About the Authors xxi

1 CBT Training and Supervision: An Overview 1
John Ludgate

- Historical Roots of CT Training and Supervision 1
- Current Training Opportunities 6
- Classification and Review of Training Programs 8
- Effectiveness of Training 13
- Best Practices for Training 15
- Best Practices for Supervision 15
- Some Distinctive Features of CBT Training and Supervision 16
- Future Directions for CBT Training and Supervision 19
- Summary 20
- References 21

2 Core Competencies in Cognitive Behavioral Therapy Training 25
Donna M. Sudak

- What Are Competencies? 26
- Existing Competency Frameworks 26
- The British Association of Behavioural and Cognitive Psychotherapies (BABCP) Core Curriculum 28
- Essential Competencies in CBT Training 30
- Teaching Methods 31
- Summary 34
- Learning Exercises 34
- References 35
CONTENTS

3 Empirically Supported Educational Methods 37
   R. Trent Codd III
   Primary Findings 38
   Other Important Considerations 52
   Interventions Pending Further Study 58
   Summary 61
   Learning Exercises 61
   Notes 61
   Resources for Further Study 62
   References 64

4 Measures of Competence in Cognitive Behavioral Therapy 67
   Donna M. Sudak
   Measures of Evaluation of Competence in CBT and Evidence for Their Reliability and Validity 68
   Assessment of Case Conceptualizations 70
   Scoring the Cognitive Therapy Scale 73
   Accreditation as a CBT Provider 80
   Summary 81
   Learning Exercises 81
   References 82

5 Feedback in Cognitive Behavioral Therapy Training 85
   Donna M. Sudak
   Feedback and Skill Training 86
   Providing Formative Feedback 86
   Adult Learning and Feedback 87
   Providing Summative Feedback (Did You Reach the Goal?) 87
   When Feedback Sessions Go Wrong 89
   Why Don’t We Like to Give Feedback? 90
   Problematic Trainees 90
   Competence Is Insufficient: Addicting Trainees to Lifelong Learning 92
   Summary 94
   Learning Exercises 94
   References 94
6 Teaching CBT for Specific Disorders 97
Leslie Sokol and Marci G. Fox

Teaching CBT for Depression 97
Teaching CBT for Anxiety Disorders 102
Teaching CBT for Personality Disorders 109
Learning Exercise 112
Teaching CBT for Substance Abuse 113
Teaching CBT for Serious Mental Illness 116
Summary 119
References 119

7 Technology in CBT Training and Supervision 121
R. Trent Codd III

Technological Applications for Supervision 121
Technological Applications for Instruction 122
Ethical and Legal Contexts 125
Other Considerations When Selecting Technology 128
Additional Factors 129
Summary 131
Learning Exercises 131
Notes 131
Reference 131

8 Graduate Training 133
Robert Reiser and Derek L. Milne

Problems with Graduate Training in CBT 134
Summary 134
Learning Exercises 134
References 134

9 CBT in Psychiatry Residency Training 145
Donna M. Sudak

History of CBT Training in Psychiatric Residencies 146
Understanding Residency Training 146
Problem Areas in Training Psychiatry Residents in CBT 148
Planning Training in CBT in Psychiatric Residencies 152
Faculty Development 156
Summary 157
Learning Exercises 157
References 157
CONTENTS

10 Continuing Education for Therapists in Practice 159
   John Ludgate

  Background and Evolution of CBT Training for Therapists 160
  Current CBT Training Options 161
  Considerations for Practitioners Evaluating Training Options 164
  Effectiveness of CBT Training for Therapists 166
  Review of Trainings Studies 170
  Designing Training 172
  Summary 177
  Learning Exercises 178
  References 180

11 Training and Supervising Nontraditional Care Providers 183
   R. Trent Codd III and John Ludgate

  Nontraditional Groups 185
  Designing Training for Nontraditional Groups 186
  Training Design Process 188
  Training Methods 189
  Evidence Base for Training Nontraditional Groups in CBT 193
  Conclusions from the Evidence Base 196
  Best Practices for Training 198
  Summary 203
  References 203

12 Evidence-Based Supervisory Practices in CBT 207
   Derek L. Milne and Robert Reiser

  What Are the Evidence-Based Supervisory Practices in CBT? 208
  Evidence-Based CBT Supervision Practices 209
  Setting the Stage for Competency-Based Supervision 209
  Facilitating Experiential Learning: The Initial Effects of Supervision 218
  Summary 219
  Learning Exercises 220
  References 223

13 Training CBT Supervisors 227
   Leslie Sokol and Marci G. Fox

  The Supervisory Experience 227
  Nuts and Bolts of Supervision 231
14 Self-Management in CBT Training and Supervision

John Ludgate

Extent of the Problem 243
Consequences of Therapist Distress and Burnout 244
Reasons for Inadequate Self-Care 244
Predictors of Distress Reactions 245
CBT as a Method of Self-Management for Therapists 246
Illustrations of the CBT Model 252
Improved Self-Care for Therapists 254
Training and Supervision Implications 254
Summary 258
Learning Exercises 259
References 261
