SUBJECT INDEX

A
Accountability: OPM framework for, 33–34; personal, 53, 55, 63; public disclosure laws to ensure, 221, 222; of volunteer programs, 235, 243–246
Adams’s equity theory of motivation, 537–538
Ad-hocracy, 550
Administration: benefits, 210; conflict work and, 363, 367; HR’s role in, 6, 7–11
Administrative Careers with America test, 113–114
Affirmative action, 455–473; constitutionality of programs for, 450–452; court cases on, 459–464, 470m3, 5; defined, 456; developing plan for, 465–467, 470n6; EEOC and, 458–459, 465, 467, 469; laws on, 459, 470n1–2; monitoring plan for, 467–469, 470n7; political context of, 464; sample plan for, 471–473; set-asides programs for, 457, 459, 460, 461. See also Diversity Age, See Older workers Age discrimination, 177–179, 181, 188
Age Discrimination in Employment Act (ADEA), 177–179, 188, 431–432
American Society for Public Administration (ASPA), code of ethics, 285
Americans with Disabilities Act (ADA), 156–157, 491–513; actions required by Title II of, 510–511; affirmative action and, 457; benefits of, 512; cautions about, 513–514; contents of, 496, 498; disability definition in, 495–496; history of, 491–494; implementation of, 505–506; job analysis and, 590, 639; legal counsel to deal with, 499; overview of, 434–436; rationale for, 494–495; reasonable accommodation to satisfy, 507–510; regulations accompanying, 497
Americans with Disabilities Act Amendments Act (ADAAA), 497, 499, 500, 502, 504
Antidiscrimination laws, 424–437, 440–441
Arbitration, 65, 358, 369, 485, 486, 701
Arizona, program for older workers in, 192–194
Assessment centers, 615–634; criteria in process of, 617–627; defined, 615–616; reasons for using, 616–617;
Assessment centers (continued) recommendations on, 633–634; as selection method, 124–125; steps in conducting, 627–633
At-will employment: ethics and, 280–283; in federal government, 174; states using, 10, 84, 843; of temporary workers, 57–58

B
Behaviorally anchored rating scales (BARS), 568–573, 579, 585
Benchmark positions, job analysis systems, 639–640
Benchmarking, 691–713; approaches to, 691–697; defined, 692; as diagnostic technique for governments, 699–705; as form of learning, 319; in organizational needs analysis, 303, 304; performance data, for staffing decisions, 838–839; with privatization, 56; public sector examples of, 694–695, 711–712, 713n1; selecting approach to, 697–699, 712; as tool for identifying vision and mission, 719. See also Corporate-style benchmarking
Bonuses, 669–670
Broadbanding: classification and pay systems, 79, 84; federal government agencies instituting, 87–88, 92, 668–669; job evaluation and, 635, 649–650, 660
Budget process, 835–860; advising decision makers during, 853–855; advising legislatures during deliberations on, 855–858; benefit considerations in, 849–850; compensation considerations in, 845–848; costing in, before contracting out, 852–853; during economic crisis, 858–860; HR staff’s role in, 835–836, 860; services HR advocates for in, 850–852; staffing costs and considerations in, 835, 836–845
Bush administration: approach to labor relations, 395–398; civil service reform efforts of, 86–93; emergency management actions during, 405–406; HR office under, 9, 11, 13, 15, 19; information access rights damaged by, 222–223; President’s Management Agenda of, 5, 19, 32–33, 55, 395; public workforce reduced under, 174; restriction of collective bargaining rights by, 21–22, 77, 88, 90, 397–398
C
California, IT policy analysis failure in, 226
Career development. See Employee development
Carter administration: affirmative action and, 458; Civil Service Reform Act passed by, 5, 51, 78, 383; FEMA established by, 405
Case law: on affirmative action, 459–464, 470n3; on disability discrimination, 499–505; on sexual harassment, 479–481
Catastrophic events. See Emergency management
Change: conflict and, 350, 377–378; HRM’s role in accommodating to, 863
Chief Financial Officers (CFO) Act, 386
Chief human capital officer (CHCO), 18
Citizen engagement: employee participation similar to, 271–274; values of, 269–270
Civil Rights Act (of 1866), 428–431
Civil Rights Act (of 1871), 427–428, 453n3
Civil Rights Restoration Act (of 1987), 470n3
Civil Rights Restoration Act (of 1987), 470n3
Civil service commissions, 104, 105
Civil service reform, 73–94; advocated by Winter Commission, 8–9, 78–79, 81; by Bush administration, 86–93; by Carter administration, 5, 51, 78, 383; as common political focus, 73–74; in Department
of Homeland Security, 86–91; effect on traditional values and systems, 61–64; ethics and, 280–283; federal workforce fatigue due to, 54–55; in Florida, 10, 60, 83–86, 94; in Georgia, 59, 80–83, 94; to improve recruitment and selection, 105–106; purposes of, 75–78; by states, 59–61, 80–86, 94

