Purchasing bulbs through mail-order .....	157

Getting Down and Dirty: Planting Bulbs.....158  
 When to plant bulbs .....158  
 Where to plant bulbs .....160  
 How to plant bulbs .....161  
 Taking Care of Bulbs .....163  
 Watering your bulbs .....164  
 Fertilizing bulbs .....164  
 Mulching .....165  
 Fighting bulb pests.....165

**Chapter 9: Coming Up Roses .....167**

What Makes a Rose Be a Rose Be a Rose .....167  
 Checking out blooming habits .....168  
 Looking at hardiness.....169  
 Identifying the various rose types.....169  
 Deciding Where to Put Your Roses .....173  
 Planning your beds and borders .....173  
 Using roses as groundcovers.....175  
 Screening with roses .....176  
 Using roses as vines .....177  
 Buying the Best Roses .....178  
 Getting a potted rose .....178  
 Purchasing a bareroot rose.....179  
 Planting Your Roses .....182  
 Putting containerized roses in the ground.....182  
 Planting bareroot roses .....183  
 Taking Care of Your Roses .....185  
 Watering.....185  
 Fertilizing.....185  
 Keeping roses in shape.....186  
 Maximizing winter hardiness.....188  
 War of the roses: Tackling rose pests .....189

***Part III: Stretching Your Garden Beyond Its  
 Boundaries: The Permanent Landscape ..... 191***

**Chapter 10: Growing a Perfect Lawn .....193**

In the Beginning: Getting Ready to Make a Lawn from Scratch .....193  
 Preparing your yard for a lawn.....194  
 Designing the lawn .....195  
 Seeding and Sodding: Adding the Grass.....196  
 Determining the kind of grass you want or need .....196  
 Cool-season and warm-season grasses .....197

Growing lawns from seed .....	201
Your own turf: Growing lawns from sod .....	204
Watering a Thirsty Lawn .....	207
Getting the water balance right .....	207
Boosting watering efficiency .....	208
Feeding and Fertilizing .....	209
What's your type? Deciding on the kind of fertilizer .....	209
Knowing your serving sizes: How much fertilizer is enough .....	211
Checking out the feeding schedule .....	211
Mowing the Lawn, Cutting the Grass, and Otherwise Giving the Yard a Shave .....	212
Warring with Weeds .....	214
Preventing lawn weeds .....	215
Treating already-weedy lawns .....	215

## **Chapter 11: Reaching New Heights with Trees and Shrubs . . . . .217**

Knowing Your Trees .....	218
Exploring evergreen trees .....	218
Falling for deciduous trees .....	220
Choosing the Right Tree for Where You Live .....	222
Getting Treed! Planting Trees .....	223
Not just for Arbor Day: Deciding when to plant your tree .....	223
Finding a suitable location .....	224
Planting your tree .....	226
Taking Care of Your Tree .....	229
Giving trees a tall drink of water .....	229
Fertilizing trees .....	231
Life and limb: Pruning judiciously .....	231
Raising the stakes: Offering some support .....	235
Knowing Your Shrubs .....	236
Nonflowering shrubs .....	236
Flowering shrubs .....	237
Planning Practical Uses for Bushes .....	237
Planting Shrubs .....	238
Deciding when to plant your shrubs .....	239
Situating your shrubs .....	239
Perfecting your shrub-planting skills .....	240
Caring for Your Shrubs .....	241
Watering .....	242
Fertilizing your shrubs .....	242
Pruning for shape and rejuvenation .....	243

## **Chapter 12: Climbers and Crawlers: Growing Vines and Groundcovers . . . . .245**

Looking at How Vines Hold On .....	245
Twining .....	247
Tendrils .....	247
Adhesive discs .....	247

Holdfasts.....248  
 Sprawling.....248  
 Choosing the Right Vines for Your Garden .....248  
     Considering your basic options .....249  
     Love me tender? Deciding whether you need cold-hardy vines...250  
     Sizing up your vines .....251  
     Examining site considerations for vines .....252  
 Planting and Supporting Vines .....253  
     Giving vines a little backup: Trellises, fences, and arbors.....254  
     Using trees and shrubs as living supports.....255  
 Maintaining Perennial Vines through Pruning.....256  
 Looking at Groundcovers, a Living Carpet .....257  
     Examining groundcover varieties .....257  
     Reaching out: How the groundcover spreads .....259  
     Spacing out: Considering the room the groundcover takes up...260  
     Exploring site considerations for groundcovers.....261  
 Planting and Maintaining Groundcovers.....262  
     Watering.....263  
     Fertilizing.....263  
     Mulching.....263  
     Keeping groundcovers in shape: Pruning and pegging.....264  
     Getting weeds out (and keeping them out) .....264

***Part IV: Producing Your Own Produce .....265***

**Chapter 13: Food, Glorious Food! Growing Your Own Veggies . . . .267**

Varieties of Veggies .....268  
     Growing vegetables by seasons .....268  
     Defining hybrids .....271  
     Appreciating heirlooms .....272  
 Designing for Dining and Getting Your Vegetable Garden Ready.....274  
     Sketching out your plan.....274  
     Working with the sun: Where to plant vegetables .....276  
     Using planting patterns and systems .....277  
     Prepping your soil.....278  
 Finding Your Vegetables .....280  
 Planting Your Vegetables.....282  
     Deciding when to plant your veggies.....282  
     Sowing and planting your veggies.....283  
 Composting for Vegetable Gardens .....288  
 Fertilizing Your Vegetable Garden.....290  
 Using Frames and Supports for Veggies.....292  
 Dealing with Vegetable Pests.....295  
     Rodents, rabbits, and other miscreants .....296  
     Deer .....296  
     Birds .....297  
     Bugs.....297

