5 a Day campaign, 8, 73–4, 214f, 283, 374

accident and emergency department, 369

accident prevention, 101–110

activities for children/young people, 109–110

garden safety campaigns, 106–107

home safety campaigns, 102–103

priority areas, 6–7

road safety, 104–106

role of nurses in, 101–102

session for parents/cares, 107–109

sources of information, 102–103

accidents, 101, 103–104

Action on Smoking and Health, 346–347

acute pain, 250

acutely ill child, 115

addiction, 253

adjuvants, 233

adolescence, 49

adolescents, 55–56

alcohol use in, 339–340

drug use in, 339–340

aims, 14–15

alcohol use, 339–340

in adolescents, 339–340

in childhood cancer survivors, 206–207

North Ireland, 383–384

allergy, 196

ambulatory care, 164–165

amitriptyline, 253

Anti-bullying alliance, 297

anti-inflammatory medication, 186

antipyretics, 124, 253

anxiety, in childhood cancer survivors, 207

Area Child Protection Committees, 39

aspirin, 253

asthma, 181–190

action plans, 188

attacks, 188–189

breathing test, 183

causes of, 182

definition of, 181

diagnosis of, 183

health promotion, 189

medical history, 183

physical examination, 183

prevalence of, 181–182

resources, 189–190

symptom monitoring, 183

symptoms of, 182–183

worsening, 188

triggers of, 183–185

smoking, 185

exercise, 184–185

house dust mite, 184

pets, 184

respiratory infections, 184

worsening, 188

asylum-seeking children, unaccompanied, 310–311

attention, 50
auditory learning, 26–27
autonomy, 48–49

babies, health promotion activities for, 29
baby club, 281–286
  aims of, 281
  description of, 283–284
  mum’s experience of, 284–285
  planning, 281–282
  Solihull approach, 282
  stimulating babies in, 282–283
baby massage, 259–264
  benefits of, 261
  bonding in, 260
  cautions, 263–264
  positive touch in, 259–260
baby play, 272–280
  aim of, 273–274
  case study, 278–279
  equipment, 274–276
    balls, 274
    books, 275
    bubble blowing, 276
    hats, 276
    home-made rattles, 275
    margarine tubs, 275
    pans and spoons, 275–276
    pull along toy, 276
    safety mirror, 276–275
    stacking cups, 275
    treasure basket, 276
  evaluation of, 279–280
  history of, 273
  leaflets, 279