Civil Service Reform Act (of 1978): compensation system demonstration projects under, 668, 671; on diversity, 150; labor relations codified by, 23, 383, 400n1; passage of, 5, 8, 51; personnel reforms initiated by, 78; waivers from civil service law authorized by, 21

Civil service system: advocating for support for, in budget process, 851; as context for HR offices in public sector, 6; traditional pay system of, 664–665

Classification and compensation studies: bidding for, 794, 799–800; budget process and, 845–846; challenges of, 803–804, 805–806, 807; consultants hired for, 21

Civil service system: advocating for support for, in budget process, 851; as context for HR offices in public sector, 6; traditional pay system of, 664–665

Competency-based appraisals, 578, 580

Computer systems, consultants employed for, 783. See also Information technology (IT)

Conflict, 349–378; assessing, 351–357; change and, 350, 377–378; defined, 350; examples of, confronting HR departments, 350–351, 374–376; organizational structures for resolving, 357–359; skills and knowledge needed to work with, 361–368; tools for intervening in, 364, 366, 369–374; training to work with, 360–361; types of, 354–356

Consultants: activities conducted by, 781–783; bidding and contracting practices with, 794–796; defined, 770; evaluating proposals from, 806, 808–811; fees for, 798–800; finding, 791–793; health insurance reform and, 812; increased number of, 772; job evaluation systems developed by, 651–652; problems in using, 803–806; public sector environment for, 789–791; reasons for using, 780–781; selecting, 806–808; sources of, 783–789

Contracting, 769–815; back in-house, 16, 20, 21, 58; context for, 771–773; costing when considering, 852–853; evaluating proposals when, 806, 808–811; faith-based, 53; future of, 811–812; HR role in managing, 7, 14–16; military and intelligence agencies using, 47–48; overview of, 769–771, 813n1. See also Consultants; Outsourcing; Privatization

Contracting officer technical representatives (COTRs), 16

Corporate-style benchmarking: compared to other forms, 697–699, 712; overview of, 692–693; performance measurement technique for, 708; process flowcharting technique for, 708–710; public sector examples of, 711–712; steps in, 705–708

public employees, 441–442, 454n7; increased number of employment claims based on, 424; Pickering balancing test and, 442–443; right to privacy, 446–449

Comparable worth, 667

Compensation: for consultants, 795–796; determining, in budget process, 845–848

Compensation systems, 663–686; consultants hired to revise, 803–805; data on, of state and local governments, 671–672; future of contracting and, 811; objectives of, 663–671; performance-based, 668–671, 673–676; salary structure for, 676–685; use of multiple, 672–673

Communication: conflict work and, 362, 365–367, 376n2; electronic, and privacy, 447; e-mail, 215–219, 222, 223

