PART I Dividends and Dividend Policy: History, Trends, and Determinants 1

1. Dividends and Dividend Policy: An Overview 3
   Introduction 3
   Dividends and Dividend Policy: History, Trends, and Determinants 6
   Cash Dividends: Theoretical and Empirical Evidence 7
   Share Repurchases 10
   Other Distribution Methods 12
   Survey Evidence on Dividends and Dividend Policy 13
   Other Dividend Issues 15
   Conclusions 16
   References 18
   About the Author 19

2. The Historical Evolution of Dividends 21
   Introduction 21
   A Historical Overview 21
   Corporations, Returns, and Dividends before 1800 22
   The Rise of the Corporation in England and Holland to 1720 22
   Corporations and Dividends in America to 1800 24
   Dividends in the Nineteenth Century 25
   Legislation in the Early Nineteenth Century 26
   New Industries and Dividends 27
   Dividends in the Twentieth and Twenty-First Centuries 28
   Dividend Trends: 1900–1962 29
   The Developing Research on Dividends 30
   Conclusions 32
   References 32
   About the Author 34

3. Trends in Dividends: Payers and Payouts 35
   Introduction 35
### Contents

#### Disappearing Dividends
- **Background**
- **The Evidence**
- **Possible Reasons for the Disappearance of Dividends**

#### Reappearing Dividends
- **Background**
- **Did Dividends Ever Disappear in the Rest of the World?**

#### Conclusions

#### References

#### About the Authors

### 4. Factors Influencing Dividends

#### Introduction

#### Firm Characteristics
- **Firm Fundamentals**
- **Other Nonfundamental Firm Characteristics**

#### Market Characteristics
- **Taxes**
- **Investor Protection Laws**
- **Investor Sentiment**
- **Public versus Private Status**
- **Characteristics of Newly Listed Public Companies**
- **Product Market Competition**

#### Substitute Forms of Payout

#### Conclusions

#### References

#### About the Authors

### 5. Cross-Country Determinants of Payout Policy:

#### European Firms

#### Introduction

#### Dividend Policies of European Firms
- **Distinctive Features of European Corporate Governance**
- **Trends in European Dividend Policy**

#### Fraction of Dividend-Paying Firms
- **Payout Ratios by Country**
- **Payout Ratios by Industry**
- **Payout Ratios by Firm Size**
- **Dividend Trends: Comparison of Europe and the United States**

#### European Dividend Policy: Survey of Managers
- **Dividend Policy**
- **Share Repurchase Policy**
- **Comparison of European and U.S. Managers’ Views**

#### Conclusions

#### References

#### About the Authors
# CONTENTS

## PART II  Cash Dividends: Theoretical and Empirical Evidence

### 6. Dividend Irrelevance Theory
- Introduction 97
- Theories before Irrelevance 97
- MM’s Dividend Irrelevance 99
- The Impact of Market Imperfections 104
  - Taxes 104
  - Information Asymmetry 105
  - Agency Costs 107
  - Clientele Effects 108
- Recent Challenges to Irrelevance 109
- Conclusions 110
- References 111
- About the Authors 113

### 7. Residual Dividend Policy
- Introduction 115
- Conceptual Basis 116
- Macro Analysis of Dividend Behavior 119
- Inferences from Accounting Data and Market Reactions 120
- Survey Evidence 122
- Conclusions 124
- References 124
- About the Author 126

### 8. Taxes and Clientele Effects
- Introduction 127
- Dividend Policy in a World without Taxes 128
- Dividend Policy in a World with Taxes 130
- Dividend Clienteles 131
  - Ex-Dividend Day Studies 132
- Tax Rate Changes and Dividend Policy 134
  - The Tax Reform Act of 1986 135
  - The Jobs and Growth Tax Relief Reconciliation Act of 2003 136
  - Canadian Tax Reform 137
- Dividend Taxation and Corporate Governance 137
  - The Role of Dominant Shareholders 138
- Conclusions 139
- References 140
- About the Authors 143

### 9. Agency Costs and the Free Cash Flow Hypothesis
- Introduction 145
Contents

Free Cash Flow Theory 146
Empirical Tests of Free Cash Flow Hypotheses 147
  Price Reaction to Overinvestment Potential 147
  Dividend Changes: Leading or Lagging Indicator of Profitability? 152
  Dividends and Severity of Agency Problems 154
  Varying Role of Dividends across the World 155
Conclusions 157
References 158
About the Author 161

