CORSINI ENCYCLOPEDIA ENTRIES xi

General Adaptation Syndrome, 793
Generalized Anxiety Disorder, 702
Genetic Counseling, 704
Genetics and General Intelligence, 706
Geriatric Psychology, 709
Germany, Psychology in, 713
Gerontology, 715
Geropsychology, 717
Gestalt Psychology, 718
Gestalt Therapy, 721
Giftedness, 723
Greece, Psychology in, 724
Giftedness, 723
Growth Curve Analysis, 728
Gross Motor Skill Learning, 727
Group Cohesiveness, 728
Growth Curve Analysis, 732
Growth Curve Analysis, 732
H
Halfway Houses, 739
Hall, G. Stanley (1844–1924), 741
Hallucinations, 742
Hallucinogen-Related Disorders, 744
Halstead-Reitan Neuropsychological Test Battery, 746
Hamilton Depression Rating Scale, 748
Happiness, 749
Haptic Perception, 750
Harlow, Harry F. (1905–1981), 752
Head Start, 753
Health Psychology, 755
Hearing Loss (See Deafness and Hearing Loss), 758
Hebb, Donald Olding (1904–1985), 758
Helplessness (See Learned Helplessness), 759
Heredity (See Nature-Nurture Controversy), 759
Heterosexuality, 759
High-Risk Participant Studies, 762
Hilgard, Ernest R. (1905–2001), 764
Hippocampus, 764
Histrionic Personality Disorder, 766
Hoarding, 769
Homelessness, 770
Homeostasis, 773
Homosexuality, 774
Hope, 774
Hull, Clark L. (1894–1952), 778
Human Development, 779
Human Factors Research, 781
Human Locomotion, 784
Humanistic Psychotherapies, 785
HumanActivity, 789
Hyperventilation, 791
Hypnosis, 792
Hypochondriasis, 794
Hypomania (See Bipolar Disorder), 795
Hypothesis Testing, 795
Hysteria (See Somatization Disorder), 797
I
Iceland, Psychology in, 799
Idealization, 799
Identity Formation, 801
Idiot Savant Syndrome, 803
Illusions (See Visual Illusions), 803
Implicit Association Test, 803
Impression Management, 804
Imprinting, 806
Impulse Control Disorders (See Fireetting; Gambling Addiction; Intermittent Explosive Disorder; Kleptomania; Trichotillomania), 807
Impulsivity, 807
Incontinence (See Encopresis; Enuresis), 809
India, Psychology in, 809
Individualism, 811
Industrial and Organizational Psychology, 812
Infantile Autism (See Autistic Disorder), 816
Infantile Sexuality (See Psychosexual Stages), 816
Inferiority Feelings (See Self-Esteem), 816
Information Processing, 816
Informed Consent, 818
Inhalant-Related Disorders, 820
Insanity (See Psychotic Disorders), 822
Insight, 822
Insight-Oriented Psychotherapy, 823
Insomnia, 826
Instrumental Conditioning, 829
Integrative Psychology, 830
Intelligence, 835
Intelligence Quotient, 835
Intelligence Testing, 839
InterAmerican Society of Psychology, 843
Interests, 844
Interference, 846
Interpersonal Explosive Disorder, 848
Internal Consistency (See Alpha Coefficient), 850
International Association of Applied Psychology, 850
International Council of Psychologists, 851
International Psychology, 852
International Society of Clinical Psychology, 854
International Test Commission, 854
Interpersonal Expectancy Effects (See Pygmalion Effect), 855
Interpersonal Perception, 855
Interpersonal Psychotherapy, 858
Interpersonal Relationships, 861
Interrogation, 863
Intervening Variables, 865
Interview Assessment, 865
Intrapsychic Motivation, 868
Introversion-Extroversion, 870
IQ (See Intelligence Quotient), 871
Irrational Beliefs, 871
Irritable Bowel Syndrome, 872
Isomorphism, 874
Israel, Psychology in, 876
Item Analysis, 878
Item Response Theory (See Item Analysis; Psychometrics), 879
J
James, William (1842–1910), 881
Japan, Psychology in, 881
Jealousy, 882
Job Stress (See Occupational Stress), 884
Job Stress Survey, 884
Jones, Mary Cover (1896–1987), 885
Jung, Carl (1875–1961), 886
Just Noticeable Difference, 886
Juvenile Delinquency, 888
Juvenile Fireetting (See Fireetting), 891
K
Kagan, Jerome (1929– ), 893
Kappa Coefficient, 894
Kaufman Adolescent and Adult Intelligence Test, 895
Kaufman Assessment Battery for Children, 897
Kinetic Family Drawing Test (See Figure Drawing Tests), 898
Kinsey Institute, 898
Kleptomania, 900
Kohler, Lawrence (1927–1987), 902
Korsakov Syndrome, 902
Kruskal-Wallis Test, 904
Language Acquisition, 905
Language Comprehension, 906
Language, Interpersonal Parameters of, 906
Late-Term Forgetting, 910
Late-Life Psychosis, 910
Latency Stage (See Psychosexual Stages), 912
Latent Class Analysis, 912
Latent Inhibition, 914
Latin Square Design, 915
Law and Psychology (See Psychology and the Law), 917
Learned Helplessness, 917
Learning Curves, 919
Learning Disabilities, 919
Learning Theories, 922
Lebanon, 924
Lewin, Kurt (1890–1947), 926
Libido, 927
Lie Detection, 928
LifESPAN Depression, 930
Likert Scales, 932
Limbic System, 933
