Section A: Individual Models of Therapy  1  

Chapter 1  Supportive Psychotherapy in Cancer Care: an Essential Ingredient of All Therapy  3  
1.1 Introduction  3  
1.2 Definition  3  
1.3 History and Evidence Base  4  
1.4 Qualifications for Clinical Privileges to Provide Supportive Psychotherapy as a Psycho-Oncologist  4  
1.5 Application of Supportive Therapy in Cancer Care  4  
1.6 Boundaries in the Therapy Relationship: Therapeutic Activism  7  
1.7 Themes Met in Advanced Cancer  8  
1.8 Families as Part of Patients’ Supportive Psychotherapy  10  
1.9 Therapist Issues  12  
1.10 Service Development Issues  13  
Recommended Reading & Resources  13  
References  14  

Chapter 2  Cognitive-Behavioural Therapies in Cancer Care  15  
2.1 Background  15  
2.2 Processes and Techniques  18  
2.3 Case Examples  21  
2.4 Evidence on Efficacy  23  
2.5 Service Development  23  
2.6 Summary  24  
2.7 Supporting Materials  24  
References  24  

Chapter 3  Cognitive Analytic Therapy in Psycho-Oncology  27  
3.1 Introduction  27  
3.2 Theoretical Background of CAT  27  
3.3 CAT Concepts and Cancer  28  
3.4 Process of Application of CAT in Cancer Care  29  
3.5 Supporting Materials  32  
3.6 A Brief Overview of Evidence on Efficacy  33  
3.7 Target Groups of Patients for Whom CAT Is Appropriate  33  
3.8 Case Example  33
3.9 What Can CAT Offer in a Cancer Setting? 36
3.10 Service Development: Integrating CAT into Psycho-Oncology Services 36
3.11 Conclusion 36
Acknowledgements 36
References 36

Chapter 4  Mindfulness Interventions for Cancer Patients 39
4.1 Introduction 39
4.2 Mindfulness-Based Stress Reduction 39
4.3 Content and Processes of Mindfulness-Based Interventions 40
4.4 Case Example 44
4.5 Efficacy of MBSR and Mindfulness Interventions 45
4.6 Service Development 46
4.7 Summary 46
Recommended Reading 46
References 47

Chapter 5  Relaxation and Image Based Therapy 49
5.1 Background 49
5.2 Evidence on Efficacy 52
5.3 Processes and Techniques 53
5.4 Case Example 54
5.5 Service Development 56
5.6 Summary 57
References 57

Chapter 6  Motivational Counselling in Substance Dependence 59
6.1 Background 59
6.2 Processes and Techniques 61
6.3 Case Example 64
6.4 Evidence on Efficacy 66
6.5 Service Development 67
6.6 Summary 67
Acknowledgements 67
References 67

Chapter 7  Narrative Therapy 69
7.1 Background 69
7.2 Processes and Techniques 70
7.3 Case Example 75
7.4 Evidence on Efficacy 77
7.5 Service Development 77
7.6 Summary 77
References 77

Chapter 8  Dignity Therapy 79
8.1 Introduction 79
8.2 Background of Dignity Research 79
8.3 The Conduct of Dignity Therapy: Processes and Techniques 82
8.4 The Therapist’s Role 85
Chapter 13  
Couple-Focused Group Intervention for Women with Early Breast Cancer and Their Partners 149

13.1 Background 149  
13.2 Intervention Strategies and Main Themes of the Couple-Focused Group (CFG) 151  
13.3 Evidence on Efficacy 152  
13.4 Processes and Techniques 153  
13.5 Case Example 155  
13.6 Service Development 155  
13.7 Summary 156  
13.8 Supporting Materials 157  
Acknowledgements 157  
References 157

Section C: Couple and Family Therapies 159

Chapter 14  
Couples Therapy in Advanced Cancer: Using Intimacy and Meaning to Reduce Existential Distress 161

14.1 Introduction 161  
14.2 Integrating Meaning-Making and Intimacy: Working Models 162  
14.3 Processes: Structure and Overview of Therapy 164  
14.4 Couple Exercises and Case Examples 169  
14.5 Evidence on Efficacy 171  
14.6 Service Development 171  
14.7 Summary 172  
Recommended Reading 172  
References 172

Chapter 15  
Therapies for Sexual Dysfunction 175

15.1 Background 175  
15.2 Processes and Techniques 178  
15.3 Case Examples 178  
15.4 Evidence on Efficacy 180  
15.5 Service Development 180  
15.6 Summary 180  
15.7 Supporting Materials 180  
Acknowledgements 182  
References 182

Chapter 16  
Focused Family Therapy in Palliative Care and Bereavement 185

16.1 Theoretical Background 185  
16.2 Target Groups of Patients 186  
16.3 Main Themes and Format of the Therapy 186  
16.4 Therapy Processes and Techniques 188  
16.5 Supporting Materials 194
Contents

Section D: Therapies Across the Life Cycle  199

Chapter 17  Therapy in the Setting of Genetic Predisposition to Cancer  201
17.1 Background  201
17.2 Counselling and Psychotherapeutic Interventions  204
17.3 Case Example  207
17.4 Evidence on Efficacy  209
17.5 Service Development  209
17.6 Summary  209
17.7 Supporting Materials  209
References  210

Chapter 18  Psychotherapy with Paediatric and Adolescent Cancer Patients  213
18.1 Introduction  213
18.2 Assessment  213
18.3 Service Development  215
18.4 Treatment Selection: Methods, Techniques and Efficacy  216
18.5 Issues in Treatment  217
18.6 Case Discussion: a Multidisciplinary Team Approach  220
18.7 Summary  222
References  222

Chapter 19  Therapy for Parental Cancer and Dependent Children  225
19.1 Background  225
19.2 Theoretical and Evidence-Based Rationale  225
19.3 Components of the Programme  229
19.4 Evidence for Efficacy  231
19.5 Summary of the Training Programme  232
19.6 Current and Future Directions  232
References  233

Chapter 20  Psychosocial Interventions for Elderly Cancer Patients  235
20.1 Introduction  235
20.2 Cancer in the Elderly: Clinical Evaluation  235
20.3 Quandaries and Reliability of Interventions  236
20.4 Psychosocial Theories on Ageing: Basis for Interventions  236
20.5 Elderly Cancer Patient Interventions  238
20.6 Forgiveness: Life – Illness – Death  240
20.7 Cognitive-Behavioural Therapy  241
20.8 Life and Hope: Transforming Fear into Hope  242
20.9 Selected Therapies: Intervention Techniques with Groups of Elderly Cancer Patients  243
20.10 Case Examples  243
20.11 Overview of Evidence for Therapeutic Benefit 244
20.12 Conclusion 244
References 244

Chapter 21  Reconstructing Meaning in Bereavement 247
21.1 The Clinical Context 247
21.2 Theoretical Perspectives: the Changing Landscape of Loss 247
21.3 Grief and the Quest for Meaning 249
21.4 Techniques for Reconstructing Meaning in Loss 251
21.5 Clinical Illustration of Therapy as Meaning Reconstruction 254
21.6 Overview of Efficacy of Meaning-Making Interventions 255
21.7 Service Development to Build a Programme 255
21.8 Conclusion 255
