

Contents at a Glance

<i>Introduction</i>	1
<i>Part I: Get Knoppix Now!</i>	9
Chapter 1: Knock, Knock, Knoppix on Bill's Gate.....	11
Chapter 2: Instant Knoppix	19
Chapter 3: Portable Knoppix	25
<i>Part II: Permanent Knoppix</i>	33
Chapter 4: Windows Gets a Roommate or Windows Gets Broken	35
Chapter 5: The School of Hard Knoppix: Installing Knoppix to Your Hard Drive	49
Chapter 6: Starting and Logging Into Your Knoppix PC	55
<i>Part III: Daily Knoppix</i>	61
Chapter 7: Housekeeping	63
Chapter 8: Navigating the KDE Desktop	73
<i>Part IV: The Inevitable Internet Part</i>	85
Chapter 9: Dialup Modems	87
Chapter 10: Getting Wired: Connecting to Wired Networks	97
Chapter 11: Using Wireless Networks.....	103
Chapter 12: Browsing and E-mailing	121
<i>Part V: Working (And Playing) with Knoppix</i>	139
Chapter 13: Using OpenOffice.org	141
Chapter 14: Using Multimedia	149
Chapter 15: Printing with Knoppix.....	157
Chapter 16: Sharing Files on Your Network	167
<i>Part VI: System Administration</i>	179
Chapter 17: Rescue Me: Repairing Linux and Windows Computers.....	181
Chapter 18: Curing the Common Cold: Fighting Viruses and Other Malware	193
Chapter 19: Keeping Up with the Updates: Updating and Managing Packages.....	203
Chapter 20: Being Proactive: Logging, Detecting, and Auditing	213
Chapter 21: Remastering Your Knoppix Universe.....	235

<i>Part VII: Advanced Knoppix Devices</i>	251
Chapter 22: Going Diskless: Using Diskless Computers	253
Chapter 23: Building a File Server	261
Chapter 24: I Want My MythTV	277
<i>Part VIII: The Part of Tens</i>	305
Chapter 25: Ten Knoppix Hacks	307
Chapter 26: Ten Knoppix Resources	321
<i>Appendix: About the DVD</i>	329
<i>Index</i>	331
<i>End-User License Agreement</i>	<i>Back of Book</i>

Table of Contents

<i>Introduction</i>	1
About This Book.....	1
Foolish Assumptions	2
Conventions Used in This Book	2
Typing Universal Resource Locator addresses	3
Entering commands	3
Clicks	4
Meta versus detailed instructions.....	4
How This Book Is Organized.....	5
Part I: Get Knoppix Now!	5
Part II: Permanent Knoppix.....	5
Part III: Daily Knoppix.....	6
Part IV: The Inevitable Internet Part.....	6
Part V: Working (And Playing) with Knoppix.....	6
Part VI: System Administration	6
Part VII: Advanced Knoppix Devices	6
Part VIII: The Part of Tens	6
Icons Used in This Book.....	7
Where to Go from Here.....	7
<i>Part 1: Get Knoppix Now!</i>	9
Chapter 1: Knock, Knock, Knoppix on Bill's Gate	11
Peeking behind the Curtain: Understanding the Linux Operating System	11
Introducing the Linux OS.....	12
Understanding Linux distributions	14
Live from DVD, It's Knoppix!.....	17
Chapter 2: Instant Knoppix	19
Introducing the Live Knoppix DVD!	20
"Installing" Knoppix.....	20
Boot options.....	21
Starting Knoppix.....	22
Chapter 3: Portable Knoppix	25
Saving (Your) Private Directory	25
Memory devices	26
Saving a persistent Knoppix image	28
Booting from a Persistent Knoppix Image	32

Part II: Permanent Knoppix*.....33*Chapter 4: Windows Gets a Roommate
or Windows Gets Broken35**

Preparing for a Dual-Boot Installation	35
Saving old information.....	36
Selecting files and folders	37
Preparing your hard drive.....	40
Breaking Away: Preparing to Replace the Windows OS with Knoppix	45
Removing Windows partitions.....	46
Repartitioning your hard drive.....	47

**Chapter 5: The School of Hard Knoppix:
Installing Knoppix to Your Hard Drive49**

Starting the Knoppix Installation	50
Using the knoppix-installer Utility	51
Finishing the Installation.....	52

Chapter 6: Starting and Logging Into Your Knoppix PC55

Giving Your Computer the Boot	55
Booting Knoppix into graphical and non-graphical mode with GRUB.....	56
Booting Knoppix into non-graphical mode	57
Default User Accounts	57
Security.....	59
Logging in	59
Logging out.....	60

Part III: Daily Knoppix*61*Chapter 7: Housekeeping63**

Using Interfaces	63
Using a GUI.....	64
Using the CLI.....	65
Sudo the Super User	67
Using sudo: A simple example.....	68
Configuring sudo	69
Creating User Accounts.....	70
GUI steps	70
Command line steps (CLI).....	71

Chapter 8: Navigating the KDE Desktop	73
The K Desktop Environment What?.....	73
Introducing the desktop	76
The Panel.....	76
The Taskbar	77
Applications and utilities	78
Navigating the K Desktop Environment	78
Clicking the Kicker	78
Working with windows.....	81
Managing your files	81
Customizing Your Desktop.....	82

Part IV: The Inevitable Internet Part.....**85**

Chapter 9: Dialup Modems	87
Protecting Yourself with a Firewall	87
Connecting to the Internet with a Modem.....	90
Connecting a modem	90
Configuring your modem.....	92
Dialing the Internet	94

