Page references followed by fig indicate an illustrated figure; followed by t indicate a table.

A
Abstract, 285–286
Accountability, 87
Accuracy, 93–94, 109–110
Acknowledgments, 283
Action plan, 97t
Action stage, 73
Administrative capacity: influence of, 59–60; for support, 73
Advisory team, 318, 340
Advocacy, 71
Affordable-produce goal, 300t
African American women: diabetes among, 295; exercise habits of, 297; health of, 309; obesity among, 291; surveys of, 310
Agreements, 341
Alpha level for statistical significance, 253
