## INDEX

---

*Note to index:* An *e* following a page number denotes an exhibit on that page; an *f* following a page number denotes a figure on that page; a *t* following a page number denotes a table on that page.

- AAAS (African American Acculturation scale), 268
- Abbey, D. S., 149
- Abes, E. S., 16, 189, 245, 325, 341, 361–362, 368
- Ability privilege, 242–243
- Ableism, 242–243
- Absolute knowing, 125–126, 127
- Abstract conceptualization (AC), 138, 139, 140, 141, 142, 143, 144, 146, 147
- Accommodating learning style, 140, 143, 144, 147, 148
- Accountability, 12, 27, 173–174
- Acculturation: defining, 276. *See also* Ethnic identity development/acculturation
- Achievement identity status: ego identity, 54; ethnic identity, 278–279, 299–300; women’s identity, 53, 56, 57, 60, 61, 62
- ACPA (American College Personnel Association), 11
- Active experimentation (AE) learning style, 138, 139, 140, 141, 142, 143–144, 146, 147
- Adaptive Style Inventory (ASI), 146
- Adult education, 181, 223, 237–238
- Advocacy, 211, 223, 224, 309, 315
- African American Acculturation scale (AAAS), 268
- African Americans/blacks, 284–286; Caribbean cultural identity, 285–286; ethnic identity development, 284–286; faith and women, 209, 210; racial/ethnic identity, 74–75; sexual identity development, 312; womanist identity, 286. *See also* Cross and Fhagen-Smith’s model of black identity development
- Aleshire, D., 201
- Alessandria, K. P., 76
- Alipuria, L. L., 299–300
- Allen, K., 365
- Alvarez, A. N., 270

- American College Personnel Association (ACPA), 11
- American Indians/Native Americans. *See* Native Americans/American Indians
- Anderson, C., 201
- Anticipated transitions, 215
- Antonucci, T. C., 217
- Arnold, K. D.: on developmental ecologies, 163, 164, 165, 167, 169; on instigative characteristics, 161, 162
- Artistic personality type, 34
- ASI (Adaptive Style Inventory), 146
- Asian Americans: identity development model, 265–266; internment of Japanese, 290; South Asian Americans, 283
- Asians in U.S.: ethnic identity development, 282–283; sexual identity and, 312
- Assimilating learning style, 140, 143, 147
- Assimilation, 43, 74, 141, 292; of African Americans, 304; of Caribbeans, 285; of Native Americans, 267; precounter, 258–259
- Astin, A., 31, 163
- Athletes, transitions of, 224
- Atkinson, D. R., 255
- Atkinson, G., Jr., 147
- Aulepp, L., 171
- Authority-bound knowing, 203
- Bahr, J., 76, 310–311
- Bank, B. J., 340
- Banning, J. *See* Campus ecology model
- Banning, J. H., 170
- Barker, R. G., 168–169
- Barth, F., 273
- Baxter Magolda, M.: campus rituals ethnography, 19; on holistic approach, 38; on intercultural maturity, 182; on learning styles, 145; on student affairs educational practice, 181–182
- Baxter Magolda's epistemological reflection model, 14, 124–130, 352, 367, 368; applications, 129–130; assumptions, 125–126; influence of, 134; influences on, 97, 124–125; limitations of, 127–128; patterns in, 125–127; research, 88–89, 128; stages of, 125–127; theory, 125–128
- Baxter Magolda's self-authorship theory, 183–192; applications, 19–20, 190–192, 356; concept of self-authorship, 188; context of, 189–190; critique of, 193; diverse populations and, 188–189; elements of self-authorship, 186–187; fostering self-authorship, 187–188, 191; instructional applications, 191–192; interview strategies, 190–191; learning partnerships, 187–188, 190, 191, 192, 357–358; process in, 184–186; research, 188–190; student affairs applications, 192
- Baysden, M. F., 293, 299
- Beemyn, B. G., 344
- Behavior-setting theory, 168–169
- Belenky, Clinchy, Goldberger, and Tarule's women's ways of knowing, 14, 121–124, 352; classroom teaching applications, 123–124; constructed knowing perspective, 123; influence of/on, 97; procedural knowing perspective, 122–123; research, 123; silence perspective, 122; student affairs applications, 124; subjective knowing perspective, 122; theory, 121–123
- Beliefs: defining, 195; directive, 162
- Bem, S., 16, 335–338
- Bem Sex-Role Inventory (BSRI), 330, 337–338*f*
- Berry, J. W., 276
- Bicultural ethnic identity, 278
- Bicultural orientation model, 279–280
- Bicultural reference group, 259–260
- Bieschke, K. J., 306, 326
- Bilodeau, B., 16, 333, 342–343, 344
- Bisexuals. *See* Gay, lesbian, and bisexual identity development
- Bloiland, P. A., 39
- Boatwright, K. J., 123
- Bock, M., 319
- Bohmer, S., 236
- Boli, J., 169
- Bond, L. A., 123, 124
- Border crossings, 295
- Both-and approach, 370–371
- Boundary crossing, 303
- Bowers, P. J., 77
- Bowlin, P., 200
- Boyatzis, R. E., 141
- Boyd, C. J., 310
- Boyle, E. J., 145
- Brady, S., 309–310
- Bricolage, 285

