4 Cs: Building Capacity through Collaboration and Coaching in Context, Partnering for Change (P4C) 269

AAT see animal-assisted therapy
Accommodation, Partnering for Change (P4C) 271
action planning, Collaborative Performance Analysis 221–223
active engagement of children and parents, occupation-centred practice 30
‘active learning’, school setting 241
adolescence, secondary school transitions 121–123, 126–129
animal-assisted therapy (AAT) 329–344
attachment patterns 332–333
bridging method 335–336
decision-making 341–344
effects 332–333
enabler of occupational engagement 331
enclosure method 335–336
free interaction 335–336
goal 331
individual meaning of engagement 334–335
mechanisms 331
methods 335–336
oxytocin 333–334
participation in meaningful activities 339–341
physiological stress response 333–334
positive social attention 337–338
presence method 335–336
secure child–therapist relationships 332–333
social interaction 336–337
theory 332
arts 311–324
affordance 312
benefits 312–313
circus experiences 320–321
competition 318–320
confidence 316–317, 318, 321, 322
Dynamical Systems Approach 316
empowerment 316–317
evidence for creative performing arts 320–323
feedback 318–320
Hand Arm Intensive Bimanual Therapy (HABIT) 321–322
identity 313–316
imagination 313–316
imitation 313–316
magic experiences 321–322
motivation 317–318, 319–320
motivationally enhanced learning 317–318
music experiences 323
overview 312–313
Perception Action Theory 316
role of creativity 313–316
roles 313–316
Self-determination Theory (SDT) 317–318
self-reflection 318–320
skill acquisition 316–317
social engagement 319–320
ASD see autism spectrum disorder
Asperger syndrome
case study 178–182
Cognitive Orientation to daily Occupational Performance (CO-OP) 178–182
assessment 133–159
assessments referred to throughout the book 373–375
bottom-up assessment 135–136
Child and Adolescent Environment Scale (CASE) 152
Children Helping Out: Responsibilities, Expectations and Supports (CHORES) 148, 152
Craig Hospital Inventory of Environmental Factors (CHIEF) 152
