Introduction
What is 3D-Printed Body Architecture?
Neil Leach

Curating the Digital
An Interview with MoMA’s Paola Antonelli
Neil Leach

Dermi-Domus
A Grown Wardrobe for Bodies and Buildings
Neri Oxman

Interactions
Dialogues on Body, Protections and Derivatives
Niccolò Casas

Digitally Crafted Couture
Julia Koerner

Dress/Code
Democratising Design Through Computation and Digital Fabrication
Jessica Rosenkrantz and Jesse Louis-Rosenberg

Mass Customisation
Designed in China, Produced Globally
Steven Ma

Reinventing Shoes
United Nude
Rem D Koolhaas

Nervous System, Kinematics
Petals Dress #1, Museum of Fine Arts, Boston, 2016

Micromechanical Assemblies and the Human Body
Francis Bitonti

About the Guest-Editors
Neil Leach and Behnaz Farahi
