Town gas 390
Trace elements 70, 194
Transportation 69, 115, 449, 529
Truck transportation 119
True density 218
Tumbler 97
Turbine 5, 455, 213, 279, 283, 319, 334, 356, 602
Types of coal 14, 38

U-gas process 427
Ultimate analysis 187, 188
Under-feed stoker 329
Underground gasification 397, 437
   Borehole producer method 439
   Chamber method 440
   Shaftless method 440
   Stream method 441
Underground mining 12, 77
Undiscovered reserves 31
Unit train transportation 116
Up-draft combustion 327
Utilization 14

Venture scrubber 501
Vitrinite group 61, 135
Vitrinite reflectance 16, 61
Vitrodetrinite 61, 64
Volatile matter 16, 50, 177

Washability processes 104
Waste 547, 582
Waste heat 570
Water clarification 103
Water gas 390
Water gas shift reaction 388
Water treatment 526
Wellman-Galusha gasifier 413
Wellman Galusha process, agitated 412
Wet bottom boiler 265, 558, 564
Wetting 86
Winkler process 428
Woodall-Duckham process 414
World energy demand 7
