Continuation grants, 66
Cooperating Collections, 118
Corporate foundation, definition of, 113–114
Cover letter, for proposal submission, 97–98

D
Data: organizing of, 73–74; requirements for, 10; resources for, 123
Direct costs, 76–77
Donated goods/services. See In-kind contributions
Donor-advised fund, definition of, 114

E
Earned income, 6
Electronic applications, 29
Electronic submission, of proposal, 101
Email inquiries, to funders, 23
Endowments, 5
Equipment funding, 5, 66
Evaluation component: content of, 58–60; and internal vs. external, 57–58; purpose of, 56–58; questionnaire for, 61–62; resources for, 122; review questions for, 63; sample of, 60
Executive summary, 10. See also Proposal summary
Expenses, estimating of, 75–76, 83
External evaluation, 57–58

F
Family foundation, definition of, 113
Feedback, need for, 10
Fees for service, 66
Financial needs: categories of, 4–6; sources of, 3–4
Fiscal year, 74–75
Follow-up, on proposal submission, 105
Forum of Regional Associations of Grantmakers, 120
Foundation Center, 113, 117
Foundation Directory Online, 118
Foundations: and prospect research, 4; types of, 113–115
Full proposal, 8
Funders: and email inquiries, 23; and follow-up on proposal, 105–106; information about, 21–22; and letter of inquiry, 24–26; meeting with, 28–29; and relationship building, 22–23; researching of, 117–120; and response to decision, 107–109; site visits and, 105–106; and telephone contact, 24
Funding: categories of, 4–6; sources of, 3–4
Fundraising campaigns, types of, 3
Future funding. See Sustainability component

G
General operating support. See Operating funding
Goals: definition of, 39–41, 42; exercise for, 45–46; review questions for, 47; tips for writing of, 43–44
Government funding, 3, 79, 123
Grant application, and budget requirements, 72–73
Grant, awarding of, 107–109
Grant guidelines, and need to follow, 9
Grant period, 74–75
Grantseekers, individual, resources for, 121
Guidelines, and need to follow, 9

H
Hypothesis, definition of, 57

I
Impact, definition of, 56, 57
In-kind contributions, 78–79
Income-producing opportunities, 66–67
Indirect costs, 71, 73, 77
Individual grantseekers, resources for, 121
Internal evaluation, 57–58

J
Jargon, avoidance of, 10, 32

L
Letter of inquiry: definition of, 8; questionnaire for, 27; review questions for, 29–30; sample of, 24–26
Letter of intent. See Letter of inquiry
Leverage, definition of, 56
Logic models, 14–15, 122
Long proposal, 8

M
Methods component: content of, 49–50; exercise for, 53; purpose of, 49; review questions for, 54; sample of, 52; and sample timeline, 51; tips for writing of, 50
Methods, definition of, 42
Multiyear budgets, 75

N
Need statement. See Problem statement
Nonprofit and Philanthropy Good Practice, 76, 118

O
Objectives: definition of, 39–41, 42; exercise for, 45–46; and outcome focus objectives, 41–43; review questions for, 47; tips for writing of, 43–44
Ongoing support. See Sustainability component
Online applications, 29, 122
Operating budget, 71. See also Program budget
Operating funding, 4–5, 14
Organization background component: background statement and, 85–86; content of, 86–87; exercise for, 89; review questions for, 90; sample of, 88; tips for writing of, 87
Outcome focus objectives, 41–43
Overhead, 71, 73

P
Paper submission, of proposal, 100
PDF format, need for, 99
Personnel costs, 77
Planning funding, 5
Planning, in grantseeking process, 11
Private foundation, definition of, 113
Problem statement: content of, 32–33;
purpose of, 31; questionnaire for, 36;
review questions for, 37; sample of, 34–35;
tips for writing of, 33–34
Process objectives, 41–42
Program budget: basics of, 71–72; budget
period and, 74–75; direct costs and, 76–77;
and estimating revenue and expenses, 75–76, 83;
and grant application requirements, 72–73; in-kind contributions and, 78–79;
indirect costs and, 71, 73, 77; justification for, 80–81; location of in proposal, 10;
organizing data and, 73–74; review of, 79; review questions for, 84; software for,
73–74, 79; tips for developing, 81–82
Program funding, 5
Proposal, decision about, 107–109
Proposal process, overview of, 6–8
Proposal submission: appendixes in, 98–99;
checklist for, 102; cover letter for, 97–98;
electronic submission and, 101; follow-up on, 105; packaging of, 99–101, 103; paper
submissions and, 100
Proposal summary: content of, 91–92;
questionnaire for, 94; review questions for, 95; sample of, 92–93; tips for writing of, 92
Proposals: and logic models, 14–15; overview
of process for, 6–8; and questionnaire for proposal idea, 16–18; review questions for, 19; tips for writing of, 9–11; types of, 8
Prospect resource tools, 121–122
Public foundation, definition of, 114

Q
Questionnaires: for evaluation component,
61–62; for letter of inquiry, 27; for problem statement, 36; for proposal idea, 16–18; for proposal summary, 94; for sustainability component, 69

R
Requirements, for grant funding, 2
Research grants, 6
Return on investment (ROI), definition of, 56
Revenue, estimating of, 75–76, 83
Revenue-generating ventures, 66–67
Review questions: for evaluation component, 63; for goals/objectives, 47; for grantseeking process, 1–2; for letter of inquiry, 29–30; for methods component, 54; for organization background component, 90; for problem statement, 37; for program budget, 84; for proposal idea, 19; for proposal summary, 95; for sustainability component, 70

S
Site visit, by funder, 105–106
SMART objectives, 40, 43
Social change/social justice, resources for, 122
Special project funding, 5
Spreadsheet, 73, 74, 79
Statement of need. See Problem statement
Strategies, definition of, 42
Support: categories of, 4–6; sources of, 3–4
Sustainability component: content of, 65–67;
purpose of, 65; questionnaire for, 69;
review questions for, 70; sample of, 67–68;
tips for writing of, 67–68
Index

T
Tactics, definition of, 42
Tailoring of proposal, 10–11, 15
Technology, need for access to, 2, 3
Telephone contact, with funders, 24
Timeline, sample of, 51
Tips: for methods component, 50; for organization background component, 87; for problem statement, 33–34; for program budget, 81–82; for proposal summary, 92; for sustainability component, 67–68; for writing goals, 43–44; for writing objectives, 43–44; for writing proposals, 9–11

V
Volunteers. See In-kind contributions

W
Website, need for, 2
Women’s funds, definition of, 114–115
