Foreword: Acceptance, Mindfulness and Psychotic Disorders:
Creating a New Place to Begin xx

1 Introduction to Mindfulness and Acceptance-based Therapies for Psychosis 1
Joseph E. Oliver, Candice Joseph, Majella Byrne, Louise C. Johns and Eric M. J. Morris

1.1 Introduction to Psychosis 1
1.2 Interventions 2
1.2.1 Cognitive Behavioural Therapy 2
1.2.2 Developments in CBT: Contextual Approaches 3
1.2.3 Acceptance and Commitment Therapy 4
1.2.3.1 Open 5
1.2.3.2 Aware 6
1.2.3.3 Active 6
1.2.4 Mindfulness and Person-based Cognitive Therapy for Psychosis 7
1.3 Conclusion 8

2 Theory on Voices 12
Fran Shawyer, Neil Thomas, Eric M. J. Morris and John Farhall

2.1 Phenomenology 12
2.2 Mechanisms and Origins of Hearing Voices 13
2.3 Meaning Given to Voice Experience 14
2.4 Responses to Voices 15
2.4.1 Resistance 16
2.4.2 Engagement 17
2.5 Implications for the Role of Acceptance and Mindfulness in Voices 18
3 Emotional Processing and Metacognitive Awareness for Persecutory Delusions 33
Claire Hepworth, Helen Startup and Daniel Freeman
3.1 Introduction 33
3.2 Persecutory Delusions 33
3.3 Improving Treatments for Persecutory Delusions 34
3.4 Development of the Intervention 35
3.5 The EPMA Intervention 38
3.6 The EPMA Pilot Study 40
3.7 Case Study 41
3.8 Conclusion 42

4 Clinical Assessment and Assessment Measures 47
John Farhall, Fran Shawyer, Neil Thomas and Eric M. J. Morris
4.1 Introduction 47
4.2 Clinical Assessment 47
4.2.1 Overview 47
4.2.1.1 Aims and Scope 47
4.2.1.2 General Principles 48
4.2.2 Structure and Methods of Assessment 49
4.2.2.1 Assessment Interwoven with Interventions 49
4.2.2.2 Use of Assessment Instruments 49
4.2.2.3 Role of Self-monitoring in Assessment 49
4.2.2.4 Goal Setting 50
4.2.3 A Guide to Clinical Assessment 51
4.2.3.1 The Problems Experienced by the Client 51
4.2.3.2 Understanding the Client 52
4.2.4 Assessing and Addressing Potential Barriers to and Risks Arising from Therapy 52
4.3 Assessment Measures 54
4.3.1 Issues in the Use of Self-report Measures 55
4.3.2 Mindfulness Measures 55
4.3.3 Measures of ACT Processes and Constructs 57
4.3.3.1 Acceptance and Action Questionnaire 57
4.3.3.2 The Voices Acceptance & Action Scale 58
4.3.3.3 Believability of Symptoms 58
4.3.3.4 Additional Measures 59
4.4 Conclusion 60

5 Acceptance and Commitment Therapy Case Formulation 64
Patty Bach
5.1 Introduction 64
5.2 Case Study 64
5.2.1 Avoidance 66
5.2.2 Cognitive Fusion 67

## Contents

7.3.3 Defusion 100
7.3.4 Mindfulness: Present Moment and Self as Observer 101
7.3.5 Willingness: Values and Committed Action 103

7.4 Case Study 104
7.4.1 Current Mental-health Problems 104
7.4.2 Mental-health History 105
7.4.3 Relevant Background 105
7.4.4 Assessment and Formulation 105
7.4.5 ACT Case Formulation 106
7.4.6 The ACT Approach 106
7.4.6.1 Initial Phase (Sessions 1–3) 107
7.4.6.2 Mid-therapy (Sessions 4 − 7) 107
7.4.6.3 End Sessions (Sessions 8 − 10) 108
7.4.7 Outcomes 108
7.4.7.1 Psychotic Symptoms 108
7.4.7.2 Depression and Anxiety 109
7.4.7.3 Valued Action, Quality of Life and Social Functioning 109
7.4.7.4 Changes in Mindfulness towards Voices and Thoughts 109
7.4.8 Discussion 110

8 Acceptance and Commitment Therapy for Delusions 112
José Manuel García Montes, Marino Pérez Álvarez and Salvador Perona Garcelán
8.1 Introduction 112
8.2 Delusions as Ways of Making Contact with Experience 112
8.2.1 Delusions as Active Forms of Experiential Avoidance 113
8.3 Intervention with ACT 115
8.3.1 Create a State of Creative Hopelessness 115
8.3.2 Clarify and Strengthen the Patient’s Values 117
8.3.3 Suggest the Possibility that the Problem is Control 120
8.3.4 Create a Distance from Language 122
8.3.5 Help Create a Transcendental Sense of Self 123
8.3.6 Developing Willingness 124
8.4 Conclusion 125

9 Acceptance and Commitment Therapy for Emotional Dysfunction following Psychosis 129

Contents

10.4.2 Relationship with Internal Experience 156
  10.4.2.1 Rationale and Preparation for Mindfulness Practice 156
  10.4.2.2 Overview of Mindfulness Meditation 156
  10.4.2.3 Specific Adaptations of Mindfulness Practice 157
10.4.3 Working with Schemata 157
  10.4.3.1 Two-chair Method 157
10.4.4 Symbolic Self 158
10.5 Conclusion 159

