Notes on Editors, ix
List of Contributors, xi
Preface to the Series, xiii
Preface, xvi
Acknowledgements, xix

Section I: Introduction
1 Time-Dependent Measures of Perception: An Introduction, 3
  Joanne Hort, Tracey Hollowood and Sarah E. Kemp

Section II: Physiological and psychological aspects of time-dependent sensory perception
2 Mastication, Salivation and their Interactions during Eating, 27
  Guy Carpenter and Annie Blissett
3 Sensory-Specific Satiation and Satiety, 48
  Marion M. Hetherington, Samantha Caton and Chandani Nekitsing
4 Sensory Adaptation, 67
  Louise Hewson and Amparo Tarrega
5 Sensory Memory, 88
  Ep Köster and Jos Mojet
6 The Dynamics of Liking, 124
  Jos Mojet and Ep Köster

Section III: Techniques
7 General Considerations, 159
  Erminio Monteleone and Caterina Dinnella
8 Time–Intensity Using Discrete Time Points, 182
  Carla Kuesten
9 Continuous Time–Intensity, 237
  Carolina Chaya
10  Dual-Attribute Time–Intensity, 267  
   *Christopher J. Findlay*

11  Temporal Dominance of Sensations, 283  
   *Pascal Schlich and Nicolas Pineau*

12  Multiple-Ingestion Time–Intensity, 321  
   *Linda Jamieson and Emma Wantling*

**Section IV: Applications**

13  Application of Time-Dependent Measures to Food Products, 345  
   *Nathalie Martin*

14  Temporal Methods for Assessment of Household and  
   Personal Care Products, 362  
   *Tracey Sanderson and Tracey Hollowood*

15  Application of Time-Dependent Measures to Understand Sensory  
   Perception, 388  
   *Joanne Hort*

**Section V: Summary**

16  Summary, 401  
   *Joanne Hort, Tracey Hollowood and Sarah E. Kemp*

Index, 417
