A
ABC Automotive Company case study:
background of, 571; critical business issue of, 573–576; intervention during, 572–573; lessons learned from, 576; situation of, 572
Accountability: Performance Improvement/ HPT Model on, 42, 47; for personal professional development, 313
Acquisitions: Assessing Strategic Alliances Tool for, 404; definition of, 402; scope and workplace implementation, 402–403
Action learning: definition of, 263; guidelines for learning intervention through, 263t; practitioner’s voice on, 264e
Active listening, 501
ADDIE model, 533, 575
ADKA Model, 63, 64t, 66
ADKAR model for change, 63
Administrative conflict, 369
Alderfer’s ERG theory of needs, 345
Alliance building, 491
Allied Health. See Physician Performance Report Accuracy and Timeliness case study
American Academy of Family Physicians (AAFP), 189
American Medical Association (AMA), 189
American Society for Training and Development (ASTD), 491
Amway Corporation case study: background and situation, 103–104; Behavior Engineering Model used in, 105, 107; critical business issue, 105–109; Distributor Performance Model used by, 104–105; intervention, 104–105; lessons learned from, 109
Amway Global Training and Education, 105, 106–107, 108, 109
Amway Global Training Conference, 107
Amway Latin America, 109
Appreciative inquiry (AI): definition of, 28, 382; discussion guide on, 32; early leaders of, 28–29; as emerging PI trend, 27, 29; Four-D Cycle Model, 30fig, 382; scope and workplace implementation of, 382
Appreciative Inquiry Discussion Guide Tool, 32
Artifacts (workplace), 386
Artisans, 3–4
Asbestos litigation, 26–27
Assessing Employee Development Success Standards Tool, 498–499
Assessing Strategic Alliances Tool, 404
Association for Educational Communications and Technology (AECT), 491
Association for Project Management (UK), 502
ASTD State of the Industry Report, 270
Avatars: definition of, 272; learning interventions using, 272

B
Balanced scorecards (BSCs): concept of, 90; definition of, 383; Georgia Leadership Institute for School Improvement case
study use of, 93; scope and workplace implementation of, 385
Behavior Engineering Model (BEM): application to cause analysis, 164–165, 166t, 168t; description of, 14–15; Distributor Performance Model focus on Knowledge Cell of, 105, 107; integrated into cause analysis of Performance Analysis, 41; six cells of, 164–165fig; three leisurely theorems and, 164
Behavioral-oriented learning: operant conditioning for, 31; precision teaching for, 31, 33; school improvement using, 31, 33
Behaviorism, 10t
Behaviorally anchored rating scales (BARS), 349
Benchmarking: Benchmarking Planner Tool for, 384; definition of, 383; scope and workplace implementation of, 383
Benefits. See Compensation/benefits programs
Bidder Selection Matrix Tool, 416
Binder's Six Boxes Model, 502
Blake Company/Mutschler Kitchens case study: background and situation of, 179; critical business issue, 180–184; environmental analysis focus of, 149; intervention during, 179–180; lessons learned from, 184
Blanchard, K., 354
Blended learning: definition of, 263; learning interventions through, 263–264
Blogs, 370, 371, 551
Boutique marketing company case study: background and situation, 81; critical business issue, 83–86; intervention, 82–83; lessons learned from the, 86–87
Building capacity, 434–435e
Business case: definition and scope of, 423–424; dental office case study on, 451–458; feasibility of, 429–431; illustrated diagram of process of making the, 426fig–428; leadership commitment to making the, 428–429; methodology for making the, 423; Performance Improvement/HPT Model, 49–50; practitioner competencies for making the, 425–426; practitioner role in making the, 425; project management Gantt chart on sustained success of, 440fig; purpose of, 424; rationale for, 424–425; steps to take for making the, 428; sustainability of, 432–437e; Template For A Business Case Tool, 438–440
Business case sustainability: challenges to, 436–440; in context of Performance Improvement/HPT, 432–436e; description of, 26, 432
Business Intelligence Board (BIB), 269
Business Process Reengineering (BPR), 64t, 65–66
Cambridge Information Group (CIG), 465
Capital: definition of, 424; investment and spending of, 400–401
Capital Analytics, 571, 573, 576
Capital investment: definition of, 400; investment decisions, 400; workplace implementation of, 401
Capital spending: definition of, 400; funding decisions, 400–401; workplace implementation of, 401