11 Spirituality: A New Way into Understanding Psychosis 160
  Isabel Clarke
  11.1 Introduction 160
  11.2 Repositioning Psychosis and Spirituality: Recognition of the Two Ways of Knowing 161
  11.3 Research Basis 162
  11.4 Spirituality and Mental Health 162
  11.5 Clinical Approach: The Therapeutic Alliance 164
    11.5.1 The What is Real and What is Not Approach 164
    11.5.2 Schizotypy and ‘Unshared Reality’ 165
    11.5.3 From Conceptualisation to Coping Strategies 166
    11.5.4 Role of Mindfulness 167
  11.6 Psychosis as a Spiritual Crisis 168

12 The Service User Experience of Acceptance and Commitment Therapy and Person-based Cognitive Therapy 172
  Joseph E. Oliver, Mark Hayward, Helena B. McGuinness and Clara Strauss
  12.1 Introduction 172
  12.2 An Overview of Service User Involvement 172
  12.3 The Importance of a Service User Perspective in Informing ACT and PBCT for Psychosis 174
  12.4 A Service User Perspective on the Experience of ACT for Psychosis 175
    12.4.1 Background 176
    12.4.2 The Therapy 178
    12.4.3 How the Therapy Helped 178
    12.4.4 Conclusion 179
      12.4.4.1 How I Felt before ACT Therapy 179
      12.4.4.2 How I Feel after ACT Therapy 180
  12.5 Summary of Qualitative Findings from PBCT Groups on Participant Experiences of Mindfulness Practice and What was Learned from these Studies 180
    12.5.1 Acceptance of Voices 181
12.5.2 Development of Sense of Self beyond Voices 182
   12.5.2.1 Relating to Voices 184
   12.5.2.2 Relating to Self 185
   12.5.2.3 Relating to Others 186
12.5.3 The Value and Challenges of Seeking Service User Views 188
12.6 Conclusion 188

13 Acceptance and Commitment Therapy for First-episode Psychosis 190
Joseph E. Oliver and Eric M. J. Morris
13.1 Introduction 190
13.2 Recovery from a First Episode of Psychosis 191
   13.2.1 At-risk Mental States 192
13.3 Using ACT to Enhance Recovery from a First Episode of Psychosis 192
   13.3.1 Assessment and Formulation 192
   13.3.2 Being Aware and Present 194
   13.3.3 Opening Up 195
   13.3.4 Being Active 197
13.4 ACT in Different Modalities 198
   13.4.1 Group Work 198
   13.4.2 Working with Families and Carers 199
13.5 Case Study 200
13.6 Conclusion 203

14 Acceptance and Commitment Therapy for Psychosis in Acute Psychiatric Admission Settings 206
Gordon Mitchell and Amy McArthur
14.1 Introduction 206
14.2 Acute Psychosis and ACT Interventions 206
14.3 ACT in the Acute Psychiatric Admission Ward 209
14.4 Case Study 209
14.5 Convergence of Mindfulness/Metacognitive-based Cognitive Therapy Approaches 214
14.6 Reflections on Developing Systemic Applications of ACT 215
14.7 Conclusion 216

15 Developing Acceptance and Commitment Therapy for Psychosis as a Group-based Intervention 219
Amy McArthur, Gordon Mitchell and Louise C. Johns
15.1 Introduction 219
15.2 A Six-session ACT-for-Psychosis Group Protocol 221
15.2.1 Session 1: Introducing the ACT Approach and Exploring the Workability of Current Strategies for Managing Distress  
15.2.1.1 The Matrix  
15.2.1.2 Between-session Task  
15.2.2 Session 2: Exploring the Impact of the Struggle for Control and Introducing Willingness as an Alternative  
15.2.2.1 Between-session Task  
15.2.3 Session 3: Identifying Personal Valued Directions  
15.2.3.1 The Ripple Exercise  
15.2.3.2 Between-session Task  
15.2.4 Session 4: Moving in Valued Directions  
15.2.4.1 The Passengers-on-the-Bus Exercise  
15.2.4.2 Between-session Task  
15.2.5 Session 5: Continuing to Develop Self-as-Context and Willingness to Move towards Values  
15.2.5.1 Between-session Task  
15.2.6 Session 6: Summarising the Themes of the Course and Reviewing Experiences of the Work  
15.2.7 Optional Follow-up Session  
15.3 Case Study  
15.4 Reflections on the Experience of Developing and Delivering the Groups  
15.5 Other Protocols  
15.5.1 ACT for Life Group  
15.6 Conclusion  

16 Group Person-based Cognitive Therapy for Distressing Psychosis  
Clara Strauss and Mark Hayward  
16.1 Introduction  
16.2 Person-based Cognitive Therapy  
16.2.1 Group PBCT  
16.3 The Importance of the Group Process in PBCT  
16.4 Facilitating a PBCT Group  
16.4.1 Inclusion Criteria  
16.4.2 The 12-week Programme  
16.4.3 Mindfulness Practice in PBCT  
16.4.4 Cognitive Therapy in PBCT  
16.4.4.1 Session 2  
16.4.4.2 Session 3  
16.4.4.3 Session 4  
16.4.4.4 Session 5
Contents

16.4.4.5  Session 6  249
16.4.4.6  Session 7  249
16.4.4.7  Session 8  250
