## CONTENTS

**PUBLISHER’S NOTES**  ... xi  
**LETTER FROM THE AIA**  ... xiii  
**INTRODUCTION**  
MANAGING BUILDING INFORMATION:  
THE EVOLUTION OF ARCHITECTURAL  
GRAPHIC STANDARDS FOR  
RESIDENTIAL CONSTRUCTION  ... xv

**SECTION 1:**  
**SPACES**  ... 1

**CHAPTER 1**  
**BASICS OF RESIDENTIAL DESIGN**  3  
**General Guidelines**  4  
Identity from Exterior  4  
Residential Planning  4  

Residential Planning  5  
Planning Considerations  5  

Single-Family Detached Housing  6  
Site Plan Considerations  6  

Single-Family Attached Housing  7  
Site Plan Considerations  7  

Crime Prevention through Environmental Design  9  
CPTED Concepts  9  
Residential Strategies  9  
Single-Family Dwellings  9  
Subdivisions  10  
Two-Family Dwellings  10  

Site Planning for Fire Protection  11  
Fire Apparatus Access  11  
Outdoor Lighting  11  
On-Site Lakes  11  

Control of Flood Damage  11  
Flood Damage Management  11  
Flood Hazards  11  
Land Use in Flood Zones  12  
Flood Insurance Rate Zones  12  

Residential Site Planning  14  
General Guidelines  14  
Solar Radiation and Building Orientation  14  

Resource Conservation  25  
Resource Conservation Methods and Systems  25  
Priorities for Sustainable Buildings  26  
Save Energy  26  
Recycle Buildings  26  
Create Community  26  
Reduce Material Use  26  
Protect and Enhance the Site  26  
Select Low-Impact Materials  26  
Maximize Longevity  26  
Save Water  26  
Make the Building Healthy  27  
Minimize Construction and Demolition Waste  27  

Daylighting  28  
General Guidelines  28  
Design Strategies  28  
Design Process  28  
Source  28  
Envelope and Room Design  29  
Glazing and Shading Design  30  
Skylights and Sloped Glazing  30  

Seismic Design  30  
General Guidelines  30  
Design Judgment  30  
Seismic Codes  30  
Terms  31  
Site Design for Seismic Areas  31  
Components for Seismic Design  32  

Accessible Design  32  
Manoeuvring Clearances  32  
Reach Ranges for Accessibility  33  
Accessible Routes and Walking Surfaces  34  
Accessible Ramps  35  
Accessible Doors  36  

**CHAPTER 2**  
**HABITABLE SPACES**  39  
Sleeping Spaces  40  
Kitchens  41  
Centers of Activity  41  
Accessible Kitchens  43  
Living Spaces  46  
Living Rooms  46  
Dining Rooms  46  
Home Theaters  47  
Home Offices  48  
Adjoining Spaces  49  
Bathrooms  49  
Laundry Rooms  53  
Saunas  54  
Steam Rooms  56  
Wine Storage Cellars  57  
Sample Estimation of Area Requirements  57  
Closet Storage Arrangements  58  
Circulation Spaces  59  
Garages and Carports  60  

**CHAPTER 3**  
**ANCILLARY AND UNINHABITABLE SPACES**  63  
Ancillary Spaces  64  
Greenhouses  64  
Solariums  65  
Uninhabitable Spaces  66  
Attics and Crawl Spaces  66  

**CHAPTER 4**  
**OUTDOOR SPACES**  69  
Garden Design  70  
Entry  71  
Urban Gardens  72  
Edible Gardens  73  
Patio Planning  75  
Outdoor Kitchens  75  
Fire Pits  76
