List of Contributors viii
Preface xi

Part 1 Deep Brain Stimulation 1

1 Deep Brain Stimulation: Mechanisms of Action 3
   Erwin B. Montgomery Jr.

2 Overview of Deep Brain Stimulation Components 20
   Sam Eljamel

3 Deep Brain Stimulation in Parkinson’s Disease: Subthalamic Nucleus 26
   Manish Ranjan and Christopher R. Honey

4 Deep Brain Stimulation in Parkinson’s Disease: Pallidal (globus pallidus pars interna) 37
   Yasuaki Harasaki and Steven Ojemann

5 Deep Brain Stimulation of the Pedunculopontine Nucleus for Parkinson’s Disease 44
   Aviva Abosch and Amit Goyal

6 Deep Brain Stimulation in Tremor 54
   Antonios Mammis and Michael Schulder

7 Deep Brain Stimulation in Dystonia 63
   Ludvic Zrinzo

8 Deep Brain Stimulation in Epilepsy 72
   Michael G. Kaplitt

9 Deep Brain Stimulation in Obsessive Compulsive Disorders 82
   David Christmas and Loes Gabriëls

10 Deep Brain Stimulation in Treatment of Refractory Major Depression 89
    Clement Hamani and Paul E. Holtzheimer

11 Deep Brain Stimulation in Pain Syndromes 97
    Alexander Green

12 Deep Brain Stimulation in Cluster Headache 104
    Giovanni Broggi, Giuseppe Messina, and Angelo Franzini
Part 2  Vagus Nerve Stimulation  
13 Mechanism of Action and Overview of Vagus Nerve Stimulation Technology  
Sam Eljamel  
14 Vagus Nerve Stimulation in Epilepsy  
Ian Morrison  
15 Vagal Nerve Stimulation in Treatment of Refractory Major Depression  
Christine Matthews, Serenella Tolomeo, and Keith Matthews  

Part 3  Motor Cortex Stimulation  
16 Mechanism of Action and Overview of Motor Cortex Stimulation Components  
Sam Eljamel  
17 Motor Cortex Stimulation in Refractory Pain  
Giovanni Broggi, Giuseppe Messina, Roberto Cordella, and Angelo Franzini  

Part 4  Spinal Cord Stimulation  
18 Mechanism of Action and Overview of Spinal Cord Stimulation Components  
Sam Eljamel  
19 Spinal Cord Stimulation in Failed Back Surgery Syndrome  
Gail Gillespie and Pravin Dandegaonkar  
20 Spinal Cord Stimulation in Complex Regional Pain Syndrome  
Eduardo Goellner and Konstantin V. Slavin  
21 Spinal Cord Stimulation in Other Indications  
Konstantin V. Slavin and Sam Eljamel  

Part 5  Peripheral Nerve Stimulation  
22 Peripheral Nerve Stimulation in Head and Face Pain  
Konstantin V. Slavin, Serge Y. Rasskazoff, and Sami Al-Nafi  
23 Peripheral Nerve Stimulation in Pain of the Body and Extremities  
Konstantin V. Slavin, Sami Al-Nafi, and Serge Y. Rasskazoff
