    Major Terms  153  
    Summary and Discussion  153  
    Examples of Cultural Analysis  157  
    Things to Look for in Cultural Texts  160

Summary: Theory for Beginners  161  
   1  Culture is nature  161  
   2  Words make things  162  
   3  We know what we know  164  
   4  Learn Arabic  165  
   5  Reality is a fabrication  165  
   6  Not all stories are true  167  
   7  Power is belief  169  
   8  You are not who you think you are  170  
   9  You have to learn to be yourself  172  
  10  Capitalism is bad for you  172  
  11  Effects are sometimes causes  174  
  12  Identity is difference – and is therefore contingent  175  
  13  We all live in the past  177  
  14  The world is all there is  178  
  15  Nature is culture  178
