   Sylvia Moody

4. Dyslexia on the Front Line 57
   Pauline Sumner
   A dyslexic person wishes to train as, say, a nurse, police officer or firefighter and the question arises as to whether his/her inefficiencies might put lives at risk.
A change in job or manager can bring unexpected difficulties for a dyslexic employee and relations between manager and employee can become acrimonious. How can such situations be resolved?
Contents

11. Dyslexia on Trial 175
Melanie Jameson
At an employment tribunal a dyslexic person may be so hampered by their communication difficulties that they give the impression of being unco-operative and obstructing justice. How can the legal profession be made aware of dyslexic problems?
