About the Authors xvii

1 An Introduction to Financial Statements 1
   The three principal financial statements 3
   Other items in the annual report 8
   Generally Accepted Accounting Principles: the rules of the game 12
   The barriers to understanding financial statements 12
   Key lessons from the chapter 15
   Key terms and concepts from the chapter 16
   Questions 16
   Problems:
      1.1 Balance sheet terminology 17
      1.2 Understanding balance sheet relationships 19
      1.3 Interpreting an auditor’s opinion 19
   Case studies:
      1.1 Apple: an introduction to financial statement analysis 21
      1.2 PepsiCo: communicating financial performance 26
   Notes 30

2 The Balance Sheet and Income Statement 31
   A further look at the balance sheet 31
   Assets 32
   Liabilities 35
   Shareholders’ equity 36
   A further look at the income statement 37
   Other things you should know about the balance sheet and the income statement 38
Key lessons from the chapter | 41
Key terms and concepts from the chapter | 41
Questions | 42
Appendix 2.1 The mechanics of financial accounting: the double-entry system | 42
Problem
   2.1 Preparing a balance sheet and an income statement | 53
Case study:
   2.1 JanMar Fabrics: preparing the balance sheet and income statement | 54

3 A Brief Overview of GAAP and IFRS: the Framework for Financial Accounting | 56
   The core principles of GAAP and IFRS | 56
   The key characteristics of financial information | 58
   The key assumptions of financial information | 59
   Modifying conventions | 59
   The future of financial reporting | 60
   Key lessons from the chapter | 61
   Key terms and concepts from the chapter | 62
   Questions | 62

4 Revenue Recognition | 64
   Introduction | 64
   Definition: what is revenue? | 65
   Revenue-recognition principles | 66
   When does revenue recognition occur? | 67
   Revenue recognition: the journal entries | 67
   More on long-term contracts | 68
   Revenue-recognition controversies | 72
   Revenue recognition: a checklist | 75
   The future of revenue recognition | 75
   Key lessons from the chapter | 77
   Key terms and concepts from the chapter | 77
   Questions | 77
   Problems:
      4.1 Revenue recognition at and after time of sale | 78
      4.2 The percentage-of-completion method | 79
      4.3 Journal entries for gift cards | 79
      4.4 The percentage-of-completion method | 80
      4.5 Revenue recognition in different types of businesses | 80
# 5 The Statement of Cash Flows

## Introduction

The reporting of cash flows from operations

Preparing the statement of cash flows

Does the statement of cash flows tell us anything new?

IFRS and the statement of cash flows

Analyzing the statement of cash flows

Key lessons from the chapter

Key terms and concepts from the chapter

Questions

Problems:

5.1 Interpreting the statement of cash flows

5.2 Adjustments on the statement of cash flows

5.3 Preparing and analyzing a statement of cash flows

5.4 Interpreting the role of accounts payable in cash flow from operations

5.5 Manipulating the statement of cash flows

5.6 Analysis of the statement of cash flows

5.7 Cash flow and credit risk

5.8 Preparing and interpreting the statement of cash flows

Case studies:

5.1 Blockbuster Inc.: movie rentals, profits, and operating cash

5.2 Monahan Manufacturing: preparing and interpreting a statement of cash flows

5.3 A tale of three companies: cash flows at Sun Microsystems, Wal-Mart, and Merck

5.4 Inditex: analyzing the statement of cash flows

Notes
CONTENTS

A brief digression on inventory 162
ROE and the analysis of financial risk 164
Key lessons from the chapter 172
Key terms and concepts from the chapter 173
Questions 174
Appendix 6.1 An industry and competitive analysis of SAP Group 175
Appendix 6.2 Summary of financial statement ratios 177
Problems: 179
  6.1 Financial statement detective exercise 179
  6.2 Effects of transactions on selected balance sheet figures 183
  6.3 Calculating and interpreting PPE turnover ratios 184
  6.4 Financial statement detective exercise in the pharmaceutical industry 185
  6.5 Comprehensive financial ratio analysis 187
  6.6 Profitability analysis for The Home Depot 189
  6.7 Comparative analysis of receivables and inventories 190
Case studies: 191
  6.1 Profitability analysis and WalMart’s suppliers 191
  6.2 LVMH and Warnaco: strategy and financial statement analysis 192
Notes 198

7 Business Valuation and Financial Statement Analysis 200
Valuation principles 200
Valuation: from theory to practice 201
The economic profit approach to valuation 203
A case study in valuation: SAP Group 205
A brief word on growth rates 209
Relative valuation 209
Key lessons from the chapter 212
Key terms and concepts from the chapter 212
Questions 213
Problems 213
  7.1 Estimating the value of Home Depot 213
  7.2 Explaining differences in p/e ratios 214
  7.3 Explaining differences in p/e ratios 215
Case study: 215
  7.1 Valuation based on discounted cash flows: the case of Vardon Golf Ltd. 215
Notes 217
8 Accounting for Receivables and Bad Debts