Linear Regression, 935
Linguistics (See Psycholinguistics), 938
Loevinger, Jane (1918–2008), 938
Amnesia; Dementia; Late-Life Forgetting), 938
Lifestyle, 938
Logistic Regression, 939
Loneeliness, 942
Long-Term Potentialization, 944
Longitudinal Studies, 946
Loose Associations, 947
Love, 948
LSD (See Hallucinogen Related Disorders), 950
Luria, Alexander Romanovich (1902–1977), 950
Luria, Nebraspa Neuropsychological Battery, 951
M
Manic-Depressive Disorder (See Bipolar Disorder), 960
Mann-Whitney U Test, 960
Man Inhibitors (See Antidepressant Medications), 961
Marcasus (See Failure to Thrive), 961
Marijuana (See Cannabis-Related Disorders), 961
Marital Discord, 961
Marriage Counseling, 963
Masculinity, 964
Maslow, Abraham (1908–1970), 966
Masochism, 967
Masochistic Personality (See Sadomasochistic Personality), 969
Masturbation, 969
Mathematical Psychology, 971
McNaughton Rule, 974
Meahl, Paul E. (1920–2003), 976
Megalamania, 977
Melancholia (See Major Depressive Disorder), 977
Memory Disorders (See Alzheimer’s Disease; Amnesia; Dementia; Late-Life Forgetting), 977
Memory Functions, 977
Menopause, 980
Menstruation, 981
Mental Imagery, 983
Mental Measurements Yearbook (See Buros Mental Measurements Yearbook), 985
Mental Retardation, 985
Mental Status Examination, 988
Meta-Analysis, 990
Mexico, Psychology in, 992
Midlife Crisis, 993
Millgram, Stanley (1933–1984), 994
Military Psychology, 995
Miller, Neal E. (1909–2002), 999
Mills Clinical Multiphasial Inventory, 999
Mindfulness (See Mindfulness-Mindfulness), 1001
Mindfulness-Mindfulness, 1001
Minimal Brain Dysfunction (See Attention-Deficit Hyperactivity Disorder), 1003
Minnesotamultiphasic Personality Inventory, 1003
Minnesota Multiphasic Personality Inventory—Adult, 1006
Minnesota Multiphasic Personality Inventory—Adolescent, 1006
Missing Data, 1007
Mob Psychology, 1009
Modeling, 1010
Mood Disorders, 1012
Mood Stabilizing Medications (See Antidepressant Medications), 1012
Mood Stabilizing Medications, 1014
Moods (See Emotions), 1018
Moral Development, 1018
Moral Treatment, 1020
Morality, 1021
Morphology, 1023
Motion Parallax and Structure from Motion, 1025
Motion Perception, 1027
Motivation, 1029
Motivational Interviewing, 1031
Motor Control, 1034
Motor Skill Learning (See Gross Motor Skill Learning), 1035
Motor Skill Learning (See Gross Motor Skill Learning), 1035
Structured and Semistructured Interviews, 1717
Structured Clinical Interview for DSM Diagnosis, 1719
Structured Interview of Reported Symptoms, 1721
Student's t Statistic, 1723
Suicidal Behavior among Youth, 1729
Sublimation, 1724
Subliminal Perception, 1725
Substance Use Disorders (See Drug Addiction), 1727
Successive Approximation, 1727
Suicidality, 1732
Sullivan's Interpersonal Theory, 1734
Superego, 1736
Superiority Feelings (See Self Esteem), 1736
Supportive Psychotherapy, 1736
Supportive-Expressive Therapy, 1739
Symbiosis, 1741
Sympathetic Nervous System, 1742
Symptom Checklist-90-Revised, 1743
Synapses (See Excitatory and Inhibitory Synapses), 1745
Synesthesia, 1745
Systematic Desensitization, 1745
Systems and Theories, 1748
Tactile Sensation, 1751
Task Design, 1752
Taste Aversion Learning, 1753
Taxometric Methods, 1755
Telephone Counseling, 1756
Temperament, 1758
Transference, 1797
Transpersonal Psychology, 1800
Transsexualism, 1802
Trauma Psychology, 1803
Trauma Symptom Inventory, 1805
Traumatic Brain Injury (See Brain Injuries), 1807
Trichotilomania, 1807
Tricyclic Antidepressants, 1808
Trust, 1810
Turkey, Psychology in, 1812
Type I Errors (See Errors, Type I and Type II), 1816
Type II Errors (See Errors, Type I and Type II), 1816
Unconscious Mind, 1817
Underachievement, 1819
Unstructured Clinical Interviews, 1821
Validity, 1827
Variables in Research, 1828
Visual Illusions, 1838
Visual Impairment, 1840
Vocational Counseling, 1841
Vocational Rehabilitation, 1844
Vocational Testing, 1845
Voyeurism, 1847

Vygotsky, Lev Semenovich (1869–1934), 1848
W
Watson, John B. (1878–1958), 1849
Weber's Law, 1850
Wechsler, David (1896–1981), 1850
Wechsler Intelligence Tests, 1851
Weight Control, 1854
Wertheimer, Max (1880–1943), 1856
Wide-Range Achievement Test, 1857
Wide-Range Assessment of Memory and Learning, 1858
Wisdom, 1860
Witmer, Lightner (1861–1956), 1863
Woodcock-Johnson III: Test of Cognitive Abilities and Achievement, 1863
Woodworth, Robert Sessions (1869–1962), 1865
Workplace Violence, 1866
Wundt, Wilhelm (1832–1920), 1868
Y
Yerkes, Robert Mearns (1876–1959), 1869
Z
Z-Score, 1871
Zeigarnik Effect, 1873

Brief Biographies, 1875
Author Index, 1901
Subject Index, 1929
