Introduction, vii

Acknowledgements, xii

Features contained in your study aid, xiii

1. Cardiology, 1
   Answers, 16

2. Respiratory and sleep medicine, 43
   Answers, 53

3. Gastroenterology, 74
   Answers, 84

4. Nephrology, 105
   Answers, 114

5. Endocrinology, 129
   Answers, 138

6. Neurology, 158
   Answers, 166

7. Rheumatology, 186
   Answers, 197

8. Dermatology, 218
   Answers, 223

9. Oncology, 229
   Answers, 236

10. Infectious diseases, 250
    Answers, 257

11. Haematology, 270
    Answers, 281

12. Clinical immunology, 301
    Answers, 307

13. Clinical pharmacology, 320
    Answers, 326

14. Clinical genetics, 340
    Answers, 347
15. General medicine, geriatric medicine and other topics, 361
   Answers, 372

16. Psychiatry, 391
   Answers, 394

17. Statistics, epidemiology and research, 400
   Answers, 406

18. Intensive care medicine, 413
   Answers, 420

Index, 435