10. Asymmetric Information and Signaling Theory 163

  Introduction 163
  Signaling Models 164
  Empirical Evidence 166
    Early Works 167
    Dividend Reductions 168
    Expropriation Effects 168
    Overinvestment Hypothesis 169
    Dividends versus Earnings 169
    Proxies for Information Asymmetry 171
    Dividends Signaling Future Earnings 171
    Special Dividends 172
    Dividends versus Stock Repurchase 172
    Initiations and Omissions of Dividends 172
    Signaling versus the Clientele Effect 173
    Significance of the Magnitude of Dividend Changes 173
Future Directions of Research 174
Conclusions 174
References 175
About the Author 177

11. Behavioral Explanations of Dividends 179

  Introduction 179
  Theoretical Framework 181
    Neoclassical Structure 181
    Neoclassical Dividend Irrelevance 182
  Empirical Evidence 191
    Dividends and Consumption 192
    Dividends and Withdrawals 192
    Clientele Effects Involving Age, Retirement Status, and Income 194
    Taxes and Transaction Costs 196
    Catering, Perceptions about Risk and Return, and Tolerance for Risk 197
Conclusions 197
References 198
About the Author 199
## 12. The Firm Life Cycle Theory of Dividends

### Introduction
201

### The Life Cycle Theory of the Firm
202

### Dividends in the Firm’s Life Cycle
203

#### A Simple Static Model of Optimal Dividend Policy
203

#### Cost of Capital over the Firm’s Life Cycle
205

### Empirical Evidence
206

#### Life Cycle Factors and the Propensity to Pay Dividends
207

#### Life Cycle Factors and Dividend Changes
208

#### Life Cycle Factors and Dividend Initiations
209

#### Dividend Initiation in the Life Cycle of a Firm: The Case of Microsoft
209

### Conclusions
211

### References
212

### About the Authors
213

## 13. The Catering Theory of Dividends

### Introduction
215

### Baker and Wurgler’s Catering Theory of Dividends
216

#### The Model
217

#### Proxies Capturing the Dividend Premium
219

#### Dividend Payment Variables
220

#### Baker and Wurgler’s Empirical Evidence
220

### Extensions to the Catering Theory of Dividends
222

#### Dividend Levels
222

#### The Frequency of Dividend Payments
223

### The Role of Catering in Explaining Other Dividend Theories
223

#### Asymmetric Information and Signaling
223

#### Agency Models
224

### Evidence from Empirical Studies
225

#### U.S. Evidence
225

#### U.K. Evidence
230

#### European Evidence
231

#### Cross-Country Evidence
232

### Beyond Catering for Investors’ Sentiments
232

#### Split-Capital Closed-End Funds
232

#### Share Repurchases
233

#### Catering Theory of Earnings Management
233

### Why Do Investors’ Preferences for Dividends Change over Time?
233

### Conclusions
234

### References
235

### About the Authors
238

## PART III Share Repurchases

### Introduction
241
Contents

Share Repurchase Methods 242
Potential Motives for Share Repurchases 245
  Regulation and Taxes 245
  Agency Costs of Free Cash Flows 247
Signaling and Undervaluation 250
Conclusions 256
References 257
About the Authors 259

  Introduction 261
  Motives for Share Repurchase 261
    Capital Structure 261
    Takeover Deterrence 262
  Empirical Results 264
    Stock-Option Grants and Earnings Management 266
  Cash Dividends versus Stock Repurchases 268
  Conclusions 270
  References 271
  About the Authors 273

16. Stock Repurchases and Dividends: Trade-Offs and Trends 275
  Introduction 275
  Repurchases and Dividends: The Historical Record 276
  Measuring Repurchases 277
  Methods for Repurchasing Shares 278
    Open-Market Repurchases 278
    Fixed-Price Tender Offers 279
    Dutch Auctions 279
  Repurchases versus Dividends: Trade-Offs and Trends 279
    Taxes 280
    Managerial Flexibility 281
    Management of Earnings per Share 281
    Management of Employee Stock Options 282
    Defense against Hostile Takeovers 282
  Theoretical Models of the Repurchase Decision 283
  Repurchases and Valuation 285
  Conclusions 288
  References 289
  About the Author 290

17. Beating the Market with Share Buybacks 291
  Introduction 291
  Anomalous Price Behavior around Repurchase Tender Offers 293
  Market Underreaction after Open-Market Buyback Announcements 295
  Private Repurchases and Long-Term Returns 301
# CONTENTS

Beating the Market with Buybacks: From Theory to Practice 302  
Conclusions 303  
References 305  
About the Author 306  