Career planning: definition of, 353; scope and workplace implementation of, 353–354
Case studies: ABC Automotive Company, 571–576; Acquisition of Westford Bank by Spring Harbor Bank, 459–464; Anway Corporation, 103–110; Blake Company/Mutschler Kitchens, 149, 179–184; Boutique Marketing Company, 81–87; Church Pension Fund (CPF), 509–516; Community Healthcare Association of the Dakotas (CHAD), 577–583; Georgia Leadership Institute for School Improvement, 89–94; HPT for Change Management, 111–118; No Room for Error: Saving a Multi-Office Dental Practice in Michigan, 451–458;
Physician Performance Report Accuracy and Timeliness, 185–191; ProQuest (Information Technology Company Aligns Workforce to Business Strategy and Direction), 465–472; Reducing Municipal Strife, 95–101; St. Luke Lutheran Church and School, 517–526. See also Performance problems
Cash flow analysis: definition of, 401; scope of, 401; workplace implementation of, 402
Cash flow forecast: scope of, 401–402; workplace implementation of, 402
Cause analysis: BEM (Behavior Engineering Model) application to, 164–165fig, 166t, 168t; conducting, 165–167; definition and scope of, 163–164; Gilbert's three leisurely theorems for, 164; intervention selection and, 201–202t; on lack of environmental performance support, 168t–170; on lack of repertory behaviors, 170, 173–176; during the performance analysis phase, 163fig; Physician Performance Report Accuracy and Timeliness case study, 189–190; Probing For Environmental Support Drivers Or Causes Tool for, 171–172; Probing For People's Repertory of Behavior Drivers Or Causes Tool for, 178; St. Luke Lutheran Church and School case study on, 519t–521t; techniques and tools used for, 167t–168
Certification Standards for School Improvement, 434–435
Certified school improvement specialist, 33–34
Champions: business case commitment by, 428–429; of change, 69; instructional design partnering with, 409; intervention selection role of, 19. See also Leadership
Change: five stages of, 502; intervention implementation and maintenance role in, 475; levels, modes, and control of, 66–67; monitoring after implementation of, 74; planning, 67; roles during adoption process, 71–72fig
Change agent (sustainability thinker), 483–484
Change management: conceptual models of, 63–66; definitions of, 61; functions of, 70–72; HPT for Change Management case study on, 111–118; HPT Model/ Appreciative Inquiry Approach on, 56–57fig; illustrated diagram of, 68fig; intervention development supported by, 448; intervention implementation and maintenance for, 475–485, 501–502; performance improvement process and, 72–74; Performance Improvement/ HPT Model on, 44, 62fig; process models of, 63; roles during, 67–69; sponsors and change manager roles in, 69, 502
Change Management Evaluator Tool, 80
Change Management Planner Tool, 79
Change management tools: Change Management Evaluator, 80; Change Management Planner, 79; Evaluating Sustainability From A Change Management Tool, 485
Change managers, 69, 502
Change models: ADKA, 63, 64t, 66; Business Process Reengineering (BPR), 64t, 65–66; Eight-Step Model of Organizational Change, 64t, 66; Leadership Culture-Change Actions, 64t, 65; Lewin's Three Stages of Change, 63, 64t; McKinsey's 7S Framework, 63–64t; Total Quality Management (TQM), 64t–65, 287
Chief Learning Officer magazine, 269
Church Pension Fund (CPF) case study: background and situation for, 509; critical business issue of, 510–515; evaluating the process and results during, 515; GREAT Model communication used for, 513–515; intervention during, 510; lessons learned from, 515–516
Classroom learning: definition of, 268; learning interventions through, 268–269
Client Engagement of the Church Pension Group Services Corporation, 509, 516
Coaching: Coaching Skills Self-Assessment Tool for, 318; definition of, 314–315; as personal development intervention, 315, 317
Cognitive ergonomics, 298
Colon City (Panama) transformation model, 28
Combs and Falletta targeted evaluation model, 536
Commitment: to business case by leadership, 428–429; to problem solving by leadership, 8
Communication: active listening component of, 501; change management, 72; frame of reference for, 500–501; GREAT Model of, 513–515; interpersonal relationships impacted by, 501; intervention implementation and maintenance through, 497, 500–501; multiple meanings and forms of, 363; organizational interventions for, 363–371; patterns of, 501; performance gaps in, 519–522; ProQuest case study on intervention for improving, 469, 471; sustainability and issues of, 25