Copyright protections, 441–452; due process, 43–45; equal protection, 449–452; freedom of association, 445–446; freedom of speech, 442–443; history of, for
Cost accounting, 852
Cost finding, 853
Cost-benefit analysis, 719–720
Cost-effectiveness analysis, 719, 720
Costing, before contracting, 852–853
Cost-reduction strategies, during economic crisis, 45–46, 858–860
County of Washington v. Gunther, 667
Critical incident technique (CIT), job analysis, 598–599
Cultures, conflict work and, 365, 368. See also Diversity; Organizational culture
Current Population Survey: data on NSWAs, 133–134, 135; data on volunteering, 234, 240

D
Decision band method, job evaluation, 647
Development. See Employee development; Organizational development (OD)
Developmental appraisals, 580–581
Dialogue, as conflict intervention tool, 371–372
Disabilities, workers with, 156–158. See Americans with Disabilities Act (ADA); Rehabilitation Act (of 1973)
Disability insurance, 820, 825
Disaster planning. See Emergency management
Discrimination: age, 177–179, 181, 188; federal laws prohibiting, 424–437; in federal workplace, 163; number of claims of, in employment, 423; reverse, 449–450; state/local laws prohibiting, 441. See also Affirmative action; Americans with Disabilities Act (ADA); Sexual harassment
Dispute resolution: consultants employed for, 782; sexual harassment complaints, 485; techniques for, 369–374. See also Arbitration; Mediation
Diversity, 149–169; as context for conflict, 353; defined, 149, 150; of federal workforce, 152; gender, 153–154, 155; generational, 154–156; impact on workplace, 162–166; integration plateaus with, 158; job segregation with, 158–160; laws protecting, 165–166; motivation with, 525; racial/ethnic, 151; of skills for public service work, 160–162; value of, in public workforce, 150–151; ways to embrace, in workplace, 166–169; workers with disabilities as component of, 156–158. See also Affirmative action
Downsizing: HR staff reduced by, 858; impact on older workers, 173–174; motivation undermined by, 524; new reality created by, 62, 63, 174
Drug testing: contracting out, 770, 771, 776, 778; cost of, 797; of public sector job applicants, 126; right to privacy and, 447–449
Due process, 43–45

E
Economic crisis, cost-reducing strategies during, 45–46, 858–860
E-government (e-gov), 201
E-learning, 201
Electronic communication, right to privacy and, 447
E-mail: employee policies related to, 215–219; as public record, 222, 223
Employee assistance plans (EAPs), 821, 826, 849
Employee benefits. See Benefits
Employee development, 299–322; advanced forms of learning for, 318–321; analyzing need for, 303–311; instructional methods for, 315–318; learning theory basics and, 311–314; for older workers, 187–188; organizational culture and, 330, 332; organizational perspective on, 299–302. See also Training
Employee records, IT used for, 209–210
Equal employment opportunity, 456
Equal Employment Opportunity Commission
Equal Pay Act, 159, 165, 667
Equal protection, 449–452
Equitable payment system, job evaluation, 646–647, 666
Equity theory of motivation, 537–538
Ethics, 279–297; at-will employment and, 280–283; as challenge in public HRM, 280, 283–284; codes of, 284–288; mechanisms for enforcing, 295–296; organizational guidelines and policies on, 293–295; performance appraisals assessing, 561; public concern about, in government, 279–280; in research, 736–737; training on, 289–293
Evaluation: of human capital management efforts, 38–42; in research, 737; of volunteer programs, 235, 250–253. See also Job evaluation systems
Expectancy theory of motivation, 536–537
F
Facilitation, as conflict intervention tool, 372–373
Factor comparison, job evaluation, 642, 645
Factor-point system: example of, 652–660; overview of, 645–646
Fair Labor Standards Act (FLSA): overtime pay mandated by, 437–438, 848; overview of, 437–438; volunteers and, 234, 240, 249
Family and Medical Leave Act (FMLA): leave benefits mandated by, 820, 821–822, 825; overview of, 438–440, 454n6
