## Index

12-step programs, 3–4, 30  
accreditation, 187, 191–3  
*Achieving the Promise: Transforming Mental Health Care in America*, 5  
ADA (Americans with Disabilities Act), 60  
advance crisis planning tools, 38  
advance directives. See Psychiatric Advance Directives (PADs)  
Agency Self-Assessment on the Involvement of Service Users and Family Members/Significant Others in Quality Improvement Activities, 165  
Americans with Disabilities Act (ADA), 60  
Anthony, William, 28  
assessments. See strengths-based assessments  
autonomy. See empowerment; self-determination  
barriers, 122–4, 158  
Bazelon Cener for Mental Health, 61  
*Blueprint II: Improving Mental Health and Well-Being for All New Zealanders*, 6  
Boston University Center for Psychiatric Rehabilitation, 2  
boundaries, 29  
Brief Recovery Assessment Scale, 160  
*Building Your Circle of Support*, 62–3, 92, 110–111  
CAI (Competency Assessment Instrument), 163  
case formulations, 77–9  
  
case studies and examples, 14–18, 77–9, 132–3, 135–9, 142–5  
change, stages of, 40–42, 44  
*Changing Directions, Changing Lives*, 6  
Circle of Supports, 62–3, 92, 110–111  
civil rights, 24–5, 58–62, 183–4  
coaching, 156–7  
commissioning, 187  
community connections, 34–7, 43–4, 60, 107–108. See also relationships  
*Compendium of Recovery Measures*, 159  
Competency Assessment Instrument (CAI), 163  
compliance, 4–5, 26  
concurrent documentation, 153–4  
continuous quality improvement (CQI), 155–160, 162–3  
Copeland, Mary Ellen, 54  
Council on Quality and Leadership (CQL), 159–160  
crisis management, 189–91  
*Cross-Cutting Principles*, 7  
cultural values, 26, 39–40, 44, 57, 75–6, 152  
cures, 7  
Deegan, Pat, 28–9, 31, 80, 194  
Description, Analysis, and Plan (DAP) notes, 150–151  
diagnoses, 28, 31–2  
discrimination, 60, 61  
documentation. See also strengths-based assessments  
examples, 132–45  
goals and, 116–22  
interventions and, 129–130
