Acad and BeCaD buildings, 45
Accident & Emergency (A&E) Department attendances, in NHS, 32–3
Achieving Excellence, 139
adjusted patient discharge (APD), 106
Advance Dental Clinic, 61, 66, 67
AEDET Evolution toolkit, 50, 220
age coefficient (ACy), 253, 254–6
annual maintenance expenditure (AME), 234–5, 240, 252, 253, 255, 259
artificial intelligence methods, 144
Arts in Health, 158
ASPECT toolkit, 220–21
asset development, 232–3
Association for Project Management (APM), 140, 141
Association of Public Health Observatories, 36
Atkinson Review, 127
Australian/New Zealand risk management standard, 140
Ballard, Glenn, 89
Bamburgh Clinic St Nicholas Hospital, 50–51
Bart's Breast Care Centre, 63
beds, classifications of, 31–2
benefit(s)
definition, 168
management, 167
mapping, 173–4
profiles, 173
segmentation, 168–9
taxonomy, 192
benefits realisation (BeReal), 122, –123, 124, 125, 127–8, 166
benefit taxonomies, 168–9
BeReal model overview, 172
benefits evaluation and reviews, 174–5
benefits management strategy and benefits realisation case, 172–3
benefits profile and high-level benefits map, 173–4
benefits realisation plan, 174
investment appraisal approaches, 177–8
usability and controlling structure, 175–7
case studies, 178–91
research methodology, 169
strategy, 170–71
techniques, 171–2
Berkeley's Project Production Systems Laboratory, 86
'BREEAM for Health' tool, 50
Brighton and Sussex University Hospitals (BSUH) 3Ts, 179, 181–2, 183, 184, 185
British Airports Authority, 72
British Standard, 140
building healthy neighbourhoods, 55
building performance indicator (BPI), 224–5, 234, 235, 241, 253, 257–8
versus normalised annual maintenance expenditure (NAME), 261, 264
Building Research Establishment (BRE), 50
Building Research Establishment Environmental Assessment Method (BREEAM), 76
built environment
definition, 152
in delivering primary healthcare, 116–19
design, quality of, 53
for health, 41–5
and health outcomes, 153–4
healthcare, improving, 1
impact on, 41–5
telecare, impact of, 131–7
Built-In Quality Plan, 96, 100
capital investment, in NHS, 20–21
Capital Investment Manual (CIM), 12, 177
capital procurement methodologies and NHS organisations, 20
capital investment, in NHS, 20–21
NHS Foundation Trusts, 24–5
NHS LIFT, 22–3
NHS Trusts, 25
Primary Care Trusts (PCTs), 26
Private Finance Initiative (PFI), 21–2
ProCure 21, 23–4
Care Quality Commission, 28
Centre for Health Design, 37
Chartered Institute of Management Accountants, 22
Chelsea and Westminster Hospital, development of, 11
City Road Surgery, 63
clinical effectiveness, 223
collaborative design and construction environment, creation of, 94–6
Commission for Architecture and the Built Environment (CABE), 42, 46, 50, 61
Committee of Public Accounts (PAC), 11, 12, 22
Community Health Partnerships (CHP), 23, 72, 79, 120, 186