Chapter 10: Getting Wired: Connecting to Wired Networks	97
Preparing Your Ethernet Adapter	98
Configuring Your Network.....	99
Using DHCP	99
Without DHCP broadcast	100

Chapter 11: Wireless Networks	103
WiFi Chipsets	103
Network protocols.....	104
NIC hardware	104
Wireless NIC Configuration.....	107
Knoppix-supported WiFi NICs.....	107
Open source jujitsu: Using Windows WiFi drivers	112
WPA: Better Security.....	117
Configuring an AP to use WPA	117
Configuring Knoppix to use WPA	118

Chapter 12: Browsing and E-mailing	121
Firefox Web Browser	121
Browsing the Web.....	123
Configuration options	126

Thunderbird E-mail Client.....	131
Adding an e-mail account	133
Setting and protecting your account password	135

Part V: Working (And Playing) with Knoppix 139

Chapter 13: Using OpenOffice.org141

Working in the OpenOffice.org Window.....	141
Toolbars	142
Menus	143
File Management	144
Opening files	144
Saving files.....	146
Configuration.....	146

Chapter 14: Using Multimedia149

Using Knoppix to Play Audio Media	149
Playing CDs	150
Listening to MP3s	151
Tune in with Ogg Vorbis	152
Knoppix Video	154
DVDs with Xine	154
I want my Knoppix TV	155

Chapter 15: Printing with Knoppix157

Locally Connected Printers	157
Connection	158
Configuration	158
Networked Printers.....	161
Essential information	161
Connecting to a networked printer.....	162

Chapter 16: Sharing Files on Your Network167

File-Sharing Basics	167
Configuring an NFS Client	168
Create and export a user account on the NFS server.....	169
Configure Knoppix as an NFS client	170
Mount the remote file share.....	171
Saving your settings	172
Using Samba and Windows File Shares	173
Browse and use a file share.....	174
Mount the share	177

Part VI: System Administration 179**Chapter 17: Rescue Me: Repairing Linux and Windows Computers181**

Booting an Operating System	182
Knoppix DVD Rescue Basics.....	184
Resetting Linux Passwords	185
Fixing Linux Disks	186
Fixing LILO.....	187
Fixing GRUB.....	188
Cloning Hard Drives	188

Chapter 18: Curing the Common Cold: Fighting Viruses and Other Malware193

Calling Doctor Knoppix: Finding and Removing Windows Viruses	194
Anti-virus system startup and update	195
Partition cleanup	196
Calling Nurse Knoppix: Finding and Removing Linux Malware.....	198
Initial scanning.....	200
Final scanning	202

Chapter 19: Keeping Up with the Updates: Updating and Managing Packages203

Using KPackage	204
Updating packages	205
Removing a package	208
Getting package information.....	209
An Ounce of Prevention Is Worth a Pound of Cure:	
Automatically Updating Knoppix	211

Chapter 20: Being Proactive: Logging, Detecting, and Auditing ... 213

Dear Diary, Today I . . . : Logging with syslog	214
Starting syslog	215
Configuring syslog.....	215
Using syslog	219
Sniffing Around with tcpdump	219
Detecting Intrusions with Snort	221
Downloading Snort.....	222
Configuring Snort	222
Running Snort	224
Scanning Your Network with Nmap	225
Auditing Your Network with Nessus	226
System setup.....	227
Running Nessus	230

Chapter 21: Remastering Your Knoppix Universe235

Customizing Knoppix.....	235
Creating a Smaller Version of Knoppix.....	237
Starting the customization process	237
Create directories.....	241
Burning the disc	248

Part VII: Advanced Knoppix Devices*251*Chapter 22: Going Diskless: Using Diskless Computers253**

Introducing Diskless Computing.....	253
Setting Up a Diskless Client-Server.....	255
Accounting for any DHCP servers.....	256
Configuring the server.....	256
Configuring the client	259
Using persistent settings.....	259

Chapter 23: Building a File Server261

Introducing Linux File Sharing.....	261
Exporting Resources with Samba	262
Essential Samba components	262
Example 1: Exporting your DVD/CD-ROM drive.....	264
Example 2: Exporting user home directories	267
Restarting Samba.....	270
Using SWAT to configure Samba.....	270
Exporting Resources with NFS	273
Essential NFS components	273
Example: Exporting read-only user home directories	274

Chapter 24: I Want My MythTV277

Introducing MythTV.....	278
Building a MythTV Client-Server.....	279
Step 1: Make your computer ready for TV	279
Step 2: Install the software	284
Step 3: Set up the database	288
Step 4: Configure the server.....	291
Realizing the Myth: Watching TV with the MythTV Client	300
Starting the front end.....	300
Watching live TV.....	302
Recording programs.....	302
Network access.....	303

<i>Part VIII: The Part of Tens</i>	305
Chapter 25: Ten Knoppix Hacks	307
Fixing Freezes and Stopping Processes.....	307
Fixing freezes	307
Kill (Bill's) Windows	309
Using OpenSSH to Communicate Securely	309
Commands	310
File transfer	311
Tunneling.....	312
System Setup	314
Monitor madness.....	314
Turn back time.....	316
Learning another language.....	318
Training your mouse.....	319
Chapter 26: Ten Knoppix Resources	321
Help Files	321
Man pages	321
Knoppix DVD documents	323
Internet-based Resources	323
Klaus's page	323
North American Web page	324
The European Web page.....	326
Online documents	327
Knoppix forums	327
Google	328
<i>Appendix: About the DVD</i>	329
System Requirements	329
What You Find	330
If You Have Problems with Your DVD	330
<i>Index</i>	331
<i>End-User License Agreement</i>	<i>Back of Book</i>
