Introduction: an approach to answering questions, viii
List of related titles, x
How to use your textbook, xi

Part 1 Anatomy, histology and embryology
1 Anatomy, histology and embryology exam 1, 1
   Questions, 1
   Answers, 6
2 Anatomy, histology and embryology exam 2, 12
   Questions, 12
   Answers, 17

Part 2 Biochemistry and genetics
3 Biochemistry and genetics exam 1, 23
   Questions, 23
   Answers, 28
4 Biochemistry and genetics exam 2, 33
   Questions, 33
   Answers, 38

Part 3 Physiology
5 Physiology exam 1, 43
   Questions, 43
   Answers, 47
6 Physiology exam 2, 52
   Questions, 52
   Answers, 56

Part 4 Pharmacology
7 Pharmacology exam 1, 61
   Questions, 61
   Answers, 66
8 Pharmacology exam 2, 71
   Questions, 71
   Answers, 76

Part 5 Pathology
9 Pathology exam 1, 81
   Questions, 81
   Answers, 86
10 Pathology exam 2, 91
    Questions, 91
    Answers, 95

Part 6 Neuroscience
11 Neuroscience exam 1, 100
   Questions, 100
   Answers, 105
12 Neuroscience exam 2, 110
   Questions, 110
   Answers, 114