Introduction
Estimating bad debts
Writing off accounts
The direct method: an alternative approach
What happens when written-off accounts are later collected?
The “aging” of accounts receivable
Sales returns and allowances
Analyzing receivables
Key lessons from the chapter
Key terms and concepts from the chapter
Questions
Appendix: 8.1 Accounting for loan loss reserves
Problems:
8.1 Bad debts on loans receivable
8.2 Determining bad debt expense from an aging schedule
8.3 Analyzing receivables and the allowance for doubtful accounts
8.4 Provisions for credit losses
Case studies:
8.1 Receivable and bad debts at Toyota
8.2 Johnson Perry
8.3 Citigroup Inc.: accounting for loan loss reserves
Notes

9 Accounting for Inventory

Introduction
Inventory valuation: LIFO, FIFO, and the rest
The lower of cost or market rule
The cost-flow assumptions: an example
Inventory cost-flow assumptions: a summary
Key lessons from the chapter
Key terms and concepts from the chapter
Questions
Problems:
9.1 Calculating inventory under the FIFO and average-cost methods
9.2 Inventories and ratio analysis
9.3 Correcting inventory errors
9.4 The lower of cost or market rule
9.5 Calculating cost of goods sold under FIFO and specific identification
Case studies:
  9.1 LIFO accounting at Tamar Chemicals 266
  9.2 Deere and CNH Global: performance effects of inventory accounting choice 267
Notes 274

10 Accounting for Property, Plant and Equipment 275
  Introduction 275
  Initial recognition of PP&E 277
  Subsequent expenditures: repair or improvement? 277
  Accounting for depreciation 278
  Changes in depreciation estimates or methods 280
  Asset impairment 281
  Fair value vs. historical cost 283
  Divestitures and asset sales 284
  Intangible assets 284
  Key lessons from the chapter 286
  Key terms and concepts from the chapter 287
  Questions 287
  Problems:
    10.1 Comparing the effects of depreciation choice on financial ratios 288
    10.2 Analyzing depreciation on PP&E 289
    10.3 Calculating and analyzing amortization expense 290
    10.4 Calculating depreciation expense 292
    10.5 Effects of changes in estimates on depreciation expense 292
    10.6 Interpreting disclosures for property, plant and equipment 292
    10.7 Capitalizing or expensing costs 296
    10.8 Journal entries for depreciation and amortization expense 297

11 Leases and Off-Balance-Sheet Debt 298
  Introduction 298
  Capital vs. operating leases 298
  Accounting for capital leases 300
  Accounting for operating leases 301
  Lease accounting: an example 301
  Interpreting lease disclosures 303
  Off-balance-sheet debt 305
  Key lessons from the chapter 306
  Key terms and concepts from the chapter 306
  Questions 307

## 12 Accounting for Bonds

| Introduction | 312 |
| Accounting for bond issuance | 313 |
| Accounting for bonds sold at par | 314 |
| Accounting for bonds sold at a premium | 315 |
| Bond redemption before maturity | 317 |
| Accounting for bonds issued at a discount | 319 |
| Zero-coupon bonds | 321 |
| Key lessons from the chapter | 323 |
| Key terms and concepts from the chapter | 323 |
| Questions | 323 |
| Problems: | | 324 |
| 12.1 Journal entries and balance sheet presentation for bonds | 324 |
| 12.2 Amortization of bond discount and premium | 325 |
| 12.3 Journal entries for bond issuance and subsequent interest payments | 325 |
| Note | 326 |

## 13 Provisions and Contingencies

| Introduction | 327 |
| Defining provisions | 328 |
| Measuring the provision | 329 |
| Disclosure of provisions: interpreting the notes | 329 |
| Contingent liabilities | 331 |
| Contingent assets | 334 |
| The future | 334 |
| Key lessons from the chapter | 335 |
| Key terms and concepts from the chapter | 335 |
| Questions | 335 |
| Problems: | | 336 |
| 13.1 Accounting for warranties | 336 |
| 13.2 Analyzing and interpreting disclosures on the provision for warranties | 337 |
Case studies:
13.1 Accounting for contingent assets: the case of Cardinal Health 337
13.2 Firestone Tire and Rubber Company (A) 340
13.3 Firestone Tire and Rubber Company (B) 343
Notes 345

14 Accounting for Pensions 346
Introduction 346
A brief word on defined contribution plans 346
Defined benefit plans 347
Unfunded defined benefit plans 347
Funded defined benefit plans 348
American Airlines: an example of defined benefit plan disclosure 354
Key lessons from the chapter 357
Key terms and concepts from the chapter 357
Questions 357
Case study:
14.1 Comprehensive pension review problem: Cathay Pacific 358
Note 362

15 Accounting for Income Tax 363
Introduction 363
Temporary and permanent differences 364
Deferred taxes and the balance sheet approach 366
The balance sheet approach: an example 366
Interpreting income tax disclosures: the case of Intel Corporation 369
Why deferred income tax is important 374
Key lessons from the chapter 375
Key terms and concepts from the chapter 376
Questions 376
Problems 377
15.1 Calculating temporary and permanent differences 377
15.2 Interpreting income tax disclosures 377
15.3 Deferred income taxes and the statement of cash flows 378
Case study
15.1 Deferred tax assets and the valuation allowance: the case of Ford Motor Company 380
Notes 385
