A
advantage-disadvantage structure, 129
adventure, call to, 36
advertising, appeals to emotion in, 14
Alfred Hitchcock’s Mystery Magazine, 226
ambiguity, navigating, 92
American Journal of Sociology, 104
analogies, 110
analytical appeal, 102
analytical audiences, balancing emotions and, 180–181
analytical content
   emotional content balanced with, 100
   emotional content vs., 137
topics for, 136
analytical devices, in Feynman’s lectures, 130
applause, analyzing patterns of, 104
Apple, 163
   iPod launch, 163
   Steve Jobs MacWorld 2007 iPhone launch, 162–166
Aristotle, 14, 30, 100, 172
Armstrong, Neil, 152, 153
Arthur Andersen, 199, 200
audience
   addressing resistance in, 86–87
   analyzing who they are, 65
   balancing emotion with needs of, 180–181
   common ground created with, 68
   connecting with, 56
   deferring to needs of, 19
   frequency of, tuning into, 70, 73
   as hero, 20
   holding attention of, 138
   journey of, 35
   liking members of, 64
   positive first impression for, 172–173
   sample calls to action for, 42
   segmenting, 58–59
   in state of rest unless compelled to change, 95
   structure and, 144
   superheroes in, 56, 57
   threshold crossed by, 34, 35
   transforming, persuasion and, 44
   tuning your message to, 4
   what mentors give to, 67
audience interest, proportionate to presenter’s preparation, 191
audience segmentation, Reagan’s Space Shuttle Challenger address and, 60
audience’s journey
   planning, 80–83
   preparing for, 76–77
Avatar, 29

B
beer executives, presentation to, 58–59
beginning, of presentation, 36, 38–39
benefits, rewards and, 89
Bernstein, Leonard
   case study: Young People’s Concerts, 187–189
   as great communicator, 2
bias noise, 171
big ideas
   building content in support of, 122
   components of, 78–79
   resonant frequency only and, 123
   supporting, ideas filtered down to, 118–119
blending, 10, 11
Boettinger, Henry M., 103, 126
boring presentations, 8
Boston Philharmonic Orchestra, 48
brevity, valuing, 176
Brown, Tim, 118
business transformation, 6, 7
butterfly, metamorphosis of, 84

C
call to action, 37
   in Gettysburg Address, 177
   presentations and, 42
call to adventure, 36
   beginning of presentation and, 38–39
   for product launch, 39
Cameron, James, 233
camouflage, purpose of, 10, 11
audiences compelled to, 95
crossing the threshold to, 34
genuine connections and, xix
as healthy, 6
presentations and, 8
resistance to, 86
resonance as cause of, 4, 23
showing benefit of: General Electric case study, 90–93
Change by Design (Brown), 118
changing the world
hard work related to, 194
presentations and, 196
character arc, quality of, 80
chronological structure, 129
Churchill, Winston, 153
cinema, stories in, 26
Cisco Systems case study, 112–115
civil rights activism, 203, 204–209
climactic structure, 129
clustering, ideas by topic, 120–121, 142
Coehran, Johnny, 153
communicative efforts, presentations and, 226
common goals, connection and, 69
common ground, creating, with audience, 68
communal emotional response, 136
communication, 6
components of, 170
contour of, 36–37
contrast at heart of, 40
Olson’s four organs of, 102
role of noise in, 171
communications
audience connected to your idea and, 22
blending and, 10, 11
great, 2–3
compare-contrast structure, 129
competitive edge, gaining, 202–203
complication, in story pattern, 29
Comstock, Beth
General Electric presentation by, 90–93
as great communicator, 2
confidence, mentors and, 67
comfort zone, refusal of the call and, 87
connections, 69
emotional, 14
forming, 12
personal values and, 68
through stories, 16
Conservation International, 154
content
clustering, 126
contrast in, 40
destination and, 76
editing, 118–119
contour, contrast and creation of, 104–105
contrast
in Beth Comstock’s GE case study, 90–93
contour created by, 104–105
in delivery methods, 138–139
emotional, creating, 136–137
in Feynman’s lectures, 130, 132
middle of presentation and, 40
in music, 222
presentations with a pulse and, 8
in sonata sparkline, 224–225
verifying, 46–47, 136–137, 143
in Zander’s TED talk, 48
controlling idea, 78
convergent thinking, 118
Conway's Law, 182
courage, 6
Covert, Markus, case study: Pioneer Award winner, 184-185
creative results, risk taking and, 12
creativity, fostering, 92
credibility, commonalities and, 68
credibility noise, 171
crossing the threshold, in presentations, 37
cummings, e.e., 228-232, 232
customer interest, template for story about, 111
dance, Martha Graham and language of, 210-213
data, turning into meaning, 116-117
Defoe, Daniel, 71
delivery methods, contrast in, 40, 138-139
de Maupassant, Henri René Albert Guy, 15
de Mille, Agnes, 213
demographics, segmenting audience by, 58-59
demotivating structure, 135
density, in music, 222
desire, at heart of story, 26
destinations
  definitive, 94
  for presentations, 76, 77
destiny, rewards and, 88
Dickens, Charles, 152
divergent thinking, 98, 118, 119
documentation, structure, activities, result, and delivery of, 26
doers, in audience, 43
Douzinas, Nancy Rauch, 160
Drake, Francis, 63
Duarte, Mark, vision presentation by, 117
Duncan, David, 199, 200
dynamic contrast, in music, 222
emotionally driven audiences, balancing emotions and, 180-181
emotive storytelling, 156-159
empathy, creating for audience, 56
end of presentation, 36, 37, 44
Enron scandal, 198
  earnings-call presentations and, 199
  presentations during implosion, 200-201
environment, standing out from, 10
E.T., 29
ethical appeal, 100, 101
Euripides, 38
Everett, Edward, 176
evocative visuals
  by Steve Jobs, 163
  voting: democracy vs. tyranny, 154-155
experience, recollection of, 106
experiential noise, 171
exposition
  in Mozart’s Eine kleine Nachtmusik, 224
  in sonata form, 222
facts, failing to resonate with, 14
familiar content, oppositional content and, 40
Fastow, Andrew, 199
fear
  change and, 84
  refusal of the call and, 87
Few, Stephen, 117
innovators, in audience, 43
integrative thinking, idea generation and, 103
iPhone launch, 162–166
iPod launch, 163
Iraqi voters, 154, 155
