## Documentation
- forms, 297
- purpose, 297–298

### E
- Economic damages, 50–52
- Effectiveness, increase (value), 318
- Empathy, assertiveness (confusion), 120
- Empowerment, 232
- Ethics, 181–182
- Expectations, contract (impact), 65
- Experience, role, 25–27
- Expert negotiators
  - agreement, conclusion, 138
  - behavior, avoidance, 197–203
  - communication behaviors, 165
  - fees, ranges (development/usage), 146–147
  - function, 127–128
  - options, usage, 137
  - preparation time, 129–130
  - testing/summarizing, usage, 194–195
- Exposure, 73. See also Capability, authority/power, responsibility, and exposure
  - assignation, contract (usage), 65
  - concept, 68–70
- External information, communication, 189

### F
- Feedback, 173–175
- Fees
  - architect perspective, 141–142
  - client issues, 153–154
  - client perspective, 142
  - development, 151–152
  - enlargement, 152–154
  - expense, client perspective, 154–156
  - issue, discussion, 142–144
  - meaning, 141
  - negotiation, 140–144
  - operational theory, 144–147
  - ranges, 149–150
  - setting, research (impact), 146–147
- Filtering meeting, 209–212
  - communication behaviors, application, 217
  - impact, 211–212
Firm stability, 31–32
Firm standards, 55
Front-end alignment, 18
  core necessities, 24
  knowledge, development, 328–332
  necessity, 35
  securing, importance, 38
  usage, explanation, 37–44
Full disclosure, 304

G
Game theory, resources, 337
Goodwill, building, 236
Group leaders, 222–223,
Guilt, handling, 304–305

H
Hard negotiation/negotiators, 97, 100–101
Haviland, David S. (research), 17
Holding harmless, 262

I
Indemnification clause, 261–267
  impact, 265–266, 268
Indirect liability, 60–61
Information, disclosure, 189–190
Initiating
  brainstorming, relationship, 215–216
  communication behavior, 166, 168
  usage, 170–171
Integrated Project Delivery (IPD), 25, 52
Interest-based negotiation, 101
  control, 117–118
Interests
  focus process, 118
  identification, 107–108
  knowledge, 106–110
    importance, 118
    location, 111–112
    projection, 119–122
    secret, problems, 121–122
Interior design, 244
Internal information, reliance, 189

Index 345
Irritators, 202–203
Issue planning, 136–140

J
Job performance, time allowance, 34
Joint and several liability, 62

L
Labor division, comfort (necessity), 26
Law, stereotyping, 301–303
Lawsuits, impact, 303–309
Lawyers, selection, 326–328
Legal language, 7–8
Legal practice, 9–10
Legal schematic, 64
Letter agreement, signing, 135–136
Leverage
power, difference, 92–93
usage, 89
Liability
absence, 12
impact, 60–63
Licensing laws, 54–55
Limit of Liability (LoL), 265
 clauses, 269–270
Listening, importance, 194–196, 290–291
Long-term issues, expert negotiator planning (concentration), 138–140
Long-term problems (solution), negotiation (usage), 128

M
Marketing, impact, 55–56
Meeting managers, group leader, 222–224
Meetings
anchoring, diffusion, 224–226
differences, exploitation, 229–230
process, facilitation, 218–221
reframing, 226–229
substance, encouragement, 221–225
success, process, 214–230
types, 208–214
Merits, negotiation, 115–124
Miscellaneous provisions, 268–269
Mutuality, 267
## Negotiation

- architect fear, 94–97
- cheat sheet, client completion, 330
- collaboration, difference, 206
- common ground, 91–92
- control, questions (usage), 188
- defining, 90–94
- facilitation, contract (usage), 65–66
- focus, initiation, 130–134
- instruction, 4–5
- preparation time, 129
- process
  - client lead, encouragement, 330–331
  - equal investment, 135–136
  - pushing/pulling process, 179–182
  - resources, 332–334
  - strategies, devising, 231–232
  - types, 105t
- Negotiation, insights, 2–3
- *Nichomachean Ethics* (Aristotle), importance, 96
- Nonpartisan objective criteria, usage, 123
- No-surprise design
  - assertive practitioner belief, 13
  - impact, 321–323
  - practice, 315–320

## Objective criteria

- usage, 122–123

## Options

- analysis, 295
- design, 124
- development (assistance), questions (usage), 186–187
- discussion, 300–301
- presentation, 296

## Outcome (seeking)

- goal, 104

## Owner

- architect allegiance, 52–53
- feedback, impact, 30
- indemnification, 261–266
- problem
  - mitigation, 250–251
  - understanding, 110–113
