## Contents

Preface ix
Acknowledgments x

**SECTION I** Introduction to the Quick Selection Process 1
How to Use This Guide 1

**SECTION II** Selection and Use of Chemical Protective Clothing 5
Chemical Resistance of Protective Clothing—What Does It Mean and How to Evaluate It 5
Standards and Requirements Related to CPCs 10
The Selection Process 15
Correct Use, Care, Maintenance, and Disposability of CPCs 25
Create Your Own Checklist 28

**SECTION III** Chemical Index 31
Chemical Class Numbers 31
Chemical Names 32
Synonyms 32
Chemical Abstract Service Number—CAS # 32
Risk Codes 33
Chemical Warfare Agents 35

**SECTION IV** Selection Recommendations 111
Color Codes Used in the Tables 111
Introduction to the Trade Name Table 113
Important Notes 117
Barriers Related to the Master Chemical Resistance Table 129
Important Notes Related to the Master Chemical Resistance Table 131

**SECTION V** Glossary 231

**SECTION VI** Standards for Chemical Protective Clothing 249
ASTM Standards 249
NFPA Standards 252
EN Standards 253
ISO Standards 255

**SECTION VII** Manufacturers of Chemical Protective Clothing 257
