  Health Care Diversity Challenges 19
  Health Care Disparities in the United States 20
  Changing the US Health Care System 21
  Systems Approach in the Health Care Delivery Organization 26
  The Importance of Leadership 27
  Summary 28
  Review Questions and Activities 29

Chapter 2 Systematic Attention to Health Care Disparities 35
  What Are Health Care Disparities? 36
  Race and Ethnic Disparities in Health Status 37
  Disparities Across Other Diversity Dimensions:
    Gender, Sexual Orientation, the Elderly 49
  Stakeholder Attention to Health Care Disparities 56
  Systematic Strategies for Reducing Health Care Disparities 60
  Summary 65
  Review Questions and Activities 66
### Chapter 3 Workforce Demographics 75
- Trends in the US Labor Force 76
- Diversity and the Health Professions 81
- Drivers of Disparities in the Health Professions 83
- Checklist of Recommended Organizational-Level Actions 90
- Workforce Diversity Challenges 96
- Summary 100
- Review Questions and Activities 101

### PART TWO THE DEVELOPMENT OF CULTURAL COMPETENCE 105

#### Chapter 4 Foundations for Cultural Competence in Health Care 107
- What Is Cultural Competence in Health Care? 109
- Long Journey Toward Cultural Competence 119
- Cultural Competence and the Health Care Provider Organization 126
- Cultural Competence and the Multicultural Health Care Workforce 133
- Summary 138
- Review Questions and Activities 139

#### Chapter 5 Hallmarks of Cultural Competence in Health Care Professionals 143
- Personal Journey of Cultural Competence 145
- Framework for Role Development 153
- Journey of Self-Discovery 156
- Summary 167
- Review Questions and Activities 168

#### Chapter 6 Training for Knowledge and Skills in Culturally Competent Care for Diverse Populations 171
- Eight Principles for Knowledge and Skills Training 173
- Cultural Competence Knowledge and Skills for Administrators and Directors 177
- Cultural Competence Training for Health Care Professionals in Direct Patient Care 183
Cultural Competence Training for Support Staff 207
The Role of Assessment in Cultural Competence Training 208
Summary 211
Review Questions and Activities 212

PART THREE CULTURAL COMPETENCE AND HEALTH CARE DELIVERY 219

Chapter 7 Cultural Competence in Health Care Encounters 221
Models from Transcultural Nursing 225
Giger-Davidhizar Transcultural Assessment Model (GDTAM) 238
Being Culturally Responsive 251
Summary 253
Review Questions and Activities 254

Chapter 8 Language Access Services and Crosscultural Communication 259
Language Use in the United States 261
Language Differences in Health Care Encounters 262
Attitudes Toward Limited-English Speakers 266
Changing Responses to Language Barriers in Health Care 268
An Expanding Profession: The Health Care Interpreter 278
Translation in Written Health Care Communication 284
Communication Is More Than Words 286
Summary 290
Review Questions and Activities 291

Chapter 9 Group Identity Development and Health Care Delivery 299
Research Highlights 301
Minority Status Group Identity Development 305
Majority Status Group Identity Development 313
Using the Models 325
Summary 328
Review Questions and Activities 329
# PART FOUR  CULTURAL COMPETENCE AND THE HEALTH CARE ORGANIZATION

## Chapter 10  The Centrality of Organizational Behavior

- The Science of Organizational Behavior 338
- Organizations as Contexts for Behavior 339
- OB Research Highlights 341
- Can Culturally Competent Health Care Professionals “Go It Alone”? 350
- Summary 356
- Review Questions and Activities 357

## Chapter 11  The Business Case and Best Demonstrated Practices

- Evolution of the Business Case 363
- The Business Case for Cultural Competence in Health Care 364
- Workforce, HRM, and the Business Case 373
- Best Demonstrated Practices 376
- Assessment and the Systems Approach 386
- Benchmarking 389
- Role of Metrics in the Systems Approach 390
- Summary 397
- Review Questions and Activities 399

## Chapter 12  The Future of Diversity and Cultural Competence in Health Care

- Trends That Support Widespread Adoption of the Systems Approach 406
- The Sustainability Movement and the Systems Approach 419
- Change Management and Force Field Analysis: Tools to Envision and Shape the Future 420
- Summary 425
- Review Questions and Activities 426