**Chapter 14: Adding Spice to Your Garden: Growing Herbs . . . . . 301**

Planting Herbs: A Lesson in Adaptation.....	302
Getting the timing right .....	302
Helping herbs find their place in the world .....	303
Putting herbs in their place: How to plant .....	306
Raising herbs from seed .....	307
Taking Care of Your Herbs .....	308
Providing an herb's basic needs.....	308
Dealing with herb pests .....	309

**Chapter 15: Sweet and Crunchy: Growing Fruits, Berries, and Nuts . . . . . 313**

Fruit Basics: Knowing and Choosing the Right Fruits for Your Garden .....	314
Examining the types of fruits .....	314
Getting the lowdown on chill factors .....	315
Studying your size accommodations .....	317
Going solo or in pairs: Looking at pollination .....	321
Finding and Buying Your Fruit Bearers .....	321
Planting Your Fruit .....	322
Making the prepared soil deep and wide enough .....	323
Choosing the best time to plant fruits .....	323
Deciding where to plant your fruits .....	324
Getting your fruit in the ground .....	325
Taking Care of Fruits .....	329
Watering.....	329
Fertilizing.....	329
Cutting back on mulch.....	330
Supporting and training your fruit .....	330
Pruning .....	332
Dealing with fruit pests.....	336

***Part V: Designing Special and Fun Gardens*.....339****Chapter 16: Mini Gardens and Microcosms:  
Gardening in Containers . . . . . 341**

Exploring Different Kinds of Containers .....	341
Examining standard container materials .....	342
Thinking outside the pot: Alternative choices and offbeat containers.....	344
The Inside Track: Getting the Container Soil Right .....	346
Purchasing a soil mix .....	346
Whipping up your own soil mix.....	347
Picking the Best Plants for Your Containers .....	349
Up close and personal displays.....	350
Tucked in attention-grabbers .....	351
Containers of mixed company .....	351

Arranging Containers for a Container Garden.....	352
Taking Care of Your Container Plants.....	353
Gauging your container garden's water needs .....	354
Fertilizing your container plants .....	355

## **Chapter 17: Taking the Plunge: Gardening with Ponds and Fish . . .357**

Planning Your Water Garden.....	357
Looking at location.....	358
On the level: Deciding between aboveground and in-ground gardens.....	359
Choosing the best lining.....	362
Picking Out Your Water Garden Parts and Supplies .....	363
Pumps .....	366
Bubblers and fountains .....	366
Filters .....	367
Installing and Filling Your Pond.....	368
Choosing Plants for Water Gardens .....	368
Waterlilies.....	369
Lotus .....	370
So-called marginal plants .....	371
Floaters and submerged plants .....	371
Adding Fish to Your Water Garden .....	372
Maintaining Your Water Garden .....	374
Taking care of the plants .....	375
Winterizing your plants and fish .....	375
A sea of green: Controlling algae in troubled waters.....	376

## ***Part VI: The Part of Tens*.....379**

### **Chapter 18: Ten Common Questions from (and Ten Common Answers for) Gardening Beginners . . . . .381**

What's the Difference between an Annual and a Perennial? .....	381
What's Organic Matter? .....	382
Why Does Everything I Plant in My Flower Bed Die? .....	382
How Do I Prepare the Ground for a Brand-New Bed? .....	382
Do I Have to Spray Chemicals on My Rosebushes? .....	383
Do Any Vegetables Grow in the Shade?.....	383
It's Hot and Dry Here and I Don't Want Cacti. What Are My Options? .....	383
What Can I Plant on a Steep Bank to Prevent Erosion? .....	384
How Do I Remove the Weeds from the Lawn without Pulling Them One by One? .....	384
Is There Anything Deer Don't Eat?.....	385

### **Chapter 19: Ten Quick, Fun, or Handy Garden Projects . . . . .387**

Set Up a Hammock .....	387
Put Up a Rubber Tire Swing.....	387

Install Stepping Stones .....	388
Set Up a Trellis.....	388
Plant a Teepee .....	388
Create Whimsical Garden Art from Castoffs.....	389
Decorate the Front Steps with Potted Plants .....	389
Make Some Plant Labels.....	389
Make a Simple Compost Bin for Your Own Organic Matter.....	390
Combat Garden Pests with Homemade Pepper Spray .....	390
<b>Chapter 20: Ten Garden Projects for Children .....</b>	<b>391</b>
Create a Dinosaur Garden .....	391
Grow a Sunflower Fort .....	391
Make Sunprints.....	392
Plant Mini-Pumpkins .....	392
Write with Seeds.....	392
Trap a Zucchini .....	392
Make a Home-Grown Salad .....	393
Grow Paperwhites.....	393
Set Up a Birdbath .....	393
Attract Butterflies to the Garden .....	394
 <b><i>Appendix: Basic Gardening Resources</i>.....</b>	<b>395</b>
 <b><i>Index</i>.....</b>	<b>401</b>
