‘active land policy’ [Netherlands], 248
affordable housing
  Australia, 236–9
  change in tenure, 159, 209
  commuted payments in lieu of, 79, 147, 149, 157, 158, 223
cross-subsidisation by market housing, 41, 78
definition, 78, 82
  in NPPF, 83, 215
developer contributions
  Australia, 237–9
  England, 74–83, 102, 148–51, 155–60
  USA, 256–8
effect of Barker PGS proposals, 92
Germany, 244
grants/government subsidy, 75–6, 149–50, 169, 170
lawfullness of policy, 104
long-term security of affordability, 80
as ‘material consideration’ [in planning decision], 77, 80, 104, 272
in mixed communities, 79–80, 81–2, 95, 171
  [unexpected] on-ground results, 205–6, 284
Netherlands, 247, 249
number of homes delivered, 155, 156, 157, 163, 211
provision of
  by housing associations, 75, 80, 155, 157–8, 171
  by private developers, 33, 64, 104, 155–7, 169
in rural areas, 77, 162, 163–4
S106 agreements, 34, 77, 78, 95, 156, 157, 158, 211–15, 219
effect on geography of new schemes, 168, 169
modification of, 100, 218
numbers, 157, 158, 211
  and public subsidy, 168, 169, 170, 182
tenures [regional data], 211–12, 213
sources of land, 75, 86, 155, 157–8
targets, 74, 75, 78–9, 158
  Australia, 238
  USA, 256, 257
tenures, 159, 211–12, 213
threshold site size, 78, 80, 81, 82, 83, 96
USA, 256–8
and viability considerations, 100, 119
affordable housing obligations, 74–83, 102, 147, 148–51, 155–60, 271–2
contributions per dwelling, 161
criticisms, 104, 274
delivery, factors affecting, 210–11
effect of CIL, 96
estimation of value [in surveys], 148–51
growth of use, 155–7
in-kind/direct-payment ratio, 154
number [2003–2012] per LPA, 154
and private rented housing, 223
renegotiation of, 100, 217, 218, 220, 272, 284
use of standard charging, 154
value [in England], 160, 161, 204, 208
affordable rent housing, 76, 215
agricultural land, transfer to residential use, 3
agricultural land values, factors affecting, 2
Alonso model of land allocation, 24
Audit Commission, studies and guidance on obligations outcomes, 179–90
austerity measures, effects, 196, 261, 286
Australia, 231–9
affordable housing, 236–9
federal system of government, 231, 232
housing tenure, 231
infrastructure contributions, 233–6, 260

Planning Gain: Providing Infrastructure and Affordable Housing, First Edition.
Edited by Tony Crook, John Henneberry and Christine Whitehead.

Australia (continued)
  planning policy, 233, 259–60
  planning system, 232–3

betterment
  classes, 41
  meaning of term, 3, 15, 31, 39, 40–1
  recoupment of, 41
  ways of capturing, 41–2
Betterment Levy, 15, 38, 51, 52
  amount collected, 47, 52

brownfield sites
  cost of developing, 119, 165, 282
  development of, 2, 74, 81, 159, 243

California [USA], affordable housing, 257
Canary Wharf, 33
capacity issues, effects, 189
capital asset pricing model (CAPM), 129–30
capital gains tax, development value collected as, 41, 53, 59
cash-flow approach to residual valuation, 126–8, 167

Central Land Board, 48
  ex gratia compensation payments made by, 48, 49
  land acquired by, 47, 49
  tax/levy collected by, 47, 48, 49
‘circular land-use management’ [Germany], 243
commercial property market, tenure, 115
capital asset pricing model
  used in Australia, 232–3
common law legal systems, 230, 231
  see also Australia; England; USA
Community Infrastructure Fund, 90
Community Infrastructure Levy (CIL), 5, 71, 93–101, 220–4
  advantages, 93, 274, 278, 285
  changes made [2013], 97–8
  compared with Barker PGS proposal, 94, 96
differential rates, 94–5, 137
direct payments to existing households, 98
  estimated amount raised by, 97
  implementing CIL, 220–4
  meaning of term, 15, 93, 220
  neighbourhood facilities funded by, 98, 274
  ‘New Homes Bonus’ [paid to LPAs], 98–9
deficiency for non-adoption by LPAs, 222–3
  and [scaled-back] S106 agreements, 95–6
  summary of characteristics, 93–6
Community Land Act [1975], 41, 58
Community Land Scheme (CLS), 38, 54–7
characteristics, 47
  funding for, 55
  land acquired under, 47, 57
community and leisure obligations, 147
differential rate/indirect payment ratio, 154
  number [2003–2012] per LPA, 154
  use of standard charging, 154
  value [in 2007–2008], 162
  commuted payments, 157, 158, 197, 223
  compact city policy [Netherlands], 246
compensation
  for compulsory acquisition of land, 50
  to those refused planning consent, 44, 48–9
  effect on land-use planning, 50
  suspension of scheme, 49–50
  compensation-and-betterment schemes, Uthwatt principles, 43–6
  Comprehensive Development Areas (CDAs), compulsory acquisition of land for, 50–1, 286
compulsory acquisition of land
  by Central Land Board, 49
compensation for, 50
  by municipalities in Netherlands, 248
conservative/corporatist welfare states, 229