Communication networks: definition of, 364; scope and workplace implementation of, 364
Communities of practice, 321
Community Healthcare Association of the Dakotas (CHAD) case study: background of, 577; critical business issue of, 578–582; following the evaluation during, 582–583; intervention during, 578; lessons learned from, 583; ROI process during, 578, 580, 582–583; situation/opportunity during, 578
Compensation/benefits programs: definition of, 332; scope and workplace implementation of, 339. See also Rewards/incentives
Competencies: definition of, 350; ProQuest Organizational Competency Model, 469; scope and workplace implementation of, 350–351. See also Practitioner competencies; Skills and knowledge
Competency testing: definition of, 350; scope and workplace implementation of, 350–351
Computer-based training (CBT), 284
Confirmative evaluation: definition and scope of, 555; description of, 529, 531, 542–543; Dessinger-Moseley confirmative evaluation model, 556; equation for confirming value of a performance intervention, 557; Moseley-Solomon confirmative evaluation model, 556–557; origins of, 554–555; Planning the Formative, Summative, and Confirmative Evaluation Of A Performance Improvement Intervention Tool for, 566; practitioner role during, 561; preliminary checklist for, 558; purpose of, 555; tasks to perform during, 558–559; team roles in a, 562; When to Conduct A Confirmative Evaluation Tool for, 560
Confirmative Evaluation: Practical Strategies for Valuing Continuous Improvement (Dessinger and Moseley), 555
Conflicts: dispute resolution programs to resolve, 369–370; three types of, 369
Consulting. See Process consulting
Content management system (CMS), 259
Continuing education units (CEUs), 382
Continuous improvement, 305–306
Corporate social initiatives, 147
Corporate social responsibility, 389–390
Cost center: definition of, 396; profit centers versus, 397, 399; Responsibility Center Analysis Tool, 398
Craftsmen, 3–4
Cultural intelligence, 320–321
Culture: definition of, 386; rites and rituals of, 386. See also Organizational culture

D
Darden Business School (University of Virginia), 93
Dashboards: definition of, 385; scope and workplace implementation of, 385–386
Data. See Information
Decision making: definition of, 392; flow of evaluation, 531; scope and workplace implementation of, 392
Dental Practice case study: background of, 451; building the initial business case, 452; critical business issue of, 451–452; designing and implementing the sustainable interventions, 456–457; evaluating the results, 457; interventions for, 455; lessons learned from, 457–458; presentation on performance analysis for, 453–455; second business case on feasibility for, 455–458
Design Document Template Tool, 418–419
Dessinger-Moseley full-scope evaluation model, 534–535
Diagnostic and analytical system, 10
Digg, 371
Direct work, 291
Discounting of money, 424
Discussion forums, 371
Dispute resolution: definition of, 369; do's and don'ts for, 370; scope and workplace implementation of, 369–370
Distance/distributed learning: definition of, 269; learning intervention using, 269–270
Distributor Performance Model, 104–105
Diversity Quotient Assessment Tool, 388
Diversity/inclusion strategies: definition of, 387; Diversity Quotient Assessment Tool, 388; scope and workplace implementation of, 387
Documentation Or Standards? Tool, 288
Dormant's cross-functional model, 477
Dragonfly Organization Resource Group, 81, 87
Dublin's 1st Change Implementation Model, 478–479

E
E-learning. See Online/e-learning
Early adopters: description of, 71, 72; Georgia Leadership Institute for School Improvement case study on, 92, 93
Eco-efficiency, 25–26
The Eden Conspiracy (Harless), 31
Education: definition of, 259; learning interventions through, 260
Eight-Step Model of Organizational Change, 64, 66
Electronic performance support systems (EPSS): definition of, 284; performance support intervention using, 284, 286; practitioner's voice on, 286; To ESPP Or Not? Tool, 285
Emotional conflict, 369
Emotional intelligence (EI), 319
Employee assistance programs (EAPs), 339
Employee development: Assessing Employee Development Success Standards Tool for, 498–499; definition of, 328, 496; Employee Development: Who Is Responsible For Success? Tool for, 331; four basic techniques for, 496–497; intervention implementation and maintenance through, 493, 496–497; practitioner's voice on, 330; scope and workplace implementation of, 328–329; 360-degree feedback used for, 496–497