- Briggs, J. L., 236
- Broido, E. M., 318, 319–320, 326
- Bronfenbrenner's ecological systems theory, 160–167; applications, 167; components of, 161–167; context example, 166*f*; exosystems, 164; influence of, 282; influences on, 160; macrosystems, 164–165; mesosystems, 163–164; microsystems, 163; nested context of, 162–165; person component, 161–162; process, 161; research using, 167; systems together as context, 165; time component, 165–167
- Broughton, J. M., 201
- Brown, R. D., 11–12
- Brown, U. M., 300
- Brunsma, D. L., 304
- Bryant, A. N., 123, 341–342
- Bryant, D., 74
- Buchko, K. J., 208
- Buckner, J., 302
- Busse, W. J., 309–310
- Cabrera, A. F., 123
- Campus Crusade for Christ, 204, 206
- Campus ecology model, 12–13, 168–173; applications of, 171–172; behavior-setting theory, 168–169; defining, 168; limitations, 173–174; need X press = culture theory, 169; personality types, 169; research issues, 174–175; social ecological approach, 169–170; subculture approach, 169; theoretical foundations, 168–171; transaction approach, 170
- Career development, 17
- Career planning research, 339–340
- Caribbean cultural identity, 285–286
- Carpenter, S., 26
- Carter, R. T., 268
- Cartwright, C., 109
- Cartwright, K. B., 210
- Cass's model of sexual orientation identity formation, 16, 307–313, 351; applications, 310–311; critique of, 311–313; research, 309–310
- Champagne, D. E., 223
- Chapman, O., 123
- Charner, I., 222
- Chaudhari, P., 189
- Chávez, A. F., 247–248, 341, 361
- Chicanos. *See* Latinos/Hispanics/Chicanos
- Chickering, A. W.: and learning styles, 146; and transitions, 222
- Chickering's theory of identity development, 12, 39, 64–81, 364; academic factor research, 76; applicability of, 77–80, 355, 357; assessment research, 72; criticism of, 365; curriculum influence on, 70; developing competence vector, 23, 67; developing integrity vector, 69; developing mature interpersonal relationships vector, 68; developing purpose vector, 69; environmental influences, 69–71; environmental interventions, 79–80; establishing identity vector, 68–69; forms of development, relationships among, 77; friendships/student community influence on, 70–71; historical overview, 65–66; individual interactions and, 79; influence of, 65; institutional objectives influence on, 69–70; institutional size influence on, 70; learning/development cycles, 71–72; managing emotions vector, 23, 67; moving through autonomy toward interdependence vector, 68; programming applications of, 78–79; psychological development research, 76–77; racial/ethnic applicability, 76; recognition/respect for differences, 71; research, 72–77; seven vectors of development, 66–69, 351, 358; sexual orientation research, 76; specific student population research, 73–76; student development programs/services influence on, 71; student-faculty relationship influence on, 70; teaching influence on, 70; theory, 66–72; validity of, 72–73; women's development research, 73–74; work/learning integration, 71
- Chinese. *See* Asian Americans
- Chiriboga, D., 213
- Christian privilege, 243–244
- Civil rights movement, 9, 234, 236
- Clark, B. R., 169
- Claxton, C. S., 146, 149, 152
- Clayton, S. A., 268
- Clinchy, B. M. *See* Belenky, Clinchy, Goldberger, and Tarule's women's ways of knowing
- Cognitive conflict (disequilibrium), 86, 102, 103, 113, 188, 206
- Cognitive structural theory, 43–45, 119–135
- Cole, J., 321, 324

- Collins, J. F., 293
- Committee on the Student of Higher Education, 11
- Communalism, 107, 193, 284
- Concrete experience (CE) learning style, 138, 139–140, 141, 142, 143–144, 146, 147
- Conferred entitlements, 237–238
- Congruence with environment (personality type), 35
- Conjunctive faith, 198–199
- Consistent (personality type), 35
- Constantine, M. G., 293, 299
- Constantinople, A., 60–61
- Constructivism, 19–20, 123, 361, 371
- Constructivist-developmental theory. *See* Baxter Magolda's self-authorship theory; Kegan's evolution of consciousness theory
- Contextual knowing, 127
- Conventional (personality type), 34
- Converging learning style, 139, 140, 143, 147, 148
- Conversational learning, 150
- Convictional commitment knowing, 204
- Cooper, D. L., 81
- Cormier, L. S., 214
- Cormier, S., 310
- Cormier and Hackney counseling model, 214, 220, 221
- Cornfeld, J. L., 92
- Cortés, C. E., 293, 294, 302
- Côte, J. E., 63
- Council of Student Personnel Associations (COPSA), 11, 12
- Cramer, E. P., 319
- Creolization, 285
- Critical cultural paradigms, 17, 18–19
- Critical race theory (CRT), 18–19, 254
- Cross and Fhagen-Smith's model of black identity development: adolescence, 257; adult nigrescence, 258–260; early adulthood, 258; infancy/childhood, 256; nigrescence recycling, 260; preadolescence, 256–257
- Cross-categorical thinking, 179
- Cross-sectional research, 364; on faith development, 200–201; on reflective judgment, 132
- Crowley, P. M., 124
- Cube model, 13, 357, 369
- Cultural dissonance, 281, 352
- Cultural ideology transmission, 117
- Cultural paradigms, 19
- Cunard, M., 172
- Dalton, J. C., 209, 210–211
- Daniel, G. R., 293, 294, 302
- D'Augelli's model of lesbian, gay, and bisexual development, 16, 315–320, 351; applications, 319–320; assumptions, 316; entering community, 317–318; exiting heterosexual identity, 316–317; interactive intimacies, 316; life span model, 342; offspring of, 317; personal identity status, 317; personal subjectivities, 315; process of identity development, 316; research, 318–319; social identity, 317; sociohistorical connections, 316; theory, 315–318
- Davis, T. L., 340
