About the Authors xi  
Preface xiii  
Acknowledgements xv  

**Introduction**  

1. **Borderline Personality Disorder**  
   What is Borderline Personality Disorder? 3  
   Prevalence and Comorbidity 4  
   Development of BPD 5  

2. **Schema Therapy for Borderline Personality Disorder**  
   The Development of Schema Therapy for Borderline Personality Disorder 7  
   Research Results 8  
   (Contra-) Indications 9  
   Rationale of Treatment/Theories Supporting Treatment 10  
   Schema Modes 11  
      *The detached protector* 14  
      *The abandoned/abused child* 16  
      *The angry/impulsive child* 17  
      *The punitive parent* 18  
      *The healthy adult* 19  
   Summary 20  

3. **Treatment**  
   Structure of Treatment 22  
   Phases in Treatment 24
### Table of Contents

Starting Phase and Case Conceptualization 24
- Developing a relationship and gathering information 25
- Measurements 26
- Explaining the treatment rationale 27

Treating Axis-I Symptoms 27
Crisis Management 28
Therapeutic Interventions with Schema Modes 28
Treating Childhood Traumas 28
Changing Behavioural Patterns 29
Ending Therapy 29

#### 4. The Therapeutic Relationship 31

Limited Reparenting 31
- Good care 33
- Giving direction 33
- Empathic confrontation 35
- Role playing and role reversal 36
- Setting limits 37

Therapists’ Schemas and Self-Disclosure 41
Cognitive Techniques and the Therapeutic Relationship 44
Behavioural Techniques and the Therapeutic Relationship 46
Summary 47

#### 5. Experiential Techniques 49

Imagery 49
- Applications and aims of imagery 49
- Imagery of a safe place 51

Imagery Rescripting 54
- Basic model for imagery rescripting during the first part of the therapy 55
- Phase 1: Imagining the original situation 55
- Phase 2: Rescripting by the therapist 57

Imagery Rescripting in the Second Part of Treatment 61
- Phase 2: Rescripting by the patient as a healthy adult 62
- Variations with a patient only partially capable of being in the healthy adult mode 63
- Phase 3: Rescripting experienced by the child 63

Imagery Rescripting: Changing Behaviour Patterns 65
Problems with Using Imagery Rescripting 67
# Table of Contents

Role Play

*Historical role play* 71

*Phase 1: The original situation* 72

*Phase 2: Role switching* 73

*Phase 3: Rescripting* 75

*Common problems with historical role play* 77

*Role play of a current situation* 78

Two-or-more-chair Technique 79

*Two-chair technique for the punitive parent* 79

*Problems with using the two-chair technique with the punitive parent* 83

*The two-chair technique with the detached protector* 84

*Problems with using the two-chair technique with the detached protector* 85

*Multiple-chair technique* 86

*Two-or-more-chair technique with changing schemas and coping strategies* 87

Experiencing and Expressing Emotions 87

*Anger* 88

*Experiencing and expressing other emotions* 90

*Letter writing* 91

6. **Cognitive Techniques** 93

*The Socratic Dialogue* 97

*Evaluation on a Visual Analogue Scale* 97

*Multidimensional Evaluation* 100

*Two-Dimensional Reproductions of Supposed Connections* 102

*Pie Chart* 103

*Courthouse Method* 104

*Historical Testing* 105

*Flashcards* 105

*Positive Logbook* 106

7. **Behavioural Techniques** 109

*Experiments* 110

*Skills Training and Role Play* 110

*Problem Solving* 111

*Discussing Dangerous Behaviours* 111

*Discussing New Behaviours* 112

# Table of Contents

8. **Specific Methods and Techniques** 115
   - Homework 115
   - Pharmacological Therapy 117
   - Crisis 118
   - Suicide and Self-Injury
     - *Self-injury and other self-destructive behaviours* 120
     - Suicide 121
   - Suicide and Self-Injury 120
   - Trauma Processing 122
   - *Problems with processing traumas* 123

9. **Methods per Mode** 125
   - Treatment Methods for the Detached Protector 126
     - *Therapeutic relationship* 126
     - Feeling 126
     - Thinking 127
     - Doing 127
     - Pharmacotherapy 128
     - Obstacles 129
   - Treatment Methods for the Abandoned and Abused Child 130
     - *Therapeutic relationship* 130
     - Feeling 130
     - Thinking 131
     - Doing 131
     - Obstacles 132
   - Treatment Methods for the Angry/Impulsive Child 133
     - *Therapeutic relationship* 133
     - Feeling 134
     - Thinking 134
     - Doing 134
     - Pharmacotherapy 135
     - Obstacles 135
   - Treatment Methods for the Punitive Parent 136
     - *Therapeutic relationship* 136
     - Feeling 136
     - Thinking 137
     - Doing 138
     - Obstacles 138
   - Treatment Methods for the Healthy Adult 139
     - *Therapeutic relationship* 139