Enterprise learning, 268
Enterprise resource planning (ERP), 268
Environmental analysis: analyzing the worker process of, 149; analyzing the workplace process of, 148; analyzing the world environment process of, 147; analyzing work
process of, 149; corporate social initiatives, 147; definition and scope of, 145–147; illustrated diagram of, 145fig; intervention development and environmental impact, 445; variations on Rothwell’s environments of human performance, 145, 146fig; What Is Happening? Tool, 151–154
Environmental performance support: analyzing environmental factors that influence performance, 170; consequences, incentives, or rewards as, 169–170; data, information, and feedback as, 168–169; environment support, resources, and tools as, 169
Environmental scanning: definition of, 381; scope and workplace implementation of, 381
Equal employment opportunity (EEO), 325, 382
Ergonomics: cognitive, 298; definition of, 298; three key pillars of, 298–299
Ethical Dilemmas In The Workplace Tool, 391
Ethics: definition of, 390; Ethical Dilemmas In The Workplace Tool for, 391; Performance Improvement/HPT Model and CPT Standards and Code of Ethics, 52, 54–55; scope and workplace implementation of, 390; societal, professional, individual, 390
European Commission, 502
Evaluating Sustainability From A Change Management Tool, 485
Evaluating Team Attitudes Tool, 376–377
Evaluation: ABC Automotive Company case study, 575–576; Church Pension Fund (CPF) case study, 515; confirmative, 529, 531, 542–543, 556fig–561, 561, 562e, 566; definition of, 529; dental practice case study, 457; Evaluating Sustainability From A Change Management Tool for, 485; flow of decisions during, 531fig; focus and PI contribution of, 10t; formative, 529, 531, 542, 545, 547–553, 566; Full-Scope Evaluation Pre-Planning Inventory, 565, 567; Georgia Leadership Institute for School Improvement case study, 94; integrating into PI/HPT Model, 538–539; intervention design, 411–412; meta, 529, 531, 543, 561–565; Performance Improvement/HPT Model component of, 50, 52, 53fig, 530fig, 546fig; PI/HPT practitioners as integrator during, 539; planning and conducting an, 545–567; predictive analytics approach to, 537–538; predictive approach to, 536–537; purpose of, 531–532; Reducing Municipal Strife case study, 100; roles and competencies required for, 538; scope of, 529, 531; summative, 529, 531, 542, 553–555, 566; What The Performance Improvement/HPT Practitioner Or Evaluator Can Do To Integrate Full-Scope Evaluation Into The Performance Improvement Process Tool, 542–543
Evaluation models: Brinkerhoff’s process-based, 529, 533; Combs and Falletta targeted evaluation model, 536; Dessinger-Moseley full-scope, 534–535fig; Geis and Smith evaluation model, 533fig; Kaufman-Keller-Watkins adaptation of Kirkpatrick’s, 534t; Kirkpatrick’s outcome-based, 529, 532t, 547, 572
Evaluation Works, 577, 584
Executive development: definition of, 354; scope and workplace implementation of, 354, 356
Expectations: analyzing motivation and, 175–176; motivation and, 175
Expert systems, 287, 289e
Facebook, 371
Feasibility: business feasibility study, 429; definition of, 429; intervention development, 448; for intervention implementation and maintenance, 505
Feasibility planning: considerations for and types of, 429–430; performance improvement, 430; Performance
Improvement Feasibility Study Outline Tool for, 431
Federal Mediation and Conciliation Service, 96
Federal Mogul Corporation, 26–27
Feedback: definition of, 313; as environmental performance support, 168t–169; Feedback Checklist Tool, 316; intervention development and role of, 446–447fig; as personal development intervention, 313–314; practitioner's voice on, 315e; 360-degree, 314, 496–497
Feedback Checklist Tool, 316
Financial forecasting: definition of, 399; scope and workplace implementation of, 399
Financial intelligence, 396e
Financial systems interventions: capital investment and spending, 400–401; cash flow analysis/case flow forecast, 401–402; description and types of, 395fig; financial forecasting, 399; mergers, acquisitions, joint ventures, 402–404; open book management, 396; practitioner's voice on financial intelligence, 396e; profit centers versus cost centers, 396–399
Fishbone diagram, 167t
Five stages of change, 502
Flickr, 371
