Amish Grace

How Forgiveness Transcended Tragedy

Donald B. Kraybill, Steven M. Nolt, and
David L. Weaver-Zercher

Paper

978-0-470-34404-0

"A story our polarized country needs to hear: It is still grace that saves."

—**Bill Moyers**, Public Affairs Television

"Professors Kraybill, Nolt, and Weaver-Zercher have written a superb book—a model of clear, forceful writing about a tragedy and its aftermath. They have an obvious affection for the Amish yet ask tough questions, weigh contradictions, and explore conundrums such as how a loving God could permit schoolgirls to be massacred."

—**National Catholic Reporter**

"In a world where repaying evil with evil is almost second nature, the Amish remind us there's a better way. In plain and beautiful prose, Amish Grace recounts the Amish witness and connects it to the heart of their spirituality."

—**Sister Helen Prejean**, author, *Dead Man Walking*

The remarkable response of the Amish community to the horrific shooting of ten schoolgirls at Nickel Mines, Pennsylvania, in October 2006 stunned the larger world. *Amish Grace* tells the incredible story of this community's reaction to this senseless shooting and explores its profoundly countercultural practice of forgiveness.

Now in paperback, this extraordinary, award-winning account of Amish forgiveness includes an afterword by the authors along with an interview with the mother of the man responsible for the shootings, and a guide for discussion.