## PART IV Other Distribution Methods 307  

### 18. Special Dividends 309  

Introduction 309  
Historical Payment Patterns of Special Dividends 310  
The Information Content of Special Dividends 314  
  * An Agency Cost Explanation 315  
  * A Signaling Explanation 316  
  * Wealth Transfer Considerations 318  
Special Dividends and Share Repurchases 318  
  * Information Content of Special Dividends and Share Repurchases 319  
  * Tax Consequences 320  
  * Special Dividends in Financial Restructuring 320  
Conclusions 322  
References 322  
About the Authors 323  

### 19. Stock Splits, Stock Dividends, and Reverse Stock Splits 325  

Introduction 325  
Stock Splits 326  
  * Empirical Evidence 326  
  * Explanatory Hypotheses 329  
  * The Signaling Hypothesis 329  
  * The Optimal-Trading-Range or Liquidity Hypothesis 330  
  * The Optimal-Tick-Size Hypothesis 330  
  * The Self-Selection Hypothesis 331  
  * The Neglected-Firm Hypothesis 331  
  * The Tax-Option-Value Hypothesis 331  
  * Inconvenience Hypothesis 331  
Stock Dividends 332  
  * Empirical Evidence 332  
  * The Announcement Date 332  
  * The Ex-Date 333  
  * Explanatory Hypotheses 333  
Reverse Stock Splits 335  
  * Empirical Evidence 335  
  * Explanatory Hypotheses 336  
Implications for Investors 338  
Implications for Managers 338  
Conclusions 339  
References 339  
About the Author 341
20. Dividend Reinvestment Plans 343
   Introduction 343
   Characteristics of DRIPs and Direct Stock Purchase Plans 344
      Company-Operated and Brokerage-Operated DRIPs 344
      Steps in DRIP Investing 345
      Evolution of Direct Stock Purchase Plans 345
   Strengths and Weaknesses of DRIPs: The Investor’s Perspective 346
      Strengths of DRIPs from the Investor’s Perspective 346
      Weaknesses of DRIPs from the Investor’s Perspective 346
   Motivations of Companies for Offering DRIPs 347
      Reduce Capital Costs 347
      Lessen the Negative Effects of Issuing Shares 347
      Broaden and Strengthen the Shareholder Base 348
      Improve Stakeholder Relations 348
   Theories and Empirical Evidence on DRIPs 348
      Market Reaction to DRIP Announcements 349
      Factors Determining the Choice between Open-Market and
      New-Issue DRIPs 351
      Factors Affecting the Participation Rates of DRIPs 352
      Factors Influencing the Adoption of DRIPs 354
   Implications of DRIPs 357
      DRIPs and Changes in Tax Laws 357
   Future Research in DRIPs 359
   Conclusions 359
   References 359
   About the Author 361

PART V Survey Evidence on Dividends and Dividend Policy 363

21. Cash Dividends and Stock Repurchases 365
   Introduction 365
   Survey Research on Dividend Policy 366
      Lintner’s Seminal Study 366
      Baker, Farrelly, and Edelman’s Follow-up Survey 367
      Baker and Powell’s Survey of NYSE-Listed Firms 369
      Baker and Powell’s Longitudinal Study 370
      Baker, Veit, and Powell’s Survey of NASDAQ Firms 371
      Other U.S. Surveys of Dividends and Dividend Policy 371
      Non-U.S. Surveys of Dividends and Dividend Policy 372
   Survey Research on Share Repurchases 374
      Baker, Gallagher, and Morgan’s Study 374
      Motives for Repurchases 374
      Wansley, Lane, and Sarkar’s Study 375
      Tsetsekos, Kaufman, and Gitman’s Study 376
CONTENTS

Baker, Powell, and Veit’s Study 376
Baker, Veit, and Powell’s Study 377
Comprehensive Payout Survey Research 378
Conclusions 380
References 381
About the Author 382

22. **Stock Splits, Stock Dividends, and Dividend Reinvestment Plans** 385
Introduction 385
Overview of Dividend Policy and Firm Value 385
Stock Splits 387
   Nature of Stock Splits 387
   Explanations for Issuing Stock Splits 387
   Survey Studies on Stock Splits 389
Stock Dividends 391
   Nature of Stock Dividends 391
   Explanations for Issuing Stock Dividends 391
   Survey Studies on Stock Dividends 393
Dividend Reinvestment Plans 396
   The Nature of DRIPs 396
   Reasons Firms Offer DRIPs 396
   Survey Studies on DRIPs 397
