Subject Index
Volume 43

Banana:
  diseases & pests, 321–341
  production future, 311–350
  Botanical garden history, 269–310

Chayote, origins and dispersal, 89–143

Dedication, Chad E. Finn, xiii–xvii

Disease, banana, 321–341

Fruits:
  banana production future, 311–350
  organic research, 185–267

History, botanical gardens, 269–310

Insects, banana, 321–341

Jacobaea vulgaris, see Ragword

Light-Emitting Diodes, 1–87
LED lights, 1–87

Medicinal crops: ragwort, 145–183

Nutrition (human), organic horticulture, 207–214

Organic horticulture, trends in research, 185–267

Pest control, banana, 321–341

Ragwort, 145–183

Senecio jaboaea, see Ragwort

Sicyos edulis, see Chayote

Vegetable crops:
  Chayote, 89–143
  organic research, 185–267

Weeds, ragwort, 145–183
