AAOHN. *See* American Association of Occupational Health Nurses

Abilities, fitness for duty and, 156–157

Absence management, integrated, 239, 241–242

Absenteeism, 241
- defined, 309
- factors related to, 220, 220
- health-related, costs related to, 219–220
- lower, workplace health and wellness program and, 287
- overall costs of, 240

Accelerated mass hazard, description of, 364

Access to care
- service delivery analysis and, 299
- through workplace, 265–266

Accident reporting, 359

Accommodation requests, fitness for duty evaluations and, 163

Accountability, wellness guiding principles and, 270–271

ACOEM. *See* American College of Occupational and Environmental Medicine

ADA. *See* Americans with Disabilities Act

Adjusters, 201, 206

Administrative assistants, job demands for, 156–157

Administrative controls
- defined, 309
- hazard control measures, 140

Administrators, occupational health nurses as, 6–7

Adoption, FMLA and, 254–255

Advance practice registered nurses in occupational health, 8–9
- statutory requirements for, 20

*Advisory on Over-the-Counter Medications*, 85–86

AED. *See* Automatic external defibrillator

After-hours appointments, 88

Age, of workforce, 36

Agency for Healthcare Research & Quality, Prevention and Chronic Care Program, 273

Agreement for Professional Services
- compensation, 317
- confidentiality, 319
- general provisions, 323
- insurance, 319–320
- mediation and arbitration of disputes, 321–322
- notices and invoicing, 322
