Part 1 Practice 1

A THE PRACTITIONER 3

1 The Construction Industry 3
1.1 Introduction 3
1.2 Significance of the construction industry 3
1.3 A changing industry 4
1.4 Clients 6
1.5 Contractors 7
1.6 Consultants 9
1.7 Clerk of works 13
1.8 Construction industry bodies 14
References and notes 21

2 Academic and Professional Qualifications 22
2.1 Introduction 22
2.2 Relevant bodies 24
2.3 Architectural education and training 29
2.4 Examination of professional practice 36
2.5 Approval of educational programmes 36
2.6 Practising in the United Kingdom 41
2.7 Practising in Ireland 42
2.8 Practising in Egypt, Nigeria and Malaysia 43
2.9 Maintenance of standards, regulation and codes of conduct 46
2.10 ARB's standards of professional conduct and practice 47
2.11 RIBA code of professional conduct 53
2.12 The RIAI code of conduct 55
2.13 Continuing professional development 55
References and notes 57

## 3 Employment Opportunities

3.1 Introduction .................................................. 59  
3.2 Private practice ............................................. 60  
3.3 Local authority ............................................. 62  
3.4 Other public sector organisations ...................... 63  
3.5 Large companies ........................................... 64  
3.6 Contractors ................................................ 64  
3.7 Manufacturers ............................................. 65  
3.8 Academia .................................................. 66  
3.9 Other specialisation ....................................... 67  
3.10 Adjudicator, arbitrator or expert witness .......... 68  
References and notes ........................................... 69

## 4 Employment

4.1 Finding employment ......................................... 71  
4.2 Acceptable job titles ....................................... 88  
4.3 Employment ................................................ 89  
4.4 Job description ............................................ 92  
4.5 Hours of work ............................................. 93  
4.6 Overtime .................................................... 95  
4.7 Salary ........................................................ 96  
4.8 Benefits .................................................... 97  
4.9 Professional activities ..................................... 98  
4.10 Expenses .................................................. 99  
4.11 Leave ....................................................... 100  
4.12 Disciplinary and grievance procedure ............... 103  
4.13 Notice and dismissal ...................................... 104  
4.14 Spare time practice ....................................... 105  
4.15 Monitoring of telephone calls and e-mails ......... 107  
4.16 Discrimination ............................................ 107  
References and notes ........................................... 109

## 5 Types of Practice

5.1 Sole principal ............................................... 110  
5.2 Partnerships ................................................ 111  
5.3 Incorporation .............................................. 117  
5.4 Co-operative ............................................... 121  
5.5 Group practice ............................................ 121  
5.6 Developer/architect/contractor ......................... 122  
References and notes ........................................... 123

## 6 Setting Up in Practice

6.1 Sole principal ............................................... 124  
6.2 The decision .............................................. 124
Contents ix

6.3 Timing 125
6.4 Practical points to decide 126
6.5 Business plan 131
6.6 Enlarging the practice 132
References and notes 134

B PRACTICE MANAGEMENT 135

7 Management Principles 135
7.1 Objectives 135
7.2 Leadership 136
7.3 Communication 137
7.4 Delegation 138
7.5 Motivation 139
References and notes 140

8 General Office Practice 141
8.1 Introduction 141
8.2 Telephone, facsimile (fax) and e-mail 141
8.3 Information technology 144
8.4 Letter writing 145
8.5 Reports 146
8.6 Filing 147
8.7 Office-based meetings 149
8.8 Drawing office practice 149
8.9 Computer-aided design 153
8.10 Presentation 154
8.11 Reproduction 155
8.12 Work programming 155
8.13 Sources of information 156
References and notes 165

9 Marketing 168
9.1 Active marketing 168
9.2 Brochure 170
9.3 Website 171
9.4 Social media 172
9.5 Advertising 173
9.6 Contacts 173
9.7 Competitions 174
9.8 Frameworks 175
9.9 Retaining clients and recommendations 175
References and notes 176
## Contents

### 10 Insurance

10.1 Introduction 177  
10.2 Premises and contents 179  
10.3 Public liability 180  
10.4 Employer’s liability 181  
10.5 Professional indemnity 181  
10.6 Latent defects insurance 183  
10.7 Other insurances 184  

References and notes 184

### 11 Finance and Accounts

11.1 Introduction 185  
11.2 Accounts 185  
11.3 Profit and loss account 185  
11.4 Balance sheet 186  
11.5 Assets 188  
11.6 Liabilities 188  
11.7 Capital 189  
11.8 Cash-flow forecasting and budgeting 190  
11.9 Books of account 191  
11.10 Fee invoicing 191  
11.11 Value added tax (VAT) 191  
11.12 Computerisation 192  
11.13 Annual accounts/auditing 192  
11.14 Staff time records 193  

References and notes 195

### Part 2 Running a Project

### 12 The RIBA Plan of Work 2013

12.1 Sequential framework and Plan of Work 199  
12.2 The Plan of Work explained 202  
12.3 Building information modelling (BIM) 208  
12.4 BIM overlay to the Plan of Work 209  
12.5 Green principles 209  
12.6 Green overlay to the Plan of Work 210  
12.7 New words and phrases 211  

References and notes 212

### 13 Stage 0: Strategic Definition – Appointment

13.1 Introduction 214  
13.2 Scope of services 215  
13.3 Determination of the fee 233

Contents

19 Stage 4: Technical Design: Tender Documentation and Tender Action 380
   19.1 Introduction 380
   19.2 Co-ordinated project information 381
   19.3 Bills of quantities 383
   19.4 Specifications 390
   19.5 Schedules of work 393
   19.6 Activity schedules 393
   19.7 Tendering 393
   19.8 Preparing the contract documents 403
       References and notes 404

20 Stage 5: Construction 405
   20.1 Contractor's programme 405
   20.2 Meetings 408
   20.3 Site inspections 413
   20.4 Safety 414
   20.5 Architect's instructions and variations 415
   20.6 Variations and their valuation 418
   20.7 Controlling costs 422
   20.8 Workmanship and materials 423
   20.9 Certificates and payments 426
   20.10 Delays and extensions of time 435
   20.11 Financial claims 438
   20.12 Termination 440
       References and notes 443

21 Stage 6: Handover and Close Out 446
   21.1 Practical completion 446
   21.2 Rectification period 451
   21.3 Adjustment of contract sum 454
   21.4 Final certificate 457
       References and notes 461

22 Stage 7: In Use 463
   22.1 Review of project 463
   22.2 Architect's review 464
   22.3 Client review 466
   22.4 Review of building in use 467
       References and notes 467
