Preface xix

Part I
The Background: Persons, Human Nature, and Culture 1

Chapter 1
Studying the Person 2
What Do We Know When We Know a Person? 3
Sketching an Outline: Dispositional Traits 4
Filling in the Details: Characteristic Adaptations 6
Constructing a Story: Integrative Life Narratives 9
Science and the Person 11
Step 1: Unsystematic Observation 12
Step 2: Building Theories 13
Step 3: Evaluating Propositions 15
Setting Up an Empirical Study 16
The Correlational Design 18
The Experimental Design 20
Personality Psychology 21
The Past and the Present 22
Feature 1.A: Gordon Allport and the Origins of Personality Psychology 25
Organization of This Book 27
Summary 28

Chapter 2
Evolution and Human Nature 31
On Human Nature: Our Evolutionary Heritage 32
Principles of Evolution 32
Chapter 4

PERSONALITY TRAITS: FUNDAMENTAL CONCEPTS AND ISSUES 106

The Idea of Trait 108
WHAT IS A TRAIT? 108
A BRIEF HISTORY OF TRAITS 111
Gordon Allport 113
Raymond B. Cattell 115
Hans Eysenck 116
THE BIG FIVE AND RELATED MODELS 119

Measuring Traits 125
CONSTRUCTING A TRAIT MEASURE 125
CRITERIA OF A GOOD MEASURE 128
TRAIT INVENTORIES 130
Feature 4.B: Narcissism: The Trait of Excessive Self-Love 131

PERSONALITY TRAITS AND PERSONALITY DISORDERS 136
The Controversy Over Traits 142
Mischel's Critique 143
AGGREGATING BEHAVIORS 145
INTERACTIONISM 148
Persons versus Situations versus Interactions 148
Reciprocal Interactionism 149
Traits as Conditional Statements 150
CONCLUSION 152

Summary 153

Chapter 5

FIVE BASIC TRAITS—IN THE BRAIN AND IN BEHAVIOR 155

E: Extraversion 157
SOCIAL BEHAVIOR AND COGNITIVE PERFORMANCE 157
FEELING GOOD 159

N: Neuroticism 161
Feature 5.A: Extreme Sports and the Sensation-Seeking Trait 164
THE MANY WAYS TO FEEL BAD 166
CONTENTS

STRESS AND COPING 169
Feature 5.B: Are We Living in the Age of Anxiety? 170

Extraversion and Neuroticism in the Brain 172
Eysenck and the Theory of Arousal 172
The Behavioral Approach System 175
The Behavioral Inhibition System 177
Left and Right 181
O: Openness to Experience 183
Correlates of O 185
The Authoritarian Personality 190
C and A: Conscientiousness and Agreeableness 192
Work 193
Love 195
Life 197
Feature 5.C: Eysenck’s Psychoticism: Low A, Low C, and Some Other Bad Things 198

Summary 201

Chapter 6
Continuity and Change in Traits: The Roles of Genes, Environments, and Time 205

The Continuity of Traits 207
Two Kinds of Continuity 207
Differential Continuity in the Adult Years 210
Childhood Precursors: From Temperament to Traits 213

The Origins of Traits: Genes and Environments 218
The Logic of Twin and Adoption Studies 219
Heritability Estimates of Traits 222
Shared Environment 225
Nonshared Environment 227
Feature 6.A: Birth Order: A Nonshared Environmental Effect 228
How Genes Shape Environments 229
Gene x Environment Interactions: New Findings from Neuroscience 232

Change and Complexity 236
Different Meanings of Change 236
Trait Change in the Adult Years 238
Patterns of Traits over Time 244
Part III
Filling in the Details: Characteristic Adaptations to Life Tasks 253

Chapter 7
Motives and Goals: What Do We Want in Life? 254

The Psychoanalytic View 255
The Unconscious 256
Feature 7.A: Sigmund Freud and the Birth of Psychoanalysis 258
Repression and Repressors 261
The Ego's Defenses 265

The Humanistic View 271
Carl Rogers's Theory 271
Abraham Maslow's Psychology of Being 273
Intrinsic Motivation and Self-Determination Theory 275

The Diversity View 279
Henry Murray's Theory of Needs 279
The Tat and the PSE 281
Achievement Motivation 282
Power Motivation 286
Intimacy Motivation 290
Implicit and Self-Attributed Motives 292
Personalized Goals 295
Summary 298

Chapter 8
Self and Other: Social-Cognitive Aspects of Personality 301

The Psychology of Personal Constructs 302
George Kelly's Theory 303
Exploring Personal Constructs: The Rep Test 305
Cognitive Styles and Personality 308
   Field Independence—Dependence 309
   Integrative Complexity 312

Social-Cognitive Theory and the Person 315
   Feature 8.A: Religious Values and Personality 316
   Social Intelligence 317
   Self-Schemas 321
   Possible Selves: What I Might Be, What I Might Have Been 323
   Discrepancies Among Selves 326
   Schemas, Attributions, and Explanatory Style: The Case of Depression 328
   Feature 8.B: The Positive Psychology of Virtue: Gratitude as an Example 332
   Mental Representations of Others: Attachment in Adulthood 334

Summary 342

Chapter 9

Developmental Stages and Tasks 345

Martin Luther’s Identity Crisis 346

Erik Erikson’s Theory of Psychosocial Development 350
   Developmental Stages in Childhood 350
   Feature 9.A: Early Object Relations 353
   The Problem of Identity 355
      Adolescence and Young Adulthood 355
      Identity Statuses 357
      Identity and Intimacy 360
   Generativity and Adult Development 361
      A Model of Generativity 363
      Individual Differences in Generativity 368
      Integrity 370

Jane Loevinger’s Theory of Ego Development 371
   Stages of the Ego 372
      The Infant 374
      The Child 375
      The Adolescent 376
      The Adult 377
   Measuring Ego Development 378
Two Traumatic Events 441
The Dream of the Jewel-Case 442
Dora Revisited 445

PRINCIPLES OF INTERPRETATION 446
Text and Treaty 446
Manifest and Latent 447
Symptoms and Everyday Life 449

THE JUNGIAN APPROACH: MYTH AND SYMBOL 451
A COLLECTIVE UNCONSCIOUS 451
INDIVIDUATION AND THE HEROIC QUEST 452
INTERPRETING A DREAM SERIES 453

ADLER: BEGINNINGS AND ENDINGS 458
INDIVIDUAL PSYCHOLOGY 458
THE EARLIEST MEMORY 459
FICTIONAL FINALISM 460

LIVES AS TEXTS 462
HERMANS’S DIALOGICAL SELF 463
MUSIC AND STORY: GREGG’S APPROACH 467
THE POSTMODERN SELF 469
FEMINIST PERSPECTIVES 471
SUMMARY 473

Chapter 12

WRITING STORIES OF LIVES: BIOGRAPHY AND LIFE COURSE 475

ICARUS: AN ANCIENT STORY 476

PERSONOLOGY AND THE STUDY OF LIVES 480
MURRAY AND THE HARVARD PSYCHOLOGICAL CLINIC 480
THE PERSONOLOGICAL TRADITION 484
SCIENCE AND THE SINGLE CASE 488

BIOGRAPHY, NARRATIVE, AND LIVES 492

PSYCHOBIOGRAPHY 492

Feature 12.A: Studying Famous People in History 493
Feature 12.B: Why Did van Gogh Cut Off His Ear? 500

THE SEASONS OF ADULT LIFE 501
