INDEX

A
Abuse, 239–242
ACA. See Affordable Care Act
Accountability, 529, 627; defined, 531
Accountable care organizations (ACOs), 5, 8, 20, 627; credit lines established by, 214; Medicare assessment of, 591; in population-based payment, 590–591; shared savings and risk model, 591; shared savings model, 591
Accounting: accrual basis of, 105–109, 486, 518–519, 627; basic equations, 33; cash basis of, 105–109, 630; cost-accounting systems, 14; Dunhill Health System, 95–102; fraud, 109
Accounts payable, 45, 114
Accounts receivable, 114; assets, 463; as collateral, 237; factoring, 236–237; financing methods, 236–237; LPP, 463; management, 233–237; metrics, 240; monitoring, 234–236; net days in, 151, 152
Accrual basis of accounting, 518–519, 627; cash flows and, 106–109; defined, 105; operating budgets and, 486
Accrued expenses, 45
Accumulated depreciation, 117, 627; defined, 42
Acid test ratio, 154; benchmarks, 160; Newport Hospital, 155
ACOs. See Accountable care organizations
Acquisitions, 15–16; break-even analysis, 458–463; expense, 463; expenses, 463; LPP, 463; practice, 458–463
Activity, 411; controlling, 470; financing, 70, 73, 125; implementing, 468–470; operating, 70, 71, 125
Activity ratios, 146, 172–175; Newport Hospital, 176; of responsibility centers, 531; selected, 172
Activity-based costing, 559–571, 627; approach, 564; basic data, 566–567; calculation in, 566; conventional costing compared to, 566–569; cost per unit in, 568; data for, 576–577; defined, 560; intermediate products and, 562
Add test ratios, 152
Administrative cost allocation, 555–557
Administrative cost centers, 525, 627
Administrative cost ratios, 182
Administrative & general expense (A&G) budget, 516; constructing, 517; developing, 518
Administrative profit centers, 527
Admissions: outpatient visits and, 598; relative value weights for, 502
Aetna, 183
Affordable Care Act (ACA), 1, 6, 241, 643; consumers in, 11; minimum benefits package, 7; P4P designs and, 581; planning and, 466
A&G budget. See Administrative & general expense budget
Age of plant ratio, 174; Newport Hospital, 175
Aggressive approach, 211
Aging population, 9–10
Aging schedule, 234, 627
AHIMA. See American Health Information Management Association
Alexian Brothers Health System, 364
Allen Community Hospital, 199
Allocation base, 627; common, 554
Allowable costs, 621, 627
Allowance for doubtful accounts, 37, 119
Allowance for uncollectibles, 119
AMBAC, 382
Ambulatory care clinic, budget variance for, 532
Ambulatory payment classifications (APCs), 20, 592, 628; conversion factors, 598; defined, 597; provider payment mechanisms, 597–599
Ambulatory Surgery Centers (ASCs), 528; copayments, 604
American College of Physicians, 414
American Health Information Management Association (AHIMA), 22

COPYRIGHTED MATERIAL
American Medical Association, 595
American Society for Healthcare Engineering, 303
Amortization, 628; defined, 404; as expense, 61; of goodwill, 313; schedule, 405; of term loan, 403–404
Analytical methods, capital investment, 306–320; NPV, 310–317; payback method, 308–311
Annotated balance sheet, 32
Annual cash flows, 337–339
Annuities, 628; defined, 270; future value factors of, 271; future value of, 270–275; ordinary, 270–271, 273–274, 643; perpetual, 279–280, 645; present value of, 270–275, 645; tables, 271, 273
Annuity due, 628; future value of, 271–273; present value of, 274–275
Anthony, Gary, 469
Anti-Fraud and Abuse Amendments, Medicare-Medicaid, 239
APCs. See Ambulatory payment classifications
Approximate interest rate, 220, 628
Arrangements, purchasing, 389–392
ARS. See Auction rate securities
ASCs. See Ambulatory Surgery Centers
Asset mix strategy, 628; aggressive approach, 211; conservative approach, 212; defined, 211
Assets, 28, 36, 628; in balance sheet, 34–44, 120; current, 34–39, 633; defined, 33; limited as to use, 37, 39–40, 96, 120; long-lived, 43, 63, 640; long-lived unrestricted net, 64; long-term, 39–42; LPP, 463; net, 65–67, 123–124, 168–169, 170; noncurrent, 39–42, 642; other, 44; permanently restricted, 49, 68; restrictions on, 49; right of use, 389, 648; temporarily restricted, 49, 67; total asset turnover ratio, 172–173; valuation of, 463; in working capital strategies, 211–212.

Statistics budget, 649; commercial payor, 481–482; developing, 499–500; Medicaid, 483; Medicare, 482; volume projections in, 499; weighted encounters in, 500; ZMG Hospitalist Practice, 482
Steerage, 610, 649; defined, 609
Step-down method, 552–559, 649; administrative cost allocation in, 555–557; continuum of care and, 559; defined, 552; fully allocated cost, 558–559; laboratory cost allocation in, 557–558; statistics computation, 553; steps in, 555
Step-fixed costs, 415, 649
Steward Health Care System, 361
Stock, debt financing compared to, 363
Stockholders’ equity, 28, 30, 33, 48, 49, 649; in LifePoint Hospitals, Inc., 94
Stop-loss, 649; in case rate, 608; defined, 607
Straight-line depreciation, 321, 650
Strategic decisions, 650; budgets and, 468; defined, 301
Strategic planning, 465–468, 650
Subcapitation arrangement, 429, 650; defined, 614
Subcapitation rate, PMPM, 430
Subordinated debenture, 373
Substandard bonds, 380
Sunk costs, 335–336, 650
Supplies, 38–39, 114; expense, 115. See also Equipment
Supplies budget: beginning inventory in, 515; cost of goods used in, 515; developing, 515–518; ending inventory in, 515; fixed, 515, 636; RVU in, 515; variable, 515, 651
Supply chain, 650; defined, 491; GPOs and, 491; management, 491, 650
Surgicenter, 527
Sustainable growth rate (SGR), 601; history of, 602
Swift Community Hospital, 198
Tangible factors, 466
Target costing, 425, 650
Tax exempt bonds: for health care debt financing, 374–375; issuance, 376
Tax Reform Act, 363
Tax Relief and Health Care Act, 19
Taxable bonds, 375
Taxes: capital budgeting decisions and, 344–347; for-profit entities and, 344–347; shields, 389, 650
Index

Uninsured: number of, 6; uncompensated care costs for, 7
Unit-based payment systems, 620–621
Unrealized gains, 64
Unrestricted net assets, 48; changes in, 67; long-lived, 64; in statement of operations, 123
Unrestricted revenue, 53–61; not-for-profit health care entities, 57; in statement of operations, 123
Unusual criteria, 65
Usage fee, 113
Use, meaningful, 14
Utility cost allocation, 554
Utilization rates, 431
