   3.1 The Challenge of Visualizing What it Can Mean to Servitize 57
   3.2 A Process of Servitization 61
3.3 Defining Base, Intermediate and Advanced Services 64
3.4 Features Commonly Coupled to Advanced Services 69
3.5 A Summary of Advanced Services 76

4. Business Implications of Advanced Services 79
4.1 Setting Out to Explore Financial Performance 80
4.2 Services, Revenues and Profitability 82
4.3 Motivations of Manufacturers Providing Advanced Services 87
4.4 Motivations of Customers Adopting Advanced Services 94
4.5 A Roadmap of Servitization and Advanced Services 100

PART 3: SERVICE DELIVERY SYSTEM 103

5. Delivery of Advanced Services 107
5.1 Searching for Leaders 107
5.2 A Perspective Against the World of Production 110
5.3 Advanced Services and Product–Service Systems 112
5.4 Service Delivery System for Advanced Services 116
5.5 Key Capabilities of a Service Delivery System 119
5.6 Chapter Summary 122

6. Performance Measures and Demonstration of Value 123
6.1 A Pyramid of Performance Measures 124
6.2 Customer Facing Measures of Performance 126
6.3 Macro Internal Measures of Performance 128
6.4 Local Internal Measures and Indicators of Performance 131
6.5 Demonstration of Value 134
6.6 Chapter Summary 138

7. Facilities and Their Location 143
7.1 Facilities in the Delivery of Advanced Services 144
7.2 Impact of Facilities and Their Location 148
8. **Vertical Integration and Organizational Structure**  153  
8.1 Organizational Structure in the Delivery of Advanced Services  154  
8.2 Vertical Integration in the Delivery of Advanced Services  159  
8.3 Impact of Vertical Integration and Organizational Structure  163  
8.4 Mitigating the Need for Integration  166  
8.5 Chapter Summary  167  

9. **Information and Communication Technologies**  169  
9.1 ICT Architecture in the Delivery of Advanced Services  170  
9.2 Monitor  173  
9.3 Transmit and Store  175  
9.4 Analyse and Respond  176  
9.5 Impact of ICT Capabilities  178  
9.6 Chapter Summary  179  

10. **People Deployment and Skill-sets**  181  
10.1 Deployment of Staff in the Delivery of Advanced Services  183  
10.2 Behaviour and Skill-sets of Front-Office Staff  185  
10.3 Culture, Leadership and Incentives in the Front Office  191  
10.4 Impact of an Integrated Skill-Set  194  
10.5 Chapter Summary  197  

11. **Business Processes**  199  
11.1 Services Processes in a Production Environment  200  
11.2 Business Processes in the Delivery of Advanced Services  204
11.3 Proactive Processes as the Core for Advanced Services Delivery 208
11.4 Chapter Summary 211

PART 4: READINESS TO SERVITIZE 213

12. Starting a Transition 217
   12.1 Summarizing Servitization, Advanced Services and their Delivery System 218
   12.2 A Readiness to Servitize 221
   12.3 Overcoming the Obstacles to Transformation 230
   12.4 The Journey Continues 232

Appendix: Acknowledgements and Guiding Studies 235
Index 243
